Bellefonte, Pa., June 17, 1927.

NEWS ABOUT TOWN AND COUNTY.

—John W. Beals, of Philipsburg, has been appointed a state factory inspector in the Department of Labor and Industry.

—A little daughter was born to Mr. and Mrs. Gideon Payne, on Monday, who has been christened Molly Mathilde Payne.

—The annual commencement at the Huntingdon reformatory will be held next Wednesday, with exercises at 2 and 7:30 o'clock p. m.

—Mrs. H. C. Yeager has resumed her newspaper work, being now the reporter from Bellefonte for the Gazette and Bulletin, of Williamsport.

—Sixteen applicants for American citizenship will be heard at a session of naturalization court to be held before Judge Furst next Monday morning.

—George Bartko, of Rush township, was arrested last week for violation of the liquor laws, and at a hearing before Squire Hancock, in Philipsburg on Monday, was held in \$1,000 bail for trial at court.

—Because of the close proximity of the carnival to Hughes field headmaster James R. Hughes has kept busy guards on duty, night and day, to see that no undesirable take a free bath in the swimming pool.

—Rev. Edwin H. Romig preached his farewell sermon in Faith reformed church, at State College, on Sunday evening, having resigned his pastorate there to accept a call to the Taber Reformed church, Philadelphia.

—The Ladies Aid society of the Lutheran church of Pine Grove Mills will hold a bake sale of fresh bread, pies, cake and other delicacies, in the new parsonage building, tomorrow (Saturday) afternoon and evening. Proceeds will be devoted to the church repair fund.

—Governor Fisher, on Monday, appointed W. R. Gallagher, of Houtzdale, as a member of the board of trustees of the Philipsburg State hospital, to take the place of State Senator Harry B. Scott, who was declared ineligible to serve because of being a member of the State Senate.

—Last Saturday morning a car driven by Mrs. Harry McElwain, of Unionville, and another by Harry Miller, of Yarnell, collided at the junction of North water street with the state road, shaking up the occupants and considerably damaging both cars. Fortunately no one was injured.

—Tuesday's Philadelphia papers announced the acquisition by the United Gas Improvement company of the Day and Zimmerman Inc., interests, which cover property interests in fourteen States. The principal offices of Day and Zimmerman are in Philadelphia and the present secretary of the company is Charles A. McClure, son of James I. McClure, of Bellefonte. It will probably be several months before the complete amalgamation has been perfected.

—A small force of men began work, last Friday morning, on tearing down the two old houses on what is known as the Longwell property, on North Spring street, but now owned by Horatio S. Moore. Just what will be erected there when the old houses have been torn down is not definitely known but it is rumored that it will be an apartment house. The new building, whatever it is, will be set back to conform with the property line of the other houses on that street.

—According to present plans Ivan Walker, trustee of the estate of Mary C. Harris, deceased, will mail checks to creditors of the Centre County Banking Co., next week. These will represent the fund in trustee Walker's hands the distribution of which the receivers of the Banking Company contested on the ground that it should have been made by them. The ruling of Judge Albert Johnson legalized the distribution by Mr. Walker, however. The total amount to be disbursed is approximately \$80,000. It will require about 950 checks, the largest of which will be for \$999.96 and the smallest for 13 cts. The distribution will represent about 15% of the defunct bank's liabilities.

—Last Friday evening residents of east High street were considerably alarmed over the appearance in that locality of four men, who they described as roughly dressed and strangers, and they appealed to the police and sheriff Taylor for protection. The men had been seen two nights in succession, along about eleven o'clock, and while they had made no hostile moves their presence in that locality was deemed a menace by the residents. Consequently chief of police Dukeman, sheriff Taylor and "Chuck" Shuey went out along the cemetery to investigate. They had no trouble rounding up the quartette of young men, who were almost at the limit of their patience. They were all from Heela, and the brother of one of them has a lady friend on east High street on whom he was calling. The five young men came to town together in a car and naturally four of them had to wait until the fortunate young man said good night to the fair damsel on east High street, and this accounted for their loitering in that neighborhood so late at night. It is needless to say the young men were not arrested.

BIG CLASS GRADUATED AT STATE COLLEGE.

