The junior choir of the Bellefonte Methodist church, composed of about sixteen young women and eight young men, made their appearance for the first time in vestments on Sunday, and will undoubtedly become an important feature in the regular church service in the future. The material for the vestments was furnished by Mrs. Harvey Miller, individually, and they were made by various women in the congregation. Mrs. Miller's generous contribution followed closely on that of her husband, who last fall not only contributed free of charge but also installed a new heating plant in the parsonage. The congregation is now erecting a garage on the rear of the church property to accommodate the pastor's automobile.

One day last week a man was found loitering on the streets of Bellefonte and, not having the appearance of a desirable citizen, chief of police Dukeman escorted him to the borough line and told him to beat it. On Monday night two guards from Rockview on a motorcycle and side car were up Bald Eagle valley scouting for the negro prisoner who escaped from the penitentiary on Monday morning, and coming across the individual whom Dukeman had chased out of Bellefonte he picked him up as a suspect and brought him to the Centre county jail bright and early on Tuesday morning. What will happen to the man now remains to be seen.

"The Governor" is the name John F. Marks has given his up town restaurant, in Crider's Exchange, and it was opened for business on Tuesday morning after being thoroughly overhauled inside. To test out the merits of the new eating place the force of employees at the Bellefonte postoffice, with their wives, fifty or more in number, have engaged the restaurant for a feast next Monday evening.

Mrs. Jerry Smith, of Black Hawk, was recently fined \$10 and costs, by Justice J. M. Keichline, for entering a premise that was under quarantine.
