

NEWS ABOUT TOWN AND COUNTY.

—LeRoy Confer, of Bellefonte, enlisted for service in the U. S. army through the Altoona recruiting office, and has been sent to the cavalry at Fort Meyer, Va.

—Judge Fleming, on Monday, sentenced John L. Corman, an escaped penitentiary prisoner, to serve an extra sentence of three to six years in the western penitentiary.

—Word was received in Bellefonte, last week, of the death at Coatesville, on March 27th, of Harry Wilson, who years ago lived in Bellefonte. He married Miss Martha Harnish, a sister of John T. Harnish, of Wingate, who survives with two daughters.

—Wilson I. Fleming is making arrangements to install an oil burner on his furnace. The oil tank is now on the ground and will be buried right in the front terrace, at his home on north Spring street, where it will be an easy matter to fill it with oil as required.

—Rev. A. G. Herr, of Franklin, Pa., having accepted a call to the pastorate of the Milesburg and Blanchard Baptist churches, will preach his first sermon at Blanchard on Sunday morning and at Milesburg Sunday evening. The public is invited to turn out and hear him.

—The Phillipsburg Hardware company, last week, filed a petition in the Centre county court declaring itself insolvent, and the court appointed George F. Holdren and Harry W. Todd receivers. The latter, however, declined to serve and Thomas Byron was appointed in his place.

—Judge M. Ward Fleming this week bought the Bent L. Weaver home, on east Linn street, formerly the home of Judge Henry C. Quigley. The Weaver family expect to leave Bellefonte about the middle of June when Judge Fleming and family will move here from Phillipsburg.

—From all indications there will be plenty of eggs for Easter, and they are not so high in price as to be beyond the reach of most any family. Now if the weather on Sunday will be warm enough for a full display of Easter finery the female of the species will have no kick coming.

—Miss Martha R. Wike, of St. Louis, Mo., arrived in Bellefonte, on Wednesday afternoon, to take up the work of a community nurse, a position which has been vacant since the resignation of Miss Anna Fairfax McCauley, almost two months ago. Miss Wike came here from Phillipsburg where she had been for two months doing special work.

—The invitation recital given by Miss Harvey and her brother Orvis, in the Presbyterian chapel here, on Wednesday afternoon, was quite an artistic triumph for the young musicians. The chapel was filled with an audience highly appreciative of the difficult program rendered with a technique that might be envied by many older performers. Miss Harvey is a pupil of Jan Siches in New York, while Orvis studies with Dorothy Schad, of this place.

—Last week the Watchman stated that James C. Condo had sold his carriage making plant, at Penn Hall, and would come to Bellefonte and make his home with his daughter. Mr. Condo has sold his plant, all right, but he balks at being laid on the shelf while enjoying good health, so has arranged to take over the management of the Centre Hall hotel for Miss Laura Runkle, effective May 1st. While the hotel business will be something entirely different from what he has been used to for many years Mr. Condo has the ability and personality which presages success in his new venture.

—The Bellefonte Community Orchestra, under the direction of Mrs. Louis Schad, will give its annual concert in the court house, Wednesday evening, April 11th, at 8:30 o'clock. The orchestra, composed of thirty-three members, was organized to promote the cause of good music among students and lovers of music, affording an opportunity under critical direction and on an educational basis for the study, practice and public playing of the works of the classical masters. No financial obligation has been assumed by any one joining the orchestra, and the proceeds of the concert will be used to pay for the music, rental of a room for rehearsals and to defray the expenses of the concert.

—Rev. W. C. Thompson and young son, James are expected to return to Bellefonte today, and the pastor will preach in the Presbyterian church both morning and evening on Sunday. Rev. Thompson, with Mrs. Thompson, their two sons, James and David, left Bellefonte on February 14th for Albuquerque, New Mexico, for the benefit of David's health, who had been ill for several months. During their stay in Albuquerque David improved rapidly and finally they all went to California to visit Mrs. Thompson's brother. The change in climate also brought a change in David and he became worse with the result that they could not bring him home. Rev. W. C. Thompson, however, felt that he had to return to his work here so is coming home with his son, James. Mrs. Thompson is still in California but as soon as David's condition will permit will return to Albuquerque where she will stay until it is considered safe to bring him to Bellefonte.