Annual Commencement This Week Drew Large Crowds.

Following the usual preliminaries of house parties and dances the annual commencement exercises at State College began in earnest on Sunday with the baccalaureate sermon, delivered by Rev. Donald B. Aldrich, of the Church of the Ascension, New York city. In the evening the band gave a sacred concert on the campus which was followed with a vesper service, Dr. Fraser Metzger, a former Penn State chaplain, being the speaker.

Alumni, class meetings and various other events made Monday a busy day. The alumni banquet was held in the evening as well as the commencement reception and dance.

The graduation exercises, on Tuesday morning, were characterized by the formal induction into office of the new president of the College, Dr. Ralph D. Hetzel. Governor John S. Fisher was present and administered the oath.

GOVERNOR GIVES OATH.

When Governor Fisher arrived at the campus gateway he was given a military salute by the mounted Troop A, 52nd Machine Gun Squadron of the National Guard, and a military guard attended him at all times. The Governor joined Judge H. Walton Mitchell, president of the board of trustees, and President Hetzel in the academic procession that wound its way over the campus to Old Main, headed by the college military band. Following the invocation by Dr. Fred Lewis Patee, Judge Mitchell formally inducted Dr. Hetzel into office, and the oath was administered by Governor Fisher. The inaugural address then followed, after which the degrees were awarded by schools, and commissions awarded 38 graduates as U. S. Army reserve officers.

The election of alumni trustees Saturday resulted in the returning to the board of J. G. White, New York, and the placing of two new members, W. L. Affelder, Pittsburgh, and Boyd A. Musser, Scranton, each for three year terms. Delegates from county industrial and agricultural societies re-elected C. J. Tyson, Florida; John A. McSparran, Furness, and W. P. Rothrock, State College. Frank P. Willits, former State Secretary of Agriculture, was also elected by this group.

The graduating class this year numbered 575, one of the largest in the history of the College. Graduates from Centre county were as follows:

Harry I. Bartges, Horatio S. Buck Jr., Miss Margaret M. Buck, John E. Erb, Miss Frances L. Forbes, Miss Cora M. Foster, Miss Harriet C. Foster, Miss Helen B. Foster, Miss Elizabeth R. Frear, Justus A. Garrison, George L. Haller, Arthur S. Hodgkins, Miss Charlotte R. Hoy, John E. Klingman, Horton R. Knoll, John M. Krumrine, Arthur V. Kunes, Miss Mary L. Liebenderfer, Miss Marian A. McLaughlin, Miss Sarah A. Meyer, Johnson B. Mitchell, James R. Musser, Eugene M. Pearce, Mrs. Dorothy P. Rigby, Gerald C. Romig, Lawrence C. Rosenberry, George H. Sarson, Leon B. Skinner, Paul E. Stephens, Gilbert M. Strunk, Alfred M. Swift, B. Carl Wharton, Philip H. Wynne, Marion L. Davis and Nelson D. Zimmerman, all of State College; William H. Keller, George J. McNichol, Hamilton O. Smith and William B. Troupe, of Bellefonte; Paul E. Corman, of Coburn; Harry L. Detwiler, of Smulltown; Charles R. Keatley and E. E. Williams, of Fleming, and Theodore R. Russell, of Philipsburg.

Where Academy Football Players Will Go Next Fall.

Bellefonte football fans were all set up, last fall, with the splendid record of the Bellefonte Academy team and naturally will be interested in following the careers of the individual players. Ten men who played with the squad last year have completed their course and will enter college next fall.

Franklin Hood, the star of the team, will go to the University of Pittsburgh; Leonard Schnuppe, John Dreshar and Theodore Rosenzweig will enroll at Carnegie Tech; Harold Gaudet, Jerry Nemeseck and Albert Williams to New York University; Lew Muztel to Penn State; Gordon Hinkle to Bucknell, and Paul Brogley to the Southwestern Methodist University, Dallas, Texas.

While ten players from the first squad seem a lot of men to lose the Academy will still have an abundance of football material for next fall's team, as more than thirty players are now in sight.

A Great London Preacher Coming to Pennsylvania.

