The new model Ford car exhibited at the Beatty garage, on Monday, proved quite an attraction, as hundreds of people visited the show room during the day and up to late in the evening to see the Tudor coach on exhibition. While at work on one of the machines at the Titan Metal company, on Thursday of last week, Miss Pauline Newman, of Milesburg, got her sleeve caught in the machine, with the result that the flesh on her right arm was torn from the wrist to the shoulder. The result was Bobby was hit and knocked from the sled and when the driver of the car stopped the boy's right wrist was under one wheel so that the car had to be pushed off. The bone of the wrist was badly fractured, but he escaped other injury, and after two days at home is now able to go to school again.

## HUNDREDS OF BUCKS KILLED IN COUNTY

Hunters Having Best Sport Ever Experienced in This Section.

True to early predictions the 1927 deer killing season promises to be a record breaker in Centre county. Thousands of hunters have been on the trail every day since the opening of the season and so occupied are they with the blood-lust for killing their deer that it has been impossible to get anything like a comprehensive story of the kill or the number of deer slain.

Game protector Thomas G. Mosier estimates that more than five hundred deer were killed in the Centre county mountains the first two days of the season, and ten or a dozen bear. The record kill so far heard of was made by the Palmyra hunting club, of Lebanon county, camping in the Seven mountains. They killed their limit of six deer in five hours the first day of the season.

But hunting clubs were not the only lucky ones. An unknown hunter, who came from Ohio, last Wednesday, spent the night at Potters Mills, went out into the mountain Thursday morning, bagged a buck and by eight o'clock was ready to start home with it.

On the opening day Henry Malone, a Bellefonte high school student, went up onto Bald Eagle mountain and killed a buck which weighed 125 pounds.

Mr. and Mrs. C. Edward Cowdrick and Edward Corrigan, of Niagara Falls, motored to Clearfield for the opening day, the men joining the Cowdricks of that place for the hunt and Mrs. Cowdrick coming to Pleasant Gap to visit friends. Saturday evening Mr. Cowdrick and Mr. Corrigan came to the Gap with a big buck strapped on their auto, the animal having been killed by Mr. Corrigan. They remained over Sunday and left for the Falls on Monday morning.

Edward Haupt, of Bellefonte, killed a four-pointer over in Decker valley the first day of the season, making the third successive year that he has brought down his buck.

William Cross was a member of the Bishop hunting party in the Seven mountains, above Milroy, which bagged three deer up to Saturday noon, a four pointer, three and two prong.

Samuel Wertz, a 16-year-old Tyronese boy, killed a 350-pound bear and a ten-pronged buck in the foothills of the Allegheny mountains, on the opening day.

A fifteen pronged buck was killed by A. Harrington, of Altoona, near Julian, on the first day of the season. It dressed 187 pounds.

The Decker hunting club, in Decker valley, got their limit last week.

John L. Nighthart, of Bellefonte, and Hugh Daley, of Philadelphia, are members of a party of day hunters who have headquarters at Earl Smith's store, at Potters Mills. Up to Saturday morning they had two deer. Two other hunting parties are located at Potters Mills, one of which has four deer and the other three.

The Stover hunting party, of Rebersburg, have three deer hunting on Brush mountain.

The Bradford hunting club, on the Seven mountains had four at last reports.

Out on the Allegheny mountains in the neighborhood of one hundred deer have been killed by hunters from Philipsburg and Rush township.

Shortly after 8 o'clock, on Wednesday morning, a hunting party from Johnstown passed through Bellefonte en route home with their limit of six deer shot in the Seven mountains just above Potters Mills.

Two parties of Pittsburgh hunters passed through Bellefonte the same morning on their way from Clinton county. One of the parties had three deer and the other two, but one of the latter was a twelve-point buck which dressed 228 pounds.

Joe Yarnell and his party of day hunters have two bucks to their credit, hunting on Nittany mountain, but the McMullen-Yarnell party, in Rag valley, hadn't made a kill up to Wednesday morning.

W. R. Kissell, of Bellefonte, motored up Buffalo Run valley, last Friday morning, for a hunt in the Barrens. He parked his car and had not walked a third of a mile till he spied a five-point buck and dropped it the first shot.

