WARNER BROTHERS PRESENT

RIN-TIN-TIN

in

"Tracked By The Police"

You all know Rin Tin Tin as the screen's greatest dog star and this production is no exception. We present the attraction in line with our slogan "Presenting the Better Class Photo Plays" and when we inform you of any big special you can rest assured that it is all we say it is and then some. We believe in you and, always, we want you to believe in us.

As an added attraction we have a Mack Sennet low-reel comedy, titled "Crazy to Act" and Fox News right off the press.

Usual admission, 10 and 25c.

Monday and Tuesday

PRODUCERS DIST. CORP. PRESENT

HARRISON FORD MARIE PREVOST

"The Night Bride"

An expectant bride-to-be on her way to the marriage altar, she discovers her fiancé in the embrace of her own sister. Then, finding herself in the home of a bitter, woman hater, who mistakes her for a burglar, a new and rosier romance enters her life—a superb picture with a surprising climax. A corking story, a peppy cast, a screen tonic de luxe.

Also Charley Chase, that funny comedian, of Mack Sennet's in "Forgotten Sweeties."

Only 10 and 25 cents.

Wednesday

Feature not yet set.

Thursday, Friday and Sat.

WARNER BROS. PRESENT

This great attraction is in 10 massive reels and as it goes "a word to the wise is sufficient." Come early and avoid standing in line. The feature will be shown at 6:45 and 9 p. m. Don't follow the crowd but get in ahead of it. Two shows each night.

Admission 15 and 35c

Report that Nungesser and Coli Found is Unconfirmed.

News flashes from Quebec, late on Wednesday afternoon, that Nungesser and Coli, the French aviators who have been lost since their attempted flight from Paris to New York, on May 8th, had been found alive and well in the wilds of Quebec, have not been confirmed and have only a meagre foundation on which to build any hope that the story may prove true.

Government officials counsel caution in accepting as true reports that the flares were sent up by Nungesser and Coli, for it is realized that other agencies might have been responsible for them.
