### Two Old Deeds Recorded.

Two old deeds were entered of record in the court house, last week, and the most curiosity in connection therewith is where the documents have been all these years and how they came to be uncovered at this late day. The one deed was dated March 7, 1795, and in which Samuel Miles conveyed to Joseph Green a lot of ground in Bald Eagle township, Mifflin county, for a consideration of 10 pounds sterling. That was before Centre county was erected out of parts of Huntingdon, Mifflin and Lycoming. Samuel Miles was the man who founded the village of Milesburg.

The other deed was dated April 13, 1857, and was a conveyance of the same lot of ground, then known as lot No. 64 in the borough of Milesburg, from Joseph Green to John Holt. The lot in question has of late been in possession of A. T. Boggs and the hunting up and filing for record of the old deeds was done to clear the claim of title.

**NOTICE.**—In the matter of the Petition of Thompson Boggs for rule on John W. Holt and Elizabeth Holt to bring an Action in Ejectment.

In the Court of Common Pleas of Centre County, No. 167, May Term, 1928. Petition for Rule for Ejectment. Centre County, ss: The petition of Thompson Boggs, of Milesburg, respectfully represents that John W. Holt and wife, Elizabeth, conveyed or attempted to convey to Petitioner or all that certain message, tenement and tract of land situate and being in the Borough of Milesburg, Centre County, Pa., known as lot No. 64 in the plot of said Borough, bounded and described as follows:

**BEGINNING** at a post at or near the Southeastern corner of the Diamond; thence in a Southeastern course by lot of Mrs. Wiedman 150 feet to the center of an alley; thence by the middle of said alley to corner of Lot No. 68; thence along said lot to Market street 150 feet; thence by said Market street 50 feet to the place of beginning. Containing 7500 square feet. Being the same premises which were conveyed and sold to John W. Holt, April 13th, 1857, by Joseph Green and wife, (not recorded). Wherefore your petitioner prays that a rule may issue directed to John W. Holt and wife, whereupon the Court orders and decrees as follows:

"And now, to-wit, April 26th, 1928, the foregoing petition having been presented in open Court, and after investigation of the same having been taken thereon and due proof of the allegations set forth in said petition having been made to the satisfaction of the Court, a rule is granted upon the said John W. Holt and Elizabeth Holt, his wife, their heirs or assigns, and upon all persons interested in said real estate named in said petition, it appearing that such persons have an apparent interest in or title to said real estate described in said petition but not having been in such possession thereof for a period of twenty-one years next preceding the date of said application to bring his, her or their action in ejectment within six months from the date of service of said rule upon him, her or them or show cause why the same can not be brought. It is further ordered and decreed that service of such rule be made upon such parties, claiming or having apparent interest in or title to said real estate by the Sheriff of Centre County, by publication in the Keystone Gazette and the Democratic Watchman, two newspapers of Centre County, once a week for six weeks in accordance with the Act of Assembly in such case made and provided. ### Unionville Over the Top for Near East Relief.

The first district in Centre county to go over the top in its quota for Near East relief was Unionville. It had a quota of \$100 and the committee in charge there reported a total of \$118.

Unless Centre county reaches its quota of \$8861, the training of the children of the Near East for self support cannot go on to its finish. The budget for sufficient funds to meet this great task has been very carefully prepared and if any unit in the United States fails to meet its quota some child must suffer. Centre county has always gone over the top but it has not yet met this quota. Pledges can be paid on or before June 30th, 1929. That we may fulfill this obligation and have an honorable discharge from service, it is the earnest desire of the Centre county committee. Let all fall in line and do their share by sending in pledges as well as cash payments to the treasurer, Chas. M. McCurdy, First National Bank, Bellefonte.

### Academy Minstrels Progressing.

Among those who will take part in the 1928 Academy minstrels, which will appear in the State theatre on the evening of May 24th, are George Shuster, Alf Kennedy, Richard Whetstone and Kenneth Holderman, song and dance artists, of State College. Bill Neff, celebrated as an expert amateur magician, also of State College, and Huberta May Dunkel, the little dance artist of Juniata, but formerly of Pittsburgh. Some very clever talent has been developed among the Academy students so that a performance of more than the average merit is assured.

The beauty contest which is being waged as one of the attractions of the minstrels is beginning to take hold among the fair young ladies of Centre county, and promises to develop into an exciting and interesting part of the production. Quite a number of names have already been listed but it is not yet too late for others to enter. Anyone desiring to do so should communicate with Miss Helen E. C. Overton, at the Academy.

### Toner A. Hugg to Visit France With Battlefield Commission.

When the U. S. S. George Washington sails from New York on May 19th, carrying the Pennsylvania battlefield commission and its guard of honor to France for the official dedication of Pennsylvania memorials, it will also have on board Toner A. Hugg, of Milesburg, who will go along as a guest of a member of the commission.

Mr. Hugg will attend all the dedicatory exercises and in addition will make a tour of the important battlefields of the World war. He will visit Belgium and make a trip through Germany to Berlin. From the latter city he will fly to Brussels, then make a trip down the Moselle to Luxembourg. From there he will journey to France and fly from there across the English channel to London. After a day or two in that big metropolis he will go to Southampton and sail for home on the Leviathan on June 22nd.

### High Relay Team Suffers Loss in Philadelphia.

The team which journeyed to Philadelphia Friday to enter the Penn Relays was accompanied by Coach Stock and was composed of Charles Martin, Henry Malone, Paul Crust, and Leonard Witmer. The four lucky ones won out after a stiff fight but only a slight margin separated them from Harry Stiver who is first substitute. The boys were unlucky in having a rainy day and finished in eighth place in their trial heat.

One of the loneliest men in the world is a young Briton who has charge of a coconut plantation in the Solomon Islands. It takes almost a year for him to get letters from home.

### Lock Haven Man Killed Resisting Arrest.

Guernsey Paul, of Lock Haven, was shot and killed on Wednesday afternoon, after he had shot and badly wounded policeman Martin Peters, who sought to effect his arrest on a warrant sworn out by the man's wife. Mrs. Paul had sworn out the warrant on the allegation that her husband had a gun and threatened to kill her.

Constable John Pettingill attempted to serve the warrant but quailed when Paul threatened to shoot him. He then induced officer Peters to assist him in making the arrest. The two men went to the Paul home, Peters going to the rear door. Paul was upstairs and when Peters ordered him to come down he appeared at the head of the stairs and opened fire. The officer returned the fire. Paul was shot through the heart and died instantly. Peters was shot in the abdomen and though badly hurt will probably recover.