THREE DEAD AS RESULT OF CROSSING ACCIDENT.

Charles Fahr and Little Son Killed When Train Hit Car at Unionville. Another Son Died in Hospital.

The most tragic and deplorable accident that has ever happened in Centre county took place at Unionville, on Wednesday morning, when an automobile owned and driven by Charles Fahr, of Huston township, and in which were himself, wife and five children, was hit on the crossing right at the Unionville station. Mr. Fahr and baby son being killed outright, while another son died in the Centre County hospital on Wednesday night. Mrs. Fahr's condition is also quite serious as she has a crushed pelvic bone, numerous cuts and bruises and possibly internal injuries. At this writing it has not been possible to determine the full extent of her injuries.

The Fahr family live on a farm on the Beaver Mills road, about two miles north of Julian. On Wednesday morning Mr. Fahr, with his wife and five youngest children, Merrill, aged 7 years; Howard, 5; LeRoy, 4; John, 2 1/2 and the baby boy, Charles, 18 months, left home in the family car and came to Bellefonte to consult a physician, as both Mrs. Fahr and two children were not well. They traveled in a Ford touring car with all the curtains up. Returning they left here about ten o'clock and when they got to Unionville they stopped at the home of William Emehizer, a relative, who lives right across the railroad from the Unionville station. While at the Emehizer home Mr. Fahr put water in the radiator of his car then got in and started to continue his journey home.

Now it just happened that owing to a big freight wreck at Vandyk, on the Middle division, on Tuesday night, all trains were routed over the Bald Eagle road, and when Mr. Fahr started his car at 10:57 o'clock he drove right onto the railroad in front of express No. 89, which was running at a forty mile rate going west.

The car was completely demolished. Mr. Fahr was thrown fully fifty feet and sustained a crushed skull, dying instantly. The baby, Charles Jr., was dead when picked up. John, the next youngest, had both legs practically cut off. Two of the children were found in the wreckage of the car which was strewn along the track for a distance of 150 feet. The train was brought to a stop as quickly as possible and trainmen and others picked up the dead and injured.

Mrs. Fahr and four sons were brought to the Centre County hospital, where John died on Wednesday night. The condition of the other three boys, Merrill, Harold and LeRoy, is not considered serious.

Mr. Fahr was a son of Mr. and Mrs. Aaron Fahr and was born in Union township in May, 1890, hence was not quite 38 years old. He married Miss Ohpelia Rowan, a daughter of Mr. and Mrs. Alfred Rowan, fifteen years ago, and they had nine children, Beatrice, aged 13; Ethel, 11; Elva, 10, and Annabelle, 8, as well as the five mentioned above. Mr. Fahr is also survived by his parents, living in Altoona and the following brothers and sisters: Miss Miriam, in Butler; Mrs. J. B. Hanscom, of Huston township; B. F. Fahr, of Altoona; Mrs. Jeff Martin, of Jersey Shore; Roland Fahr, of Curtin, and A. J., of Altoona.

Mr. Fahr was a member of the United Brethren church, at Julian, and was known as a most devoted husband and father. Funeral services for the father and two sons will be held in the church of which he was a member at two o'clock on Sunday afternoon, by Rev. LeRoy Kulp, burial to be made in the cemetery at that place.

Mrs. D. I. Willard Injured in Auto Accident.

On Saturday evening Robert Willard started to take his mother to her home on north Thomas street in his car. He drove out Allegheny street and down Lamb to avoid the heavy traffic on High street. Just as he reached the railroad he saw the night train bearing down upon them as it was backing out from the Bellefonte station. He shut off the motor and jammed on the brakes but the momentum of the car carried the front portion of it onto the railroad track.

