A fast moving melodrama of a young army officer who uncovers a band of smugglers who have been the terror of the country for years. They have been clever enough to cover up their tracks and thus escape detection. They are finally wiped out through the heroism of the young officer and a girl who hold them at bay until the troops arrive.

A Re-issue, Re-edited, Re-titled.
Also Fox News and a fast two reel Comedy.

Just 10 and 25c Only.

Next Mon., Tues., Wed.

PARAMOUNT PRESENTS
CLARA BOW and OLIVE BROOK

—IN
"HULA"

Clara Bow, the flaming flapper, is with us again in a tidal wave of love in the tropics. The shake in California was severe but folks wait until you see "Clara Bow's" shake in Hula and you will readily understand why she is the screen's greatest drawing card. Whatever you do don't miss seeing this one.

Also Paramount News Reel and a clever two reel comedy. Matinee Monday and Wednesday 2 P. M. Admission 15 and 35c and worth plenty more.

Thursday & Friday

DE MILLE PICTURE CORP. PRESENTS

"Turkish Delight"

From the Story by Irvin S. Cobb.
No more meaty and colorful subject for a delightful comedy can be imagined than the ludicrous situations suggested by the emancipation of the Turkish women. Gone is the day of the cloistered Hour of Arabian Nights legend. In her place is the Turkish flapper—unveiled, un-haromed and unshackled. Retaining the glamor of the good old Turkish days, Cobb shows what the Mohammedan female of the specie can do in the way of "high jinks" when she casts aside the old conventions.

Matinee Thursday 2 P. M.
Only 10 and 25c.

Next Saturday Only

PARAMOUNT PRESENTS

"Nevada"

"GARY COOPER", "THELMA TODD"
"WILLIAM POWELL"

A tale of the West when a man's best friends were his horse and gun; when women were heroines; when cattle rustlers and bad men roamed in ferocious bands; when wide plains depended on the quickness of a man's draw. It was the era in which the Old West was beginning to fade. The lawful element was serving notice that outlawry would no longer be tolerated.

Also Fox News and a real two reel Comedy. All for 10 and 25c. Matinee 2 P. M.

Coming Attractions

SOMETHING ALL THE WORLD IS WAITING FOR

"Les Miserables"

Conceived by the magnificent imagination of Victor Hugo, the Master, this great and moving story of humanity oppressed and triumphant marks one of the screen's most colossal achievements. Laid in France at the time the nation was awakening from its nightmare of horror, you will be terrified and amazed at the gripping realism with which this superb all-French cast portrays the characters of this immortal literary epic.
Truly an Immortal Film Master-piece!

A Self-Explanatory Letter.

The Bellefonte Academy,
Bellefonte, Nov. 2, 1927.

Dear Mr. Editor:

Last week a dispatch was sent out by a newspaper correspondent at State College advertising Saturday, October 29th as Home Coming Day. This dispatch included a statement that was as untrue as it was unnecessary. The statement was that the Academy had never defeated the State College Freshmen until the game of 1926. The real fact is that for years the Academy teams defeated the State Frosh teams at State College and at Bellefonte; not only that, the Academy defeated every single scrub team that ever faced them, whether at State College or at Bellefonte, without one single exception. More than that, to cap the climax of it all, the Academy team defeated the State College Varsity eleven by a single score of 6 to 5 on Old Field during the year the famous "Bull" McCreery was the varsity captain.

The old grads of State recall that game with a good deal of amusement and merriment. During the four years prior to the establishment of the one year rule, the Bellefonte Academy teams won four consecutive victories over the State Freshmen at Bellefonte. Then came the one year rule. The scene of action was transferred to the State College field. It was hard sledding, of course, for Prep School teams to defeat the so called "Varsity Teams of tomorrow," but they put up real battles just the same. In 1921 and 22 the fans saw the Academy teams superior to the freshmen teams, go down to defeat because of the rulings of incompetent or unprincipled officials. Then came the severing of athletic relations between the two institutions, which continued during the years 1923-24-25. The public well knows that the Academy championship teams of 1924 and 25 would have had no trouble in defeating the State Freshmen teams during those years. Athletic relations were resumed in 1926 and the Academy clearly proved its superiority. 'Tis true that on Oct. 29th the Academy team walked off the field. It had no other alternative. A man had been placed in charge of the game who in his own district of Pittsburgh, as I have been informed, has been threatened on several occasions by the crowd because of his unfair decisions. A man who in recent years has been unable to secure a good job in his own district as an official. This man gave the game at State College that day a bad and unfortunate start and the Academy boys a bad spirit when he allowed the Freshmen a touchdown, in direct violation of rule 18th, Sec. 5, of the rule book and in stubborn defiance of the protests of the Bellefonte Coach and the Bellefonte Captain. Toward the later part of the game he was persistent in his "roasting" decisions and had reached that point in his high handed management of the game that he denied Coach Magee and Captain Kozicki the right that was theirs to demand an explanation for his decisions. Under such circumstances, the self respect of the team and of the school it represented, left no other course than withdrawal from the field. Such an action is always deplorable, but there are times when it is excusable. Truth and justice due to the splendid record of the historic Academy warrant the publication of this letter.

Very Respectfully,
JAMES R. HUGHES,
Headmaster.

To the Editor:

Mr. James R. Hughes, headmaster of the Bellefonte Academy, in an open letter above voiced objection to a statement that was issued from this office prior to the Bellefonte Academy-Penn State freshman game to the effect that no Penn State freshman team had ever been beaten by a team representing the Bellefonte Academy until the season of 1926 when the Bellefonte team defeated the State first year men 27 to 6.

