Former Judge Orvis Injured in Auto Accident.

Last Monday evening, as Judge and Mrs. Ellis L. Orvis were on their way home from a movie picture theatre, the Judge was struck and knocked down by a rapidly driven automobile, but by good fortune escaped very serious injury. The accident happened about ten o'clock at the crossing from Beezer's meat market to the Odd Fellows building. Judge and Mrs. Orvis were within two steps of the pavement when the machine, which was being driven at an excessive speed, swerved and struck Mr. Orvis before he could get out of the way. He was knocked down and sustained severe bruises on one leg as the result of which he was housed up for several days but was able to get down town on Wednesday. The driver of the car never stopped but the number of his license tags was taken and as soon as his identity can be learned he will be called to account for his weeks ago he effected associate conreckless driving.

"What Price Glory" at Cathaum July

4th and 5th.

Life-its humor, drama and pathos, this is "What Price Glory," the motion picture epic which will be shown lege, on Monday and Tuesday, July 4th and 5th. There is the back-

ground of the war, of course, and yet. "What Price Glory" emerges in the main as an epic of laughs behind the lines.
