ONLY DEER WITHOUT HORNS CAN BE KILLED THIS YEAR.

Game Commission Rules That No Bucks Shall be Shot. Other

Drastic Changes.

The State Game Commission, last old homestead with her brother un-Friday, announced that only doe deer til 1922 when they quit the farm and may be legally killed during the hunt- moved into a comfortable home in ing season of 1928, the bucks to be Pine Grove Mills. Her survivors inspared for propagation purposes. The clude one sister and three brothers, announcement states:

male deer with visible antlers during 1928.

"There shall be a State-wide open season on antlerless deer of 50 pounds or more, from December 1 to December 15. The killing of deer with visible antlers shall be punishable by a fine of \$100 for each animal."

This is the first time in the history of the State that bucks have been ial was made in the new cemeter. protected and a general open season declared on the female of the species, and while the Commission has no doubt acted in good faith because of the large number of does in the mountains and the alleged destruction of farm crops, hunters are not overly tack of angina pectoris. While she thrilled at the prospect of confining themselves to does. They allege that it will rob the sport of all its zest and thrills. Because of the large number of does most hunting parties will at the hour above named. be able to kill the limit in one day. It will be almost like going into a Thomas and Esther Ann Perdue and herd of cows and shooting down any was born on the Perdue farm on the of the old cows. It will rob the mountain, in Benner township, on hunting of the matching of wits with the agile buck, and there will be no prideful racks of antlers to bring home as a memento of the hunt.

However, the change from buck to doe is to be for the year only, and the killing of doe may enable some hunters who have never been able to land a buck to get a mess of venison for his family.

In addition to the pronunciamento on deer the Commission announced some drastic rulings on the killing of all kinds of game, limiting the hunting to three days a week for certain periods. The new regulations in full are as follows: Bear-Open season from November 1 to December 15; hunting restricted to Thursday, Friday and Saturday of November 16 to December 15. Ruffed grouse, pheasants, bob white quail, woodcock, male ringneck pheasants, grey, black and fox squirrels nesday afternoon at the home of her November 30, with hunting restricted to Thursday, Friday and Saturday of each week. Last year's seasons were November 1 to 15, excepting squirrells, whose season was November 1 to 30 Cottontail rabbits and hares-Open day and Saturday of each week between October 15 and December 1; six-day hunting permitted in weeks. between December 1 and 15. Last daughter during the past eleven before receiving his diploma. The avber 15 to November 30, six days each week, with the season's bag limit 15 animals. Trapping restricted to No- are her daughter, Mrs. Hoag, and one members and the heads of business vember only. Last year's season was November 1 to 15, with no bag limit.