Sunday school folks in Centre county will be glad to learn that they will have an opportunity to hear Dr. F. B. Myers, the great London preacher. The State Sabbath School Association has arranged with Dr. Myers to address the state convention, which will be held in New Castle on October 12, 13 and 14.

Centre county is already laying plans in that convention and hopes to be represented by twice as many delegates as ever before, and anyone desiring information along this line, can secure the same by addressing our county president, C. C. Shuey, Bellefonte, Pa.

Thursday, June 30th, is the closing date for porch rocker tickets. 24-1

Two Prisoners Leave Rockview in Prison Car.

Two prisoners made their escape from Rockview penitentiary on Saturday afternoon, in one of the prison cars, and thus frustrated all attempts to trail them with the blood hounds recently purchased by the prison management.

The men were Lee Barr, aged 24, and George D. Roberts, aged 29, both of Cambria county. Both are expert mechanics and were working in the prison garage. About two o'clock on Saturday afternoon they were told to take a car and drive to the peach orchard, about a mile from the stockade, and bring in an inmate who was working there. The men took a car bearing license number 572 and left for the peach orchard, but they never went there. When they got down onto the Spring Creek road they drove down to Roopsburg and took the back road by the way of the slaughter houses to Bellefonte. But they didn't come into the town, turning around on the road and driving back to Roopsburg went west on the Buffalo Run road.

Barr was set up for three to six years for receiving stolen goods, breaking and entering, and Roberts got a four to eight years sentence for breaking and entering, larceny, receiving stolen goods and bigamy.

The automobile was found on Monday, in the vicinity of Mountain Lake park, two miles west of Duncannon, where it had been abandoned by the escaped convicts. Rockview authorities sent a man to Blair county, on Tuesday, to bring the car back to the penitentiary.

Yeager's Tiny Boot Shop sells Men's work shoes at \$2.85, better in quality than shoes sold by the mail order houses for \$3.50. 24-1

Bad Boys Desecrate Graves in Union Cemetery.

Visitors to the Union cemetery, last Saturday morning, were astounded at the discovery that several of the stone markers at graves along the avenue leading out to the new part of the cemetery had been overturned and a number of graves otherwise desecrated. At first it was thought to have been the work of an intoxicated automobile driver but an investigation disclosed the fact that such was not the case and that it was evidently the work of bad boys. In fact, the authorities have a well grounded suspicion as to the identity of the miscreants and just as soon as sufficient evidence can be obtained the boys will be arrested and punished.

Bellefonte has a number of criminally mischievous boys, boys of good families, who persistently indulge in the habit of trespassing on other people's property, destroying and stealing flowers and garden truck. Some of these boys are known and unless their practice is stopped it is only a question of time until they will find themselves in the clutches of the law.

Mrs. Lloyd White Injured in Auto Accident.

Mrs. Lloyd White, of Spring township, was painfully injured, on Saturday evening, in an auto accident out near the Triangle filling station beyond the old aviation field. The Whites live on the road leading to the new airfield and on Saturday evening Mr. and Mrs. White and children were motoring in to Bellefonte. As they came out onto the main Nittany valley highway their car was hit by a car from Newberry, containing five men, who were on their way home from the auto races, at Tipton. It is said that the White car had already crossed the road and was on the right side headed toward Bellefonte when hit, and that the Newberry car was on the wrong side of the road.

Mrs. White was thrown from the car and painfully cut and bruised, though it is not believed seriously. She was holding a two year old child in her lap and it escaped without a scratch. None of the other occupants of the car were injured. Both machines were considerably damaged.

Children's Matinee at Spencer's Show Tomorrow.

A special children's matinee will be given by the Spencer exposition shows exhibiting on Beaver's field tomorrow (Saturday), at two o'clock. All children of Bellefonte are invited by Mr. Spencer to be his guests. All rides and shows will be open and the admission for all children will be five cents. Other attractions will also be given for this special matinee and a big crowd is expected.

Two weeks more to save porch rocker tickets to get a chair free. 24-1

During the commencement week at State, Judge H. Walton Mitchell, of Pittsburgh, was presented with a gold watch and an engraved parchment by the alumni association. The honor was in recognition of his twenty-five years of service as a trustee of the institution and the only alumnus to become president of the board.

