## STATE LOSES TO BUCKNELL ACADEMY AND HI WIN.

Coach Carl G. Snively must have had a feeling of pride and satisfaction, on Saturday, when his team of football warriors from Bucknell University, not only defeated Penn State on Beaver field but outplayed them during most of the game. The score of 13 to 7 does not tell the whole story of the superiority of the Bisons from Bucknell. When a boy in knee breeches Snively played kick football on the vacant lots at State College, and probably at that time had no thought that the day would come when he would coach a team that would down the Nittany lions. But such is fate, and having suffered a defeat last Saturday State has been hard at work this week in an effort to strengthen up for the Penn game in Philadelphia tomorrow.

The Bellefonte Academy won its game against the Villa Nova Freshmen, on Hughes field, last Friday afternoon, by the score of 13 to 7. The visitors made the first touchdown but the Academy pulled together and finally won out. Tomorrow they will play the Pitt Freshmen, at Greensburg, and this will be another severe test of their playing strength.

Assuming that a number of Bellefonte fans may desire to witness the Bellefonte Academy-Pitt Freshmen game, at Greensburg tomorrow, arrangements will be made to run busses from Bellefonte to Greensburg, leaving here at seven o'clock on Saturday morning and returning after the game. The fare for the round trip will be \$3.50.

As it will be important that Mr. Hughes should know the number desired to go in order to make arrangements, he should be notified today (Friday) without fail. The game at Greensburg will be played under the auspices of the American Legion and a large crowd is assured on the side lines.

It might be interesting to know that Paul Smith, the star back who was injured in the Beckley College game, has recovered and will be able to play his position on Saturday.

Playing with an abandon and ferocity that knew no denial the Bellefonte Hi pigskin warriors swamped Altoona High school's much vaunted eleven, in Saturday's setto on the Altoona cricket field, by registering four touchdowns to one, and three points after touchdown by Harnish's talented toe brought the score to 27 to 6. It was the first Conference game of the year for these two teams and Altoona, with thirty-three men back from last year's squad, was entertaining fond ideas of a Conference championship. This pleasant dream was somewhat rudely shattered by Saturday's little affair. It took but a few minutes of play to determine the superiority of Bream's boys. A steady march of 60 yards sent Heverly over for the first score with the game but eight minutes old. Play continued in Altoona territory until near the end of the half when Bodle snared one of Mosy's aerials for a second score. The half ended 13 to 0. Three minutes after the second half opened another touchdown was put across. The local boys eased up a bit after this and permitted a blocked kick which resulted in the Montaineer's lone tally. To make the game safe the locals shovered over one more in the final period.

The new material being welded into coach Bream's machine gave a good account of themselves and promise to render satisfactory service. The veterans worked true to form in line and backfield. All men were able to practice Monday in preparation for Mt. Union's Brickmakers tomorrow at Mt. Union.

Tuesday morning was just a little bit the coldest and frostiest we have had this fall, thermometers being almost down to the freezing point.

**CRITIC GIVES PRAISE TO "THE WAY OF ALL FLESH"**

The world's greatest character actor in the most painstakingly perfect characterization of his life. The soft lights in the studio projection room flashed on like a mechanical dawn following the final fadeout on the screen; for a few poignant seconds there had been absolute silence.

Then the voice again in the half-light, a whisper like an echo: "A perfect performance."

The tribute came from a nationally known motion picture critic; a man who has seen more films—good, bad, and impossible—than any other person connected with the industry. It was made in the laboratory projection room of Paramount's West Coast Studio. The critic had just witnessed a preview of "The Way of All Flesh" in which Emil Jannings, the supreme international film artist, makes his American debut.

"Jannings has portrayed a character in that picture who will live as a vivid, appealing and mighty personality for all time," the critic continued as he turned to his companion. And then this connoisseur of the screen started analyzing what he had just witnessed. Point by point, scene by scene he went over the picture, looking for some one or two things he could decide upon as having the greatest bearing in establishing its pre-eminence. Finally he chose a word.

