John Andrew Hunter.

Quite a number of Centre countians have gone forth into the world of

business or politics and some of them have made enough noise about it that everybody knows just what they have done, are doing and intend to do. Then there are others who fail in the work of self-advertising but are none the less successful in their life's work. One of these is John Andrew Hunter, a son of the late Capt. J. A.

Hunter, of Stormstown. For more than twenty years he has been located at Boulder, Col., prominently connected with the University of Coloward the cost of the extension and rado, and where he is a charter member of the Acacia Fraternity, a nation-wide fraternity of college Masons. The March issue of the Triad of Acacia contained Mr. Hunter's picture and the following sketch of his career:

Prof. Hunter went to Boulder in 1904 as an assistant professor in charge of the mechanical and chemical engineering departments in the University of Colorado. Through his efforts these departments have been built to a high standing. He brought the State oil laboratory to the Uni-

versity, and has been made deputy oil inspector. Entirely apart from this work he was instrumental in offering space on the campus and bringing the government oil shale laboratory to Boulder, in which the different methods of producing oil from shale are tested, investigated and developed. Caused by Bladder Irritation is Nature's Danger Signal.

C. R. Kidney, Ontario, N. Y., says: "Lithiated Buchu has done more for me than all other remedies combined. Some days I had almost a constant desire with days I had almost a constant desire with a terrible burning sensation. Would be bothered about six times at night. Will tell or write my experience to any one." Don't take astringents for this. You may get the habit or be forced continually to aid nature. Lithiated buchu, (Keller Formula,) acts on the bladder as epsom salts do on the bowels. Drives out foreign matter, decreases excessive acids, thereby relieving irritation. The tablets cost 2c each at drug stores Keller Laboratory, Mechanicsburg, Ohio. Locally at C. M. Parrish's Drug Store.

Business Men and Their Clerks Enjoy Successful Banquet.

The annual banquet and meeting of the Associated Business Men of Bellefonte and their clerks was held at the hotel Brockerhoff, on Monday, March 14, at 6:30 P. M. Foster L. Richards. president of the association presided, and in his introductory talk outlined briefly the plans of the association for the coming year. He stated that whatever is done for Bellefonte is done by the united work and efforts of all members of the Association. Mr. Richards is of the opinon that Bellefonte should make a special effort to obtain industries, that there should be civic improvements and a general development of the community, a closer co-operation between the business man and the farmer.

The principal speaker of the evening was Frank G. Heisey, president of the Penna. Retail Merchants Association. Mr. Heisey in a very able address touched on many phases of retail merchandising. He urged that the employer be a "Buddy" to his employee and that the employer teach salesmanship to the clerks the same as a college professor teaches a class. He pointed out many novel schemes whereby the clerks should learn the business for which they are working. The ninety business men and clerks present pronounced the talk of Mr. Heisey one of the best they had ever heard on this subject.

Mr. Harry W. Schaffer, of Lock Haven, an ex-president of the Pennsylvania Retail Merchants Association, was the next speaker and he urged that the Associated Business Men of Bellefonte become members of the State organization.

The following guests were present: Mr. Edgar F. Heffner, president of the Lock Haven Business Men's Association; Mr. T. C. Glossner and Mr. Cyrus M. Elliot, Lock Haven, and W. Harrison Walker, president of the Bellefonte Kiwanis club.

The secretary, J. B. Payne, reportwith the manager of the Mann Axe factory, of Lewistown, who are now considering locating in Bellefonte, and also the King Razor company, of Indiana, Pennsylvania, which is seeking a location.
