PRICES ON SHOES ADVANCE!

ou, the Purchasing Public, may not believe this statement. It will perhaps "go in one ear and out the other," but regardless of what you think or believe, the wholesale prices on shoes are advancing by leaps and bounds. The manufacturer blames it on the hide market. What the actual truth is, we do not know. We do know that prices on shoes have advanced from 25c. to 5oc. per pair in the last month—and they say "the worst is yet to come.