The statement in this dispatch, similar to one made a year ago without being challenged, was based on the college records in the office of the graduate manager. The official record of all Penn State-Bellefonte games, taken from the graduate manager's files, is as follows:

1890—State (varsity) 23, Academy 0
1906—State (varsity) 12, Academy 0
1908—State (varsity) 5, Academy 6
1914—State Freshmen 13, Academy 28
1915—State Freshmen 35, Academy 3
1917—State Freshmen 46, Academy 0
1918—State Freshmen 2, Academy 0
1919—State Freshmen 6, Academy 0
1920—State Freshmen 2, Academy 0
1920—State Freshmen 14, Academy 7
1921—State Freshmen 13, Academy 0
1922—State Freshmen 6, Academy 0
1923, 1924, 1925—No games.
1926—State Freshmen 6, Academy 27
1927—State Freshmen 21, Academy 0

The result of the 1914 game, 28 to 13 in favor of Bellefonte, was not in the records mentioned above but has since been found by referring to the college year book files. The Freshman one-year residence ruling was adopted April 29, 1914. No records of games between scrub teams and Bellefonte Academy teams have been kept in the office files. If the above

records are incomplete or incorrect, perhaps an examination of the files of your paper would serve to clear up the situation.

I am sure that both this office and the graduate manager would welcome any reports or accounts of games that show the official files to be in error. Certainly no statement in any dispatches sent out from this office were intended to discredit any Penn State opponent, least of all the neighboring Academy in Bellefonte.

Very respectfully,
WES. W. DUNLAP,
College News Service.

Headmaster Hughes Has More to Say.

Bellefonte, Pa, Nov. 8th, 1927.

Dear Mr. Editor:

Out of a sense of pure fairness the State College News Service has sent to me a copy of the letter which will appear in your columns this week. While the statements in their letter are generally correct, they in no wise dispute or disprove the statements I made in my open letter to the effect that during the four years previous to the establishment of the one year rule we won four successive victories over the State Freshmen and also defeated every single scrub team that ever faced Bellefonte Academy, whether at State College or at Bellefonte. You will notice in the College News Service letter the statement that "the freshmen one year residence rule was adopted April 29th, 1914." You will, also, observe that no games are accounted for during the years 1910, 1911, 1912 and 1913. Those are the four years prior to the establishment of the one year rule. They are the four years when the Academy—State freshmen games were played on the old glass works meadow, every one of which games we won. As soon as I can be removed from the hospital where I have been for two weeks I shall seek permission to search the files of the Bellefonte papers to find out the exact scores of those victories. Again the College News Service letter says "records of games between scrub teams and Bellefonte Academy teams have been kept in the office files." My statement as to our victories over the scrub teams still remains undisputed. I remember well two scores of 6-0 in our favor and I also recall that the year Karl Beck played against us, we were badly defeated by the freshmen. He was injured in that contest. Later in the fall a scrub team composed practically of the members of that same freshman team, except that wonderful player Beck, came to Bellefonte and suffered defeat by the score of something like 15-6. I am sorry we have never kept the scores of our games on file, but my memory is pretty accurate in football affairs. I think the dates are wrong for the three varsity games, though the scores are correct. As I recall, those three games were played in three consecutive years. I am sure I am right in this matter, for I remember accepting the invitations myself over the phone to take my team to State and give the varsity a chance to try out their signals on a strange team. I was glad to do so, and to-day would do all I could to help State, for I am a Centre contain and my slogan always is "Centre county against the world and may she be victorious." What I have written, I have written in the friendliest spirit.

Very respectfully,
JAMES R. HUGHES.

Woman Killed in Auto Accident.

Mrs. Rebecca Henry, wife of Calvin E. Henry, of Hecla, was killed in an auto accident on Brush mountain, last Wednesday. She and her husband were returning home from a trip to Rebersburg, and going down the mountain the brakes on the car failed to hold. Mr. Henry ran into the bank at the side of the road, it upset and his wife was crushed to death beneath it.

Mrs. Henry was 72 years old and in addition to her husband is survived by six children. Burial was made at Hublersburg on Sunday.

—A rumor has come here from Philadelphia, of the marriage of Mrs. S. Cameron Burnside and John A. Lane Jr., both former residents of Bellefonte. Mr. Lane is at present with the Altman Store company of New York City.

—James K. Barnhart went down onto Bald Eagle mountain, on election day, and inside of two hours bagged a wild turkey. Charles E. Gates also shot a turkey, on Wednesday morning, on Nittany mountain, above Hecla.

—The Woman's Auxiliary of the Centre County hospital will hold a card party at the Elks club house on Thursday, November 17th, 1927, at eight o'clock. Bridge and five hundred.

PLEASANT GAP.

Mrs. Fred A. Clemens, of Nescopeck, Pa., is spending a week with Mrs. Jack Noll.

Mr. and Mrs. Chas. Krebs and baby were guests of Mrs. Krebs parents, Mr. and Mrs. John Mowery, on Sunday. The Krebs live at State College.

The ladies of the Lutheran church will serve their annual Thanksgiving dinner and supper in the Pleasant Gap hose house, instead of Noll's hall. A line of aprons, sunbonnets and fancy work will be on sale at the same time.

The W. C. T. U. "Dues Social" held at the home of Mrs. Martin Keller, on Tuesday evening, proved a very enjoyable affair. All the guests wore old-time clothing; some of the costumes being rare antiques, indeed. Everything was done by the committee to make it pleasant for those present. Delicious refreshments were served and everything done for the enjoyment of the party. The W. C. T. U. is in a thriving condition, with a working membership.
