Aryshires at Penn State Win French Prizes.

Records made by Aryshire cows in the Pennsylvania State College herd at State College have won two French prize cups, professor A. A. Borland, head of the department of dairy husbandry, declared today.

The French prize cups are beautiful silver trophies, one being awarded to the cow having the highest butterfat production in each of the seven age classes of the Aryshire breed. Four other French cups already repose in the trophy case in the college dairy barn.

"Penstate Bell" as a junior 2-year-old, produced 12,775 pounds of milk and 501.4 pounds of butterfat in 305 days. She was sired by "Penhurst Dairy Champion" and her dam was "Sir Robert's Pomona Bell."

"Penhurst Molly" as a senior 4-year-old produced 13,912 pounds of milk and 551.4 pounds of butterfat. Her sire was "Penhurst Keystone" and her dam "Penhurst Molly Mischief."

Two Holsteins in the college herd also have completed outstanding records recently. "Penstate Homestead Johanna," daughter of a national prize bull, "Sir Forbes Pontiac Segis Homestead," produced 17,870 pounds of milk and 657.73 pounds of butterfat as a senior yearling. Another Holstein, "Kimwar Pauline Burke," has the unusual accomplishment of producing over 1000 pounds of butter.

As a junior 2-year-old she was credited with 21,673.1 pounds of milk and 825.4 pounds of butterfat, equivalent to 1032 pounds of butter.

State Business Tops Mark of One Hundred Million.

Ranked as a business enterprise, Pennsylvania moved into the \$100,000,000 class in turn over during the first eight months of the present biennium.

A report compiled for Governor Fisher by Arthur Townsend, budget secretary, showed that the total revenue from the general and special funds of the Commonwealth during the first eight months of the biennium was \$113,828,784.84. During the same period expenditures were \$98,141,209.41. The balance in both classes of funds was in excess of \$66,000,000.

The report also showed that the value of the investment held by the various funds was \$65,357,119.26. More than \$9,000,000 of that amount was purchased during the eight month period.

The outstanding indebtedness of the Commonwealth for the two road bond issues was \$96,388,000.

Food Law Violations.

More than 1300 prosecutions were ordered by the bureau of foods and chemistry Pennsylvania Department of Agriculture in 1927 for the violation of laws dealing with the sale of foods, fertilizers, feeding stuffs and other products.

The number of prosecutions was 100 less than in 1926 while the 13,000 samples of various products collected and analyzed was 1200 more than in 1926 and 400 more than in

HOW TO SOLVE A CROSS-WORD PUZZLE

When the correct letters are placed in the white spaces this puzzle will spell words both vertically and horizontally. The first letter in each word is indicated by a number, which refers to the definition listed below the puzzle. Thus No. 1 under the column headed "horizontal" defines a word which will fill the white spaces up to the first black square to the right, and a number under "vertical" defines a word which will fill the white squares to the next black one below. No letters go in the black spaces. All words used are dictionary words, except proper names. Abbreviations, slang, initials, technical terms and obsolete forms are indicated in the definitions.
