Without a doubt this is the largest Indoor Circus—traveling in two special cars and carrying everything to make a circus complete—scenery, electrical effects, Band and Orchestra—and even the peanut and balloon vendors make their appearance during the performance. Changes Made in Evangelical Church Pastorates.

The annual conference of the Evangelical church closed at Berwick, on Monday. Included in the business transacted was a conference authorization for the sale of three unused churches—those at Sugar Valley, Millmont and Centre Hall.

Included in the conference pastorate changes was the transfer of Rev. Reed O. Steely from Bellefonte to Milton. He will go to a congregation of nearly six hundred members. At the present time they are in the midst of a large building program involving an expenditure of about \$150,000, which he will have to carry through to completion.

Succeeding Rev. Steely at the Bellefonte church will be Rev. S. S. Mumey, who was transferred here from Northumberland. He will come here with the ripe experience of thirty-five years' service in the ministry. For a number of years he was a member of the Oregon conference, where he also filled the position of presiding elder. Some years ago he went to the Evangelical home, at Lewisburg, as superintendent of the orphanage, where he remained until four years ago when he was assigned to the Northumberland church. The Bellefonte congregation has been signally honored in being assigned a man of this type.

The former Nittany charge was split up and a portion of it was assigned to the Howard charge with the balance placed under the Lock Haven circuit. The Centre Hall and Spring Mills charges were also merged and will be served by Rev. W. E. Smith.

Rev. T. R. Hussler was moved from Howard to Lock Haven, while Rev. W. E. Yingling was transferred from the Lock Haven circuit to Howard.

Rev. W. E. Grove was moved from Clintondale to Williamsport and Rev. C. E. Hewitt continued at State College.

Branch of Child Conservation League Organized.

A local branch of the Child Conservation League of America was organized, Monday afternoon, February 27th, in the W. C. T. U. room, with a membership of 41 mothers, and one honorary member, Miss Cross, the local community nurse. Mrs. Alma F. Caskey, national organizer, presided.

A three year study course is provided whereby the modern mothers can prepare themselves to better cope with the daily problems which confront them. It is a recognized fact today that motherhood is the greatest profession in the world, and mothers should be better trained in order to impart to the children those things which will make them better citizens of tomorrow. This league attempts to do this, through its study course and the exchange of experiences.

The following officers were elected to serve one year: President, Mrs. Robert Thoma; vice president, Mrs. Russel Stein; secretary, Mrs. Earle Hoffer; treasurer, Mrs. James Craig; press reporter, Mrs. Leif Olsen; director for bureau exchange, Mrs. Millard Hartwick.

Meetings will be held the second Monday evening of each month at eight o'clock, the first regular one to be held at the home of the president on Spring street, Monday, March 12th. All members are urged to be present.

Birthday Party at Snow Shoe.

Mr. and Mrs. W. D. Swartz, of Snow Shoe, gave a delightful birthday party, last Saturday afternoon, for their daughter, Kemper Lee Swartz, in honor of her seventh anniversary. Included in the guests present were Jean O'Brien, Gladys Cramer, Maxine Zindell, Margaret Jane Heshley, Leona Russell, Dorothy Smith, Dorothy Hazzard, Dorothy Barton, Ethel Mooney, Edna Thompson, Peggy Weaver, and Ivy Hall. Geraldine Dixon, Mildred Barr and Maxine Swartz acted as entertainers for the smaller girls. Kemper Lee received many beautiful gifts. Games were played and at four o'clock delicious refreshments were served.

—A special educational campaign for the purpose of combatting that dread disease, tuberculosis, is to be waged in Bellefonte during the current month by members of the home town public health association. The first step they urge in this direction is to consult your doctor if you have the faintest symptoms of the disease. If taken in time tuberculosis is not an incurable disease, by any means.

—The people of Milesburg and vicinity were accorded an evening of rare pleasure recently when Mrs. Bess Stroupe McClure, of Indiana, Pa., gave an entertainment in the Presbyterian church at that place. Mrs. McClure, who was formerly a resident of Milesburg, is a talented reader and vocalist and has a charming personality.

—Robert W. Hoy, son of Mr. and Mrs. Sinie H. Hoy, of Thomas street, this place, who has been with the National Supply Co., in Pittsburgh, for five years, has just had a nice promotion. He has been transferred to the New York office of the company, which is an advancement won by intelligent and continuous service.

—It is said that Herbert Hoover has become "weak in the knees" since the third term enterprise has been revived.
