Secretary Dorworth Addresses Interested Gathering of Kiwanians.

President Harrison Walker presided at the weekly Kiwanis luncheon, on Tuesday, at the hotel Brockerhoff, in his usual happy manner and kept the interesting program moving. The guests announced were Harold Shattuck, of State College; Harry Eby, Pleasant Gap; John Sommerville and Herbert Beezer, of Bellefonte. President Walker announced that the war veterans and their wives would be entertained by the Kiwanis club on May 29th. Rev. Thena gave an interesting account of the doings at the recent divisional conference held at Altoona. Three hundred and thirteen enthusiastic Kiwanians attended the banquet in the evening. Arthur Sloop announced that next week would be observed as "Inter Club Week." The local club will hold a joint meeting with the Tyrone club, at Tyrone, next Wednesday noon. "All Kiwanis night" will be observed by the State College and Bellefonte clubs, at the Centre Hills country club. John Sommerville was asked by president Walker to tell of the second annual hospital drive of which he is the chairman. He was much pleased with the kindness and success observed on every hand. He stressed the need of a new ambulance and said that \$1100.00 had been pledged in personal subscriptions for that purpose. That is about half of the amount needed. Hon. Harry B. Scott has generously sent his check for \$100.00. James R. Hughes read the report of Kiwanian Stutsman bearing upon the adoption of Georgian Casparian, the Armenian boy, as the "Kiwanis Kid." The report was well received.

After the rendition of several selections of music by the club, President Walker introduced as the speaker of the hour, Hon. Charles E. Dorworth, Secretary of Forests and Waters and a member of Gov. Fisher's cabinet. The keynote of his address was loyalty to his home town and home county. He spoke with a great deal of feeling and stressed the honor and pride that were his to be called upon to represent his community in such an important phase of State work. The leading points of his most pleasing address were: "This is one of eighteen major units of the State administration. The personnel in the department totals 300 employees. At the close of the present biennium, on June 1st, 1929, the department will have handled \$400,000. The maintenance item for forests is about \$790,000 per year, and that for waters about \$82,000. Land purchases, the acquisition of the Cook forest and the Pymatuning conservation project are included in the \$400,000 noted. Mr. Dorworth referred to the land purchasing program as the outstanding achievement of his department since he has been in charge. Our State-owned forests comprise 1,262,062 acres. Recent purchases included over 20,000 acres in Centre county. The menace of forest fires was emphasized and the equipment for fighting them described. We have 38 public camp grounds, 9 State forest monuments, 7 State forest parks, and 3 special scenic areas. Working hand in hand with the American Legion, Mr. Dorworth's department is undertaking to care for six ex-service men classed as arrested tubercular cases. The camp sites are already selected where these six men will be able to rebuild their health and strength.

At the conclusion of the Secretary's address, the luncheon was concluded in the wonted manner.

EMENHIZER.—Rev. George W. Emehizer, retired minister of the United Brethren church and a veteran of the Civil war, passed away at his home at Coleville last Thursday night. His death was not because of any particular ailment but followed as the natural result of a general collapse two weeks previous.

The aged minister was a son of Abram and Catherine Hoover Emehizer and was born at Stormstown on May 2nd, 1843, hence had lived to the venerable age of 85 years and 8 days. Not quite twenty years of age when the Civil war broke out he enlisted for service in Company A, 45th regiment, and served throughout the war. Returning home he took up the study for the ministry and upwards of fifty years ago was ordained a minister in the United Brethren church. During his forty-one years of active pastoral work he filled various assignments in Centre and adjoining counties. Five years ago, or at the age of eighty years, he was placed on the retired list and since that time had made his home in Coleville.

On April 12th, 1866, he married Miss Elizabeth Long, of Howard township, who survives with the following children: A. H. Emehizer, of Coleville; William, of Houserville; Charles and Cloyd, of Dayton, Ky.; Mrs. Annie Cuple, of Minerva, Ohio; Ray, of Peach Bottom, Va., and Mrs. Harry Thompson, at home. He also leaves one sister, Mrs. Amelia Packer, of Boggs township, thirty-eight grand-children and twenty-eight great grandchildren.

Funeral services were held in the United Brethren church at ten o'clock on Monday morning. District superintendent J. S. Fulton, of Johnstown, was in charge and preached the funeral sermon. Ten brother ministers were present. Members of the American Legion acted as a guard of honor and pall-bearers. Burial was made at Houserville.

JUSTICE.—Betty Marie Justice passed away at 9.40 o'clock, last Friday evening, at the home of her parents in Coleville, as the result of convulsions following a severe attack of influenza.

A daughter of Elmer and Laura Justice she was born at Coleville on June 19th, 1919, hence was not quite eight years old. In addition to the parents the following brothers and sisters survive: Mrs. Donald Miller, of Bellefonte; Lee, Laura, Paul, Helen, Sarah, Jean, Dorothy and Billy, all at home.

Funeral services were held at the home, at 2.30 o'clock on Monday afternoon, by Rev. William Snyder, of the United Brethren church, burial being made in the Meyers cemetery.