SO KILLED IN PINE GROVE SECTION

Up in the western end of the county eighty bucks were killed by hunters on Tussey mountain, between Graysville and Shingletown gap, according to the Watchman's Pine Grove Mills correspondent. Some of the lucky ones are given as follows:

The Neidigh hunting party, five on Monday evening.

The Roosevelt camp, four on Saturday evening.

The Pine Grove gun club, two four-pointers.

The Gearhart day hunters, four.

Carey Shoemaker, a five-pointer.

The Roaring Run club broke camp on Saturday with five deer to their credit, three of the lucky shots being G. R. Dunlap, H. B. Stover and Elmer Long.

The Fleetfoots returned home on Monday with six.

Among the fortunate day hunters were William Siegel, a four-point buck, a 200-pound bear and a hedgehog. H. C. Fluke came up from Reading on Wednesday evening of last week, spent the night at Pine Grove Mills, went out on Thursday morning

and shot his buck before 8 o'clock, leaving for home before noon.

G. W. Louck bagged a 7-pronged buck on the opening day which weighed 152 pounds. Harold Glenn and son, Guy, each got a nice buck. Melvin Ellenberger shot a 10-pointer which dressed 200 pounds. Charlie Stuck got a 3-pointer and James Kline one with four prongs. Andy Laird shot a 9-pointer and M. C. Wieland one with four points.

The Rossman hunting club had three at last reports. Henry McCracken shot a 3-pointer. Samuel A. Homan, Robert Bloom, Harry Gearhart and M. C. Heffner each got a buck and the Tate brothers brought home two, a 3 and 4-pointer.

THE BIG BEAR

The hunting party of which postmaster John L. Knisely is a member, composed of hunters from Bellefonte and Milesburg, returned from the Big Bear region, on the Allegheny mountains, on Wednesday afternoon with four deer and the biggest bear ever brought to Bellefonte. At Beezer's butcher shop it weighed exactly 313 pounds. The bear was shot by Charles Mored, of Milesburg.

Up to Wednesday evening twenty-six deer had been illegally killed in the county and \$1,800 in fines have been collected for killing eighteen of the deer. The other eight were found in the woods and the hunters who made the wrong shots have not yet been discovered.

Owing to the unusual demand for holiday advertising this week it is impossible to give a complete list of the killers of deer, as it would fill almost a page in the Watchman.

## Car Wrecked, Moonshine Spilled and Men Arrested.

On Saturday Constable Robert Woerner, of Rush township, brought to Bellefonte and turned over to the sheriff a quantity of liquor seized in a raid in his bailiwick several days previous. Returning home he decided to go by way of Snow Shoe. Near the top of the mountain he saw a Ford car strike the abutment of a bridge and turn completely over. Naturally he stopped to render assistance and helped three men out of the wrecked car, who proved to be Martin Howard, Charles J. McCoy and Edward Baney, the latter the owner of the car. All of them escaped serious injury, but were promptly placed under arrest when the constable found a sack full of bottles of moonshine in the car, quite a number of bottles being broken and the liquor spilled.

The constable took the men to Snow Shoe where they were given a hearing before Squire Haines, who held Baney in \$500 bail for possessing and transporting liquor and imposed a fine on Howard and McCoy for disorderly conduct. The State patrol, of Bellefonte, were notified and they went to Snow Shoe and brought the three men to the Centre county jail. On the way over the mountain they encountered two foreigners who were behaving in a disorderly manner and they placed them under arrest and brought them along to the jail.

## Rockview Prisoner Enjoys Only Brief Liberty.

James Jeffries, of Erie county, made his escape from Rockview penitentiary during the hard snowstorm, last Friday morning, but his liberty was of brief duration as he was captured the same afternoon on the Buffalo Run road between Roopsburg and Meyers cemetery. Jeffries was doing a term of eighteen months to three years for larceny and at a special session of court, on Saturday afternoon, he was given a like sentence by Judge Hurst to run from the expiration of his original sentence.

Samuel R. King, of Armstrong county, who escaped from the penitentiary on Monday, October 17th, was caught out in Ohio, on Thursday. It is reported that his wife, dressed in men's clothing, was with him when captured, she having deserted her three small children to flee with her husband. King was brought to Bellefonte on the 1.30 p. m. train Saturday and the same afternoon given an extra three to six years in the penitentiary, the length of the original sentence he drew for breaking and entering and larceny.

