-The Penn State glee club won the first annual intercollegiate glee club contest at Carnegie music hall, Pittsburgh, last Friday night. Six college clubs competed, Penn State, Carnegie Tech, Bucknell, Washington and Jefferson, Juniata and Pitt. Carnegie Tech was awarded honorable mention. The award carries the privilege of attendance at the national contest to be held in New York March 12th, by the intercollegiate musical council.

A concert will be given by Mrs. Louis Schad on Tuesday evening, March 1st, in the Presbyterian chapel, for the benefit of the Woman's Missionary auxiliary. Mrs. Schad will be assisted by the Kies-Tone quartette of Williamsport, who have given concert tours and come very highly recommended. Their accompanist is Mrs. Carol Evenden, a pupil of Madam big fall, such as that of the past week. Bloomfield-Zeisler. Mrs. Schad will play the violin. The program is a very delightful one. Tickets are being sold at 75 cents, the concert to begin at 8 o'clock.

-The Postoffice Department recently advertised that a competitive examination would be held on February 19th for the position of postmaster at Mingoville. Charles C. Workman is the present postmaster and during his term the salary of the office has been brought up from a few hundred a year to in the neighborhood of \$1600, due almost entirely to the Hockman chicken farm. Three people took the examination on Saturday, both Mr. and Mrs. Workman and Earl Yarnell. Mr. Workman's term does not expire until July 1st.

last summer Elmer Pillings, woods that had either been abandoned pot hunters. In any event he took the baby deer to his home and under his have now grown into good sized deer. They are quite tame and will follow their keeper as well as others for something tempting to eat. Of course they have not yet matured but the call of the wild and then back to the

# Moon Hill.

Thirty-seven houses and as many families on Half-Moon hill are without free mail delivery because the road up there is so bad that Uncle Sam has

township. The borough has no street opened on Half-Moon hill and since the abandon- friends here. ment of the old road over the hill leading up the Buffalo Run valley, many years ago, there has been no road from the borough line out over the hill. That section has been built up in recent years, many nice homes are located out there and some of their owners have automobiles. The result of the increased traffic because of the building that has been done has been to cut the trails the people up there used so badly that they are now practically im-

passable. Last fall they petitioned to have a viewers was appointed. It made a survey of the situation and was impressed with the feeling that something should be done but the location of the township school house is such as to block what the viewers regarded as the best location for a road. Consequently they failed to recommend one but did suggest that the supervisors and school directors of Spring estate land enough on the south side of the school building to make up for the land on the north side of the building that would have to be used as road way for the most feasible route out over the hill. The chairman of the board of viewers told us on Tuesday that if this were done the road would

undoubtedly be granted. Whatever the difficulties it is certain that something ought to be done for these people. They have built | band at their home on Curtin St. homes there, they pay taxes, are good citizens and deserve a road-way and chinist near Pittsburgh during the past the need is emphasized when it has several months, came home last Friday

weekly peruse the breezy column of "Pine Grove Mentions" would not realize that the writer, Capt. William H. Fry, has been laid up the past six weeks with injuries of the right hip and back sustained in a fall on an icy pavement on January 13th. How he manages to gather so many interesting items regarding the folks of his neighborhood is a mystery, but it. shows his remarkable determination to follow along regardless of any and all handicaps. Capt. Fry, by the way, is now in his eighty-fourth year, which to any ordinary man would be a sufficient excuse to sit back and take things easy. But he is endowed with an unusual amount of vital energy and has been so active all his life that he just can't sit still and keep quiet. He has his own room in his comfortable home at Pine Grove Mills where he manages to keep fairly busy during the daytime, and although he is improving slowly he still has to have assistance in going from one part of the house to another.

the fact that all foreign women and children had been ordered out of Bellefonte visitor on Thursday afternoon Chungking, where the North's have of last week and a caller at the Watchman been located the past year or more, office. He didn't have anything especially and that Mrs. North and Billy were new to tell us but did comment upon the then on their way down the Yangtse river with a number of other women missionaries and children. The urgent manner of their leaving Chungking prevented them taking along anything save the most necessary articles of clothing requisite for their comfort on the trip.

This was one reason why the men all remained behind, to not only protect their property but pack as much of it as possible to take along with them out of China, should they have the time and be permitted to do so.

From the tone of the letter of Mrs. North she really left so empty handed that when she arrived at Shanghai she was badly in need of clothing, and perhaps money, although it is very probable that every care possible will be Shanghai. Mrs. North stated that there is talk in Shanghai of sending all of them to Manilla, but she hopes they will be permitted to remain in Shanghai until Dr. North reaches that
