A COMPLETE REPORT

Many Civil Cases Continued for Various Reasons.

The regular February term of court convened at ten o'clock on Monday morning with Judge M. Ward Fleming on the bench. The list of traverse jurors was called and those excused from service noted. The civil list for both this week and next was then gone over and disposition

of cases noted. On the list for this week were four cases in which George Searson was the plaintiff and the Boalsburg Es- present. tate and A. A. Klinefelter, J. I. Ross, James Elliott and Clyde Stamm, defendants, all of which were settled.

On the list of continuances of cases scheduled for next week were six against the Pennsylvania Railroad company in which the plaintiffs are Elrea E. Ellenberger, J. Raymond Guyer, George B. At this stage in the proceedings the two cases against G. A. Caddan were recalled. The gist of these cases was the alleged attempt of the defendant to get away with a Jewett roadster which had not been entirely paid for. In his own defense the defendant testified that his going from State College to Scranton was not an act in an attempt to defraud. That he had gone there on a visit, was taken ill and housed up for a period of six weeks. That later he had transferred the car to his brother-in-law who paid off the claim of the Finance company holding the lease on the car. The jury returned a verdict of not guilty in both cases.

The League has endorsed the amendment to be voted on next November that would legalize but not make mandatory the use of voting machines in Pennsylvania. Other speakers were Roy Wilplain the duties of the office he has recently been given, and Judge M. Ward Fleming, who undoubtedly spoke the whole truth and nothing but the truth when he said that he would have given anything under the blue canopy of Heaven for voting machines, with their rapid recording of results, during some well remembered anxious moments he had last fall.

Really it was a delightful gathering, interesting in every phase, carefully arranged and most successfully carried out. Mrs. Adolph Fauble was chairman of the committee in charge.
