Bellefonte High Downs Huntingdon by 35 to 24 Score.

Three hundred members of the Bellefonte High school and other supporters of the football team motored to Huntingdon, last Friday, and witnessed the victory of the local team over the Huntingdon High school by the score of 35 to 24. It was the most thrilling game played this sea-

Up at State College, on Saturday morning, the State College Freshmen defeated the Bellefonte Academy 21 to 0. Bellefonters who saw the game aver that the Academy was the victim of a series of bad breaks and what looked to the men on the sidelines as unjust decisions, for which, however, neither the Freshmen nor College authorities were to blame.

STATE WON OVER LAFAYETTE. The big surprise of Saturday was State's decisive defeat of Lafayette. The Centre county boys were supposed to have the edge on the Maroon and White but no one anticipated such an overwhelming score as 40 to 6; and Lafayette's lone tally was made only after second string men replaced State's first team. Capt. John Roepke was the scintillating star of the game, scoring 27 of the forty points, and now holds second place in points scored by eastern college players.

Movement for New Reformed Church at State College.

At the annual meeting of the Eastern Synod of the Reformed church, held in Lancaster last week, a request was made for a campaign to raise \$75,000 for the erection of a new mission church at State College. It was suggested that the funds be raised at the annual home mission day on Sunday, November 13th.

'There is no greater challenging home mission project facing the church than this," asserted the Rev. F. K. Stamm, of Reading, a former pastor of the Faith Mission at State College. "Students do go to church and we must have faith and confidence in youth. There is no greater work than to help young men and women think themselves through religious problems."
