Kwanians Celebrate Washington's Birthday With Ladies Night Dinner.

Bellefonte Kiwanians are not a selfish, self-contained lot of buisness men. Quite frequently they have a 'ladies night" dinner when wives and lady friends are guests at the festive board, but the ladies night on Tuesday evening as a celebration of the birthday of George Washington climaxed any former event. The birthday committee, of which Frank M. Crawford was chairman, saw to it that the din-

ing room at the Brockerhoff house was appropriately decorated with the national colors. A miniature cherry tree adorned each table and the place offerings were baby axes. All the guests wore picturesque colonial hats which blended with the surroundings. Rev. Robert Thena invoked the

divine blessing and just as the guests were seated a "Spirit of '76" drum corps entered from the hallway playing a favorite notional air. James R. Hughes presided and payed a poetical tribute to the great American in whose honor the celebration was held. Frank M. Crawford introduced the entertainers of the evening-Nevin Noll and Cecil Walker, in a darkey sketch;

Russell Blair, Cecil Walker, John Rossman and John Bullock, the Kiwanis quartette, and Miss Freda Edmiston, pianist. The speaker of the evening was Ivan Walker, Esq., and his theme, Washington.

Bellefonte vs. Tyrone.

Tyrone High proved an easy victim for the local quintet in last week's League game. The Blair countians were no match for the fast-stepping Red and White tossers and succumbed to the score of 32-17.

CENTRE HALL.

Mrs. J. F. Lutz spent the past week in Bellefonte as the guest of her niece, Mrs. Joseph Massey.

Mrs. D. A. Boozer was compelled to stay in the house for several days because of a severe cold.

Prof. L. O. Packer, of a High school faculty in Pittsburgh, spent a few days at his home in this place.

Snow was so plentiful, and troublesome, that it had to be hauled away from the fronts of many of our residences.

On Wednesday Henry Potter and sister moved to town, into his newly acquired proprety, the home of the late W. E. Tate.

Miss Charlotte Keller, who is at-tending Cedar Crest College, near Bethlehem, enjoyed a short vacation at the home of her parents, Mr. and Mrs. D. K. Keller.

Mrs. T. L. Smith's mother, Mrs. Stevens, and her sister, Mrs. Charles came to her home on Saturday, the former for an indefinite stay and the latter for a week-end visit.

Miss Grace Smith is suffering from a weak ankle and has been obliged to keep pretty close to her home. Mrs. C. A. Smith has had a very heavy cold, and also stayed in doors.

Quiltings are the proper thing these days. Among those who have recently entertained their friends this way, (including an abundance of good eats) are Mrs. John Rines, Mrs. T. L. Smith, Mrs. T. L. Moore, Miss Laura Runkle.

Shannon Boozer was a victim of grippe for several days last week, but s now able to be about his regular duties again. Another sufferer from grippe is James Foust, W. A. Homan's right hand mechanic, who is still unable to leave the house.

Rossman Wert, a business student in Harrisburg, visited his parents over

Washington's birthday. A number of the country pupils in our school spent Monday night in town, as guests of their school-mates, because of the deep snow and almost impassable roads.

Yosemite Park Bears

Immune to Tear Gas Depredations of bears in Yosemite National park upon the cabins of workmen and rangers, have become so serious that the national-park service is seeking a means of curbing them without injury. In an effort to discourage the bears, or put them to flight, experiments wth tear gas were recently conducted in co-operation with the chemical warfare service. A small black bear was chosen as the victim for the experiment, and a heavy . concentration of the gas was given

> Child Killed by Accidental Discharge of Revolver.

Edna Paugh, seven year old daughter of Mr. and Mrs. John Paugh, of Rush township, was killed last Friday night by the accidental discharge of a

revolver. The child had taken the weapon from a bureau drawer and seeing her playing with it her ten year old brother James undertook to take it away from her. A tussle ensued in which the revolver was discharged. The bullet struck the child in the head causing a wound which resulted in her death two hours later.

Mr. Paugh was working at Holsopple, Cambria county, and the first knowledge he had of the tragedy was when he received word of the death of his little daughter. He returned home on Sunday and the funeral was held on Monday burial being made at Osceola Mills.

demonstrated that horses and mules are indifferent to the gas, probably because they have no tear glands. Visitors to Yosemite find the bears among the most interesting of the park's wild life, and during the travel season they are well fed at the hotels and camps, as well as by visitors. By the time the hotels close the bears have become fat and lazy, and begin stealing slabs of bacon and other food. even though this may involve breaking a window or tearing a hole through a wall. With the apparent failure of tear gas, the park authorities are seeking other means of holding the bears in check without driving them out of the park .- Popular Mechanics Magazine.

Where Husbands Need

to Watch Their Step Another reason for not yielding to the temptation of living in a Serbian town called Velik Kikinda has been produced in the Italian press.

It seems that, instead of forming a sewing circle, the wives of this lighthearted community banded together in a secret association under the name of Santa Lucrezia, founded in honor of the redoubtable Lucrezia Borgia, with the worthy purpose of poisoning their husbands, fances, and suitors. From across the frontier-though which frontier the Italian paper does not say-they procure strong poisons,

which are unobtrusively slipped into their husbands' food or drink. As soon as the existence of the secret society became public, many husbands and prospective husbands left town. The Italian paper advises them not to let civic pride in next year's census returns prevent them from forming a Santo Bluebeard or Santo Landru lodge and going to it.
