

The Scenic

THEATRE

BELLEFONTE

Where the Better-Class Photoplays are Shown
Each Evening at 6.15 o'clock.

The Scenic is now presenting an entirely new program, planned long ago to become effective on completion of the New State Theatre.

It will give a good show at a reduced rate to conform to all pocketbooks and wishes. A line of good features, with extras, not at 25 and 35 cent prices but 10 and 15 cents, where they properly belong.

We have been compelled to ask higher prices for the superior shows we have been giving the people because the costs and requirements demanded it and now that we will have a splendid new Theatre in which to run these shows the people will get the regular entertainment they have been having at the proper prices as to fit every need. With nightly change of show consisting of Feature, Comedy and Single Reels all for fifteen cents we feel sure the movie patrons will be highly pleased at our efforts to meet their demands.