"It is its simplicity, its humanness, its stark realism; this wonder picture, acclaimed everywhere as one of the finest films of the year, will be shown at the Scenic Theatre next Monday and Tuesday evenings.

Belle Bennett, the star of "Stella Dallas" and Phyllis Haver, who made fame and fortune for herself in "What Price Glory" head the supporting cast.

**Bill Emerick Bought the Bush House on Monday.**  
Bill Emerick, head of the Emerick Motor Bus line, on Monday bought the Bush house from the Bellefonte Trust Co., trustees of the estate of the late Mrs. Louisa Bush. According to Bill's own statement he does not contemplate any decided changes or improvements at the present time. The lease of the present landlord, Mr. Rhinesmith, it is understood, has two years and a half yet to run, and he will probably retain possession for that time, at least.

**Five Horses Perish in Big Barn Fire.**  
Five horses were burned to death in a fire which destroyed the big barn on the Robert Wightman farm, near Seven Stars, early Sunday night. In addition to the stock all the season's crops and two thousand bushels of potatoes were burned. The loss is placed at ten thousand dollars on which there was only a small insurance. As there was no fire about the barn during the day an incendiary is blamed for setting the barn on fire.

The barn on the John Brindle farm, near Aaronsburg, tenanted by Jay Vonada, was burned to the ground on Saturday night. The Vonada family were away from home at the time and the fire was discovered by Mr. Brindle, who lives on the adjoining farm. That gentleman was able to save the horses but ten head of cattle and seventy-five chickens were burned to death together with 500 bushels of wheat, 400 bushels of oats, the season's hay crop and various farm implements. The loss is placed at \$10,000, mostly covered by insurance. The origin of the fire is unknown.

**Worth Township Gets Extra \$6,000 from State.**  
At a meeting of the State Council of Education, held in Harrisburg last Friday, it was voted to give Worth township, Centre county, \$6,000 toward the construction of new school facilities in Port Matilda.

For several years the school houses in Worth township have not been sufficient to accommodate the pupils under the requirements of the school code, and to overcome the crowded condition the school board decided to build an addition of from four to six rooms to the High school building in Port Matilda. To do this they floated a bond issue of \$14,000, and also applied to the State Council of Education for a loan of \$6,000. When the Council took the matter up for final disposition, last Friday, they were confronted with the fact that it was illegal to make a loan, but under the law they have the power to give the money outright, so they voted to give the township the money, which naturally is more appreciated than a loan.

She was aged 16 years, 6 months and 20 days, and was a member of the Sophomore class of State College High school. **Hunters Making Ready to Invade Woods in Search of Game.**  
The fingers of hundreds of Centre county hunters are beginning to itch and tingle and that longing feeling for nature's wild spots is growing more intense as the time nears for the opening of the hunting season, which is now only seventeen days away. On Tuesday, the first day of November, wild turkey, ruffed grouse (pheasant), ring-necked pheasant, quail, squirrel and rabbits will become lawful game for the hunter's gun.

Birds of all kinds will be in season only fifteen days but rabbits will hold good throughout November. There will be only one month of open bear season this year, November 16th to December 15th, inclusive, with cubs under one year protected. No change has been made in the deer hunting season, which will be as usual, December 1st to 15th, inclusive.

**Boy's Death Caused by Moonshine Liquor, it is Alleged.**  
Late on Friday evening Russell Bryan, eighteen year old son of Edward Bryan, of Coleville, was found lying unconscious on the streets of Bellefonte. He was taken to the Centre County hospital where his ailment was diagnosed as alcoholic poisoning. The boy died on Saturday evening without regaining consciousness.

An investigation revealed the fact that Bryan had been given a pint of moonshine by John Kelly, and drank the most of it. William Mills, a young man who was with Bryan on Friday evening, is alleged to have made a statement in effect that he saw Kelly give Bryan the moonshine. Kelly was arrested on Tuesday and will have to answer in court for being implicated in the boy's death.

—Fall is here. The posies have been taken out of the boxes on the street lights.