There was no time to start the motor nor to jump and the machine was hit fair on the side and shoved along the track a distance of fifty feet before the train could be stopped. Mrs. Willard sustained slight cuts on both sides of her head, a contused knee and suffered from shock, while Robert escaped without any injuries. As it happened the car was far enough on the track that when it was hit by the train and pushed along it just missed the watch box. The car, also, was not overturned which saved the occupants from worse injuries, if not death. The car, however, was pretty badly wrecked.

Boy Run Down and Killed by Automobile.

On his way home from school in Milesburg, on Monday afternoon, Raymond Resides, seven-year-old son of Mr. and Mrs. Ellis Resides, who live at Tangletown, near Milesburg, was run down by an automobile in front of the George Pifer meat market, in Milesburg, and injured so badly that he died while being brought to the Centre County hospital. The car bore an Ohio license and

it is said the boy became confused in crossing the street and ran in front of the car. He was picked up and placed in an automobile to be brought to the hospital but died on the way. His parents and one sister, Adaline, survive. Funeral services were held yesterday afternoon, burial being made in the Advent cemetery.

Public Opening of Rebuilt Y. M. C. A. Swimming Pool April 11th.

There will be a big time at the Bellefonte Y. M. C. A. on Wednesday evening, April 11th, when the rebuilt swimming pool will be officially opened, and the public in general is invited to attend. It will also mark the first appearance of Wetzler's new Boys' band of seventy-eight pieces.

The swimming pool which, when it was originally built, was one of the big attractions at the Y, eventually sprung a leak and had to be abandoned. Last fall, when the big drive was put on for support of the Association, the Kiwanis and other public-spirited citizens decided to raise a sufficient fund to rebuild the pool. The money was raised but in order to keep down the expense members of the Kiwanis, Bellefonte Academy and High school students volunteered their services and helped to remove the old tile with which the pool was lined.

The pool was then finished with concrete and as it now stands it is 70x20 feet in size, four feet deep at one end and tapering down to eight at the deepest end. It is now water tight and has been tested out long enough to justify the belief that it will remain so.

In order that the public may know what an ideal place the Young Men's Christian Association now is, with the swimming pool as an added attraction, secretary L. C. Heineman has arranged a program which will appeal to old and young alike.

From 7.30 to 8.15 there will be a concert by the Wetzler's Boys' band. At 8.15 there will be an exhibition of gymnasium class work by grade school girls, younger boys, young ladies and young men.

This will be followed by an exhibition of swimming by some of the grade school girls, younger boys, young ladies and young men, after which the pool will be thrown open to any and all swimmers, regardless as to whether they belong to the Y or not.

Last Drive for Near East Relief, April 15th to 29th.

During the last twelve years America, through the Near East relief, has thrust a helping hand into every disaster in the Near East. The first seven years saved the Armenian race from extermination, aided 1,400,000 other refugees and gave life to 132,552 orphans. The last five years have seen the perfecting of a program of training these children for life. 100,421 of them are now established in self-support or have been placed in homes. The 32,151 remaining are far too young to shift for themselves.

A very careful survey shows that the sum of \$6,000,000 is needed to finish the remaining tasks of Near East relief. This will safeguard the investments already made and bring a truly great service to a completion worthy of America. The overseas work must go on until the children are old enough to take care of themselves, but financial campaigning in America will stop as soon as the \$6,000,000 fund is raised. The prompt underwriting of this will save expense.

Pennsylvania has decided to close out by counties. The quota for Centre county is \$8,861. As soon as we can raise that amount in cash and pledges to be redeemed by June 30, 1929, appeals for Near East relief in Centre county will stop. A campaign will be put on in this county from April 15th to April 29th, and in that time it is the hope of the Centre county committee for Near East relief that every one will give his full share to complete what is said to be the finest and largest piece of reconstruction work ever carried on in the world.

The committee in charge of the drive will be Miss Mary Linn, chairman; Mrs. Robert Mills Beach, secretary, and Charles M. McCurdy, treasurer.

—Officers of the Federal Match company held another meeting in Bellefonte, last Saturday, preliminary to resuming operations at the Bellefonte plant after a two weeks' shutdown of one department.

