WM. FOX PRESENTS

#### "ANKLES PREFERRED"

### Next Wednes. & Thurs.

PRODUCERS DIST. CORP. PRESENT

#### "THE HEART THIEF"

## WHY EXPERIMENT?

It has been conclusively demonstrated that, in Judge Furst, Centre county has a thoroughly qualified Judge.

Why experiment?

The Judge is elected for ten years.

Why take chances in making a change?

It is too serious a matter to experiment with.

Judge Furst needed no outside assistance when he went onto the Bench. He stands squarely upon his own feet. He disposes of business promptly and efficiently without fear or favor.

His record in presiding over the Centre County Courts has commanded State-wide favorable comment. His work in the Courts of Clinton and Elk Counties has been equally brilliant.

Leading lawyers, irrespective of political affiliations, have endorsed him.

Keeping Court business up-to-date means a saving to every tax payer in the County. It means avoiding unnecessary, costly delay to litigants.

Judge Furst is fearless, honest, efficient.

With a Judge of this type on the Bench, why take a chance that might affect every home in Centre County?

Vote for Judge Furst  
at the Primary Election on Sep., 20th.

Published with approval of the Judge James C. Furst Campaign Executive Committee.

THE standing of substantial men and women in any community is judged, largely, by the homes and securities they own.

In a great many instances, they have found it advisable to make such purchases out of income rather than directly out of pocket.

You can follow their good example in the purchase of an Elgin Watch, a gilt-edge investment that pays daily dividends of service and satisfaction for a lifetime.

Through our Satisfied Owner Plan, you make only a small initial payment; the balance is divided over many satisfied months . . . you pay for your Elgin while you're enjoying it.
