#### Aacademy Football Banquet a Great Gastronomical Success.

When we assert that the annual football dance of the Bellefonte Academy, held in the Academy hall last Saturday evening, was a big gastronomical success, we mean it in every way. The eatables were all that could be desired by the upward of fifty guests and more than one hundred students who crowded the hall to capacity, while the rapid fire flow of oratorical compliments which con--E. C. Musser, of Bellefonte, and L. L. tinued almost without interruption Bailey, of Ridgway, left on the 3.08 p. m. until close to midnight was sufficient train, yesterday afternoon, for Pittsburgh, to create a feeling of envy in Bob to attend a meeting of the West Penn Hunter in his contemplations of that new gas plant.

Twitting aside, however, it was probably the must successful banquet ever held and must have impressed the student body with a spirit of absolute loyalty for the institution. The principal guest of honor was "Gibby" Welch, the All-American captain of the Pitt 1927 football team and a former Academy player, who was accompanied to Bellefonte by K. E. Dawent to Millersville, Tuesday evening, to vis, a football enthusiast of the Smoky City. Another All-American player among the guests was "Russ" Stein, while former coach Carl G. Snavely, of Lewisburg, was also a familiar figure at the banquet table. Headmaster James R. Hughes, in

his own inimitable style, presided as toastmaster and presented the athletic letters and diplomas. Acadamy students who responded to toasts included Walter Kozicki, who told what was the matter with the 1927 football team. Neal Magee, who pictured in glowing colors the prospective trip to the Pacific coast next winter; Willard Bland, Alexander Ducannis, Orvis Harvey, Jack Chisolm, Randolph Hubell and Richard Adams.

Others who added their "bit" were Russ Stein, Thomas Riggy, K. E. Davis, Carl Snavely, Gibby Welch, Rev. Homer C. Knox, W. Harrison Walker, Bent Weaver, Joseph Frabutt, Ivan Walker and Robert F. Hunter. The music for the evening was furnished by the Academy orchestra.

-Up to this time there has been no need of the twenty-five or more miles of snow fence erected by the State highway department in Centre county, last fall, but if all the rain we have had this winter had been snow, there might not have been enough one of similar rains we have had all winter, while the snow fall so far has Henning, who have been at Miss Jennie not exceeded four inches, and that didn't lie long.

> -Tuesday's hard rain resulted in the highest water in this section for several years. The State highway between Bellefonte and Axe Mann of places to a depth of six to eight age was done, however.

> -Announcement has been made of the birth of twins, June Beverly and Oscar Neal, to Mr. and Mrs. Oscar and Mary Hoy.

> -Measles are prevalent in Bellefonte. There are quite a few of the public school children at home under observation.