**Howard to Have Big Time.**  
October 29th will be one of the biggest days Howard has seen for some time. The event will be a Halloween carnival. It will begin with a Mummers' parade in the evening at 7:30. Prizes, some of them really worthwhile, will be offered for the best costumes and floats. Definite announcement concerning these prizes will be made later.

Immediately following the parade an outdoor carnival with almost every form of entertainment will be held. Refreshments will be on sale all evening. The proceeds will be divided between the Alumni association of the High school and the football team.

A crowd even larger than that of last year is anticipated, and every effort is being made to make this the biggest day Howard has ever seen.

**Visiting Artists Feature Splendid Concert in Methodist Church Here.**  
The Bellefonte Methodist church was packed to the doors, last Thursday evening, with an audience that was thoroughly delighted with the "Musical" that was given under the auspices of the ladies volunteer Bible class of the church.

The program was unusual in its diversity and exceptional in its presentation of artists.

The first number was a piano solo by Mr. Sherwood Smith, of State College. Mr. Smith is a brilliant pianist and his prelude revealed such splendid technique that musicians in the audience at once realized that a treat was in store for the evening.

The male quartet of Millheim, A. H. Stover, L. W. Stover, W. N. Duck and C. E. Musser, accompanied by Mrs. A. H. Stover, sang next and responded to two encores. Seldom have we heard voices of such tone quality that blended so perfectly. The tenor and the barytone especially appealed to us since one rarely hears such voices off the professional stage.

Next came a trombone quartet of Bellefonte players headed by Harold Wion. Both the quartet and the solo by Harold Wion were appreciatively received and the young men were recalled several times.

Rev. Merrill Williams was the "Reader" on the program and when we saw the "Rev" in front of his name we said to ourselves: Here's where a good program "flops." It was not so, however, the parson "stopped" the show. He was so good that if ever he tires of the pulpit we are sure he would make a hit on a Chattanooga circuit. His "Suppressing the Press" was especially clever.

Mrs. Charles C. Wagner, of State College, was the only vocal soloist. She was accompanied by Mrs. Miller, of the same place. She has a lyric soprano voice of great range and sang her numbers brilliantly.

The Ashburne Brothers, of Altoona, accompanied by Mrs. H. H. Ashburne, was the second quartet on the program. They are another combination of voices pleasingly well blended and sang with professional finish. Their rendition of "The World is Waiting for the Sunrise" would have made the evening for us had there been nothing else on the program.

Claude A. Miller, "the Marimba King," of Williamsport, well styles himself a "public entertainer," for the various numbers he played during the evening fairly entranced the large audience. From the most classical selections to the exquisite shadings and harmonies of "The Rosary" and "Old Black Joe" he revealed why he is called "the Marimba King."

The concert was arranged by Mrs. Geo. F. Reiter, Mrs. Van S. Jodon, Mrs. William Nighthart and Mrs. Richard Heverly, with the assistance of the pastor, Rev. Homer Charles Knox, and netted the cause for which it was given approximately \$200.

## PLEASANT GAP.

Mr. and Mrs. Frank D. Millward and Mrs. Jack Noll attended the musical, given in the Methodist church of Bellefonte, on Wednesday evening. It was a treat to all who heard it.

The Rally day services and reopening of the new Sunday school room of the Methodist church was a very joyous occasion. These Methodist people can well be proud when they look at the result of their efforts. In the morning Dr. Ezra Yocum, well known to all, and at one time pastor of the Methodist church in Bellefonte, preached the sermon. In the afternoon at 2:30 Dr. Foster, of State College, talked and the State College quartette pleased the audience with their wonderful melodies. In the evening at 7:30 Mr. Heinemann, of the Bellefonte Y. M. C. A., gave a talk to the young, and gave some wonderful advice. The famous Millheim male quartet charmed the audience with the splendid manner in which they handled the several beautiful selections. The congregation is to be congratulated for their zeal and untiring energy in making the Lord's house a thing of beauty. Rev. Metzger, their pastor, also deserves a lot of praise for working side by side with his church people, even with pick and shovel.