## Fire Damages Goheen Home, at Baileyville.

The Robert Goheen home, at Baileyville, caught fire from an overheated flue, on Monday morning, and the flames communicating to the roof an appeal for help was sent to Tyronese and the Neptune company, with its pump, promptly responded. In the meantime neighbors gathered at the burning house and organized a bucket brigade which kept almost a continuous stream of water on the flames, with the result that when the Tyronese fire company reached the scene the bucketeers had the fire about out. The loss is estimated at \$700, fully covered by insurance. The Neptunes made a good run from Tyronese, covering the seventeen miles in fifty-eight minutes.

## Three Hunters Meet Death by Own Carelessness.

Harry Ellenberger, 17-year-old son of Mr. and Mrs. Stewart Ellenberger, of Marengo, was instantly killed on the opening day of the hunting season by the accidental discharge of his own gun. With his father and two brothers, Melvin and Raymond, he had been out hunting in the Barrens and Melvin was successful in bringing down a fine buck. The four men were carrying the deer home and in crossing an orchard stopped under an apple tree to rest.

There were some apples on the tree and taking his gun by the muzzle Harry undertook to knock down some of the apples, but the trigger on his gun caught on a limb and the weapon was discharged the bullet entering his left breast, killing him instantly. The father and two brothers carried the lifeless body home and summoned a physician, but the latter said that death had probably been instantaneous.

Funeral services for the young man were held in the Ross M. E. church on Saturday afternoon, by Rev. W. S. Rose, burial being made in the Ross cemetery.

A PITTSBURGH HUNTER KILLED.

Charles A. Snyder, 32 years old, of Mount Oliver, Pittsburgh, was killed near Pine Grove Mills on Friday morning. He was a member of a hunting party staying at Pine Grove Mills and going into the mountains during the day. On Friday morning the party left by automobile and went to the foot of the mountain where they parked the car. Snyder had both hands on the muzzle of his gun, the stock of which was resting on the running board of the car. He leaned on the gun in getting out of the car, the stock slipped from the running board, the hammer catching and discharging the shell.

The bullet passed through Snyder's two hands, entered the right eye and passed through his head. Undertaker Koch, of State College, took charge of the remains and prepared them for shipment to his home in Pittsburgh. Mr. Snyder and his brother had been hunting together for fifteen years.

KILLED AT TWIGG SETTLEMENT.

Herman B. Cieslar, of the Twigg settlement, Rush township, was the third hunter to be killed by his own gun. He was hunting with a party on Cold stream and having shot their limit of deer were returning home on Saturday afternoon. When the motor truck reached the Cieslar home Herman got out and with his loaded gun in his hand started for the house. On the way he slipped on some ice, his gun struck the ground and was discharged, the bullet striking the young man under the chin, passed up through the head, killing him instantly.

The unfortunate young man was a son of Mr. and Mrs. John Cieslar and was eighteen years old. In addition to his parents he is survived by five brothers and two sisters. Burial was made on Tuesday afternoon.

## Philpsburg Baby Killed in Auto Crash.

An auto wreck near the Tyronese club house, at the Triangle, in Bald Eagle valley, about 4.30 o'clock on Tuesday afternoon, resulted in the death of a two-year-old child and the injury of five people. The car, a sport roadster, belonged to Robert Davis, of Philipsburg, and occupied by himself and wife and two-year-old son, Mrs. Edward Hartman and two-year-old daughter, Maxine, and Misses Grace and Edna Pritchard. They were on their way home to Philipsburg when the car skidded on the ice and crashed head-on into the abutment of a concrete bridge.

Passing automobilists picked up the members of the party and took them to the McGirk sanatorium, at Philipsburg, but the child, Maxine Hartman, died before arriving at the institution. The Misses Pritchard were seriously injured. The only one who escaped injury was Bobby, the two-year-old son of Mr. and Mrs. Davis.

Miss Adaline Olewine's five tables of bridge, Thursday night of last week, was her second party of the week.

With adverse conditions, the road being covered with ice, a fine rain freezing to the windshield, the rear wheels losing traction even though equipped with chains, the new Ford Model A went over this side at thirty-five miles an hour, and from a standing start at the foot of the mountain in Centre Hall came up the mountain from twenty-two to thirty-six miles per hour and over the top at twenty-eight miles an hour.