RAILROAD HEARING ATTRACTS MANY PEOPLE.

Applications of Bellefonte Central Being Heard Before the State Public Service Commission.

Business men from State College and Ferguson townships have been in Bellefonte in large numbers since yesterday morning, anxious and willing to give testimony in favor of the Bellefonte Central Railroad company in the hearing now being held before the Public Service Commission, on the company's application for permission to build a new line of railroad from Struble station to Fairbrook, and also for permission to take over and operate that portion of the Fairbrook branch of the Pennsylvania company abandoned by the latter.

Testimony is being taken before Commissioner Charles Young, with Garfield J. Phillips, chief examiner of the Commission, as assistant, and Eugene Moyer, stenographic reporter. The Bellefonte Central Railroad company is represented by quite an array of counsel, including Messrs. T. D. Geoghegan, J. F. Finnerty, J. H. Libby and T. M. Woodward, all of Washington, D. C., and James C. Furst, of Bellefonte. Attorney Finnerty is the chief examining counsel while Mr. Geoghegan, who is traffic manager and a director of the Railroad company, is the chief expert witness. The interests of the Pennsylvania Railroad company are closely watched by Albert B. Ward Esq., of Philadelphia.

An idea of the thoroughness with which the case will be gone into can be had from the fact that the taking of testimony began on Wednesday morning and is still under way, although the attorneys hope to get through by this evening.

While the testimony being taken is before a Public Service Commissioner two copies will be made, one for the Public Service Commission and one for the Interstate Commerce Commission, as both Commissions must rule on the applications pending. As the testimony will be quite voluminous it will probably be several weeks before a decision may be expected.

It might be of interest to note that announcement was made, on Wednesday, that the stockholders of the Bellefonte Central have approved the creation of a \$200,000 first mortgage and issuance of that amount of 5 1/2 per cent 20-year bonds. The issue will provide for the purchase of the Fairbrook branch and for construction of the proposed connection in the western part of Centre county and the extension to Mill Hall to connect with the New York Central.

—If you want a becoming hat you must be coming to Eliz. T. Cooney, Hat Shop. Easter models, \$3.00, \$5.00, special. 14-11.

Flowers for Easter and Plants for the Garden.

Everybody wants flowers for Easter, and naturally they want them as fresh as possible, so that they will show in all their pristine beauty. And the one place in Bellefonte where you can be sure of getting them fresh is at the Halfmoon Gardens.

The selection there is just as large and diversified as it can be found anywhere, including Easter lilies, tulips, hyacinths, primroses, begonias, roses, hydrangeas, geraniads, etc. Every kind of flower that can be found in any green house can be had at Halfmoon Gardens, and at reasonable prices. Before making your selection for Easter visit the gardens and see for yourself. If you haven't time to go there telephone your order.

For outdoor planting the gardens can supply your every want. There is a stock of 5000 tulips on hand as well as other spring flowers and bulbs. Garden plants of all kinds are also a specialty.

Farmers' National Bank to Increase Capital Stock.

A largely attended meeting of the stockholders of the Farmers' National Bank of Bellefonte was held in the directors' room, last Friday afternoon, at which it was unanimously voted to authorize an increase of the capital stock from \$50,000 to \$75,000. The price fixed for the new issue of stock is \$130 a share. Under the law present stockholders must be given the first opportunity to buy the new issue of stock, but in the event they do not take it all, purchase of the stock will then be open to the public.

While the bank has made splendid progress since its opening six months ago, and its business is increasing daily, it has become evident that it can better meet the demands of the community by an increase in capital. This is only in line with what had originally been planned when the bank was opened last fall.

—Hip fishing boots, worth \$6.50, but only \$4.85, at Yeager's. 14-11

—The West Penn Power company entertained all its officials and employees at dinner at the Brockerhoff house, on Monday evening. Division superintendent Kemp G. Fuller, I. L. Bailey and H. J. Stroud, of Ridgway, as well as a number of other guests from a distance were present. The dinner was for the purpose of mapping out the campaign for the summer's work.