Thursday, June 30th, is the closing date for porch rocker tickets. 24-1

LEMONT PEOPLE PROTEST CHANGE IN STATE HIGHWAY.

Don't Want Town Eliminated from Traffic to State College.

Lemont people are considerably agitated over the proposition of the State Highway Department to not only shorten the route to State College but eliminate the dangerous curves in and adjacent to Lemont by constructing a new roadway north of the town. The new route, which has already been charted and surveyed, provides for a cut off from the present state highway at a point near where the road now goes into Houserville, this side of Lemont, and thence on almost a direct course over the hill to connect with the present road at or near the Evergreens, this side of State College. This would probably shorten the road to the College about a mile and would also get rid of the dangerous curves this side of Lemont as well as the short turn in that town.

But Lemont people protest that the building of the proposed cutoff would naturally take the bulk of the traffic that way and would be detrimental to the business interests of the town. As a matter of protest they are now circulating a petition for signers which in due time will be presented to the State Highway Department setting forth their right in the matter and protesting against the construction of the new road. Just what the outcome will be remains to be seen.

Down Nittany valley the Department has decided to eliminate the stretch of highway known as "Dead Man's Curve," below Hublersburg, where several fatal accidents have occurred. This work is now under way.

Down Bald Eagle valley a stretch of a little over two miles of road will be built to complete the road between Howard and Mill Hill, while one or two bad curves will be eliminated on the road between Milesburg and Curtin.

The short stretch of highway over the Seven mountains has been completed and that road is now open to traffic, so that motorists are not compelled to travel the long, hard detour in use last summer.

Out on the highway between Snow Shoe and Kylertown, Clearfield county, the road is now completed from Snow Shoe to the bridge over Mo-shannon creek, while work is in progress from the creek to Kylertown. It will be two months or longer before it is completed, but in the meantime traffic is open over the old roadway, as the new highway is being constructed over a different route.

Swimming Pool and Tennis Courts on Hughes Field.

The mammoth swimming pool has been the scene of much pleasure and enjoyment for several weeks. There is an influx of water daily which makes the water in the pool all that can be desired. Tickets can be purchased of the caretaker at the pool that will provide six baths for \$1.00. Many of these tickets are sold every season.

The five tennis courts on the athletic field are in fine condition and are open to the public. A season ticket can be purchased of William Waite for \$3.00. Those not purchasing tickets will be permitted to play by paying ten cents a set. Regular holders taking friends must pay ten cents a set for their guests. These courts will be kept rolled and marked by the caretaker. Entrance to the courts will be at the gate next to the west end of the bath house.

The regulations regarding the use of the courts will soon be posted. Mr. Hughes gives warning that those desiring to bathe in the pool must pay the price of twenty-five cents for a morning, or an afternoon or an evening swim.

Additional Appointments Made by Governor Fisher.

During the past week Governor Fisher has made many more appointments but so far has confined himself to the boards of various State and semi-State institutions. In fact, so far he has only been using his pruning knife and has not yet put his axe to work in trimming out the undesirable in the great army of State employees.

In appointing the board of trustees for the Laurelton State Village the name of Mrs. Robert Mills Beach, of Bellefonte, a member of the old board, was dropped from the list. Nelson E. Robb, of Bellefonte, was appointed a member of the board for the Selinsgrove Epileptic Colony.

The complete board for the western penitentiary is as follows: Edwin C. May, Dr. William T. Root, Rev. Charles R. Zahneiser, George H. Flynn and James H. Hoever, of Pittsburgh; John B. Montgomery, Aspinwall; William B. Rodgers Jr., Bellevue; William E. Sankey, Carrick, and George Hankin Jr., Wilkensburg.

Sunday School Association Officers.

At the recent convention of the Centre county Sunday school association, held in Philipsburg, the following officers were elected for the ensuing year.

President, C. C. Shuey, Bellefonte; first vice president, Dr. I. L. Foster, State College; second vice president, S. Ward Gramley, Millheim; third vice president, A. G. Katen, Philipsburg; recording secretary, Darius Waite, Bellefonte; corresponding secretary, Mrs. M. H. Brouse, Bellefonte; treasurer, L. W. Stover, Millheim.