BALLOU.—Announcement of the death of Franklin Ballou, mining engineer and director of the Hannington National bank, of Denver, was published recently in the eastern dailies, he having committed suicide at the Forest Hills Inn, Kew Gardens, just out of New York. Mr. Ballou who was a Yale graduate and had a fine record in the Spanish American war, had made his home in the west for many years, although he had been living at the Forest Hills Inn for over a year, unknown to his brother and sister. Mr. Ballou has relatives in Bellefonte and in this section of the State, being a grandson of Judge Abram S. Wilson, of Lewistown, and the family some years ago spent much time in Bellefonte.

LEE.—George Francis Pratt Lee, a native of Centre county, died at his home in Irvona, Clearfield county, on Tuesday morning, as the result of a heart attack.

He was born at Hublersburg, this county, on December 5th, 1843, hence was in his eighty-fifth year. During the Civil war he served as a member of a cavalry regiment, and because of this fact he was more familiarly known as Capt. Frank Lee. He married Miss Uretta Bodle, of Buffalo Run valley and prior to moving to Clearfield county they lived at Unionville. Mrs. Lee died seven years ago but surviving him are two sons and two daughters. Burial will be made in the Oak Ridge cemetery, near Unionville, today.

FOULKROD.—Mrs. Mary Foulkrod, wife of Jack Foulkrod, was found dead in the kitchen of her home, in Williamsport, about four o'clock on Wednesday morning. Death was probably the result of a heart attack.

She was a daughter of Mr. and Mrs. Robert Thompson and was born at Snow Shoe forty-seven years ago. A portion of her girlhood life was spent in Bellefonte. In addition to her husband she is survived by two sons, Robert and Jack, both at home. She also leaves five brothers, Claude, Joseph and Homer Thompson, of Bellefonte; and John and Harry, of Brownsville. Funeral arrangements are not known at this writing.

MOORE.—Mrs. Nancy Jane Moore, widow of John W. Moore, at one time the leading photographer in Bellefonte, died at the Danville State hospital, last Friday, as the result of chronic myocarditis. She was 82 years of age and for a number of years had made her home in Millifield. Her husband died over thirty years ago but surviving her are one son and a daughter, Charles Moore, of Memphis, Tenn., and Mrs. A. C. Otis, of Philadelphia. The latter accompanied the remains to Bellefonte, on Monday morning, for burial in the Union cemetery.

FLACK.—William Flack, an aged veteran of the Civil war, passed away at his home on Reynolds avenue, at four o'clock on Saturday morning, following an illness of only two hours as the result of an attack of acute indigestion. He had been in feeble health for some time, though able to be out and around, although for a month or more he had apparently been failing rapidly. On Friday evening, however, he ate a hearty supper and took a lunch before going to bed. He was taken sick about two o'clock Saturday morning and passed away at four o'clock.

He was a son of Thomas and Catherine Logan Flack and was born at Howard on April 18th, 1844, hence had reached the venerable age of 84 years and 24 days. The family moved to Bellefonte in 1862 and when the call came for volunteers for the Civil war Mr. Flack enlisted in Company A, of the famous 45th regiment and served throughout the war. He was a good soldier and had a splendid record.

Following the war he spent some years in the west but for the past forty-five years had been a resident of Bellefonte. He was a member of the Catholic church, had been a member of Gregg Post No. 95, during the days of its activity, and was one of the few remaining members of the Centre County Veteran club.

He never married but is survived by two brothers and a sister, George and Catherine Flack, at the home on Reynolds avenue, and Harry Flack, of Bellefonte. Funeral services were held in the Catholic church at 10 o'clock on Monday morning by Rev. Father Downes, burial being made in the Catholic cemetery.

LITTLE.—Miss Juniata Little died early last Thursday morning, at the home of her sister, Mrs. D. F. Kapp, at State College, after less than a week's illness with pleurisy. She went to the Kapp home, from Bedford, on May 4th, on a visit and was not feeling well when she arrived there. Pleurisy eventually developed and her death was the result. Brief funeral services were held at the Kapp home on Friday morning after which the remains were taken to Bedford where final services were held and burial made on Saturday.

SOLT.—Mr. and Mrs. William Solt, of Axe Mann, are mourning the death of their three-year-old daughter, Virginia, who passed away at the Centre County hospital last Thursday, following an illness of several months. Burial was made in the Unionville cemetery on Sunday afternoon.

Coburn Man Hurt in Auto Accident at Centre Hall.

Hastings Long, of Coburn, is in the Centre County hospital suffering with head injuries as the result of an auto accident in Centre Hall, on Monday afternoon. He had accompanied Charles Stover, of Millheim, to Centre Hall on a business trip. As Mr. Stover was in the act of making a left hand turn across the street his car collided with a sedan driven by William Houser, of Centre Hall, in which were six High school students of that place, who were just starting on a trip to Lewistown to witness a baseball game.

The impact of the two cars was sufficient to turn the sedan over three times, but aside from bruises and a good shaking up none of the students were seriously hurt. Mr. Long, however, was thrown through the windshield of the Stover car and sustained cuts and bruises, as well as head injuries. His condition, however, is not considered serious.

Over 100 Famous Artists with Gentry Bros. Show.

It's the red wagons that's the question of the hour in Bellefonte at least for the small boys of six, as well as for those of sixty. The billboards, barns and dead walls are announcing with all the fluency of pictorial art the coming of the Gentry Bros. shows. And already preparations are being made for the one big holiday event acknowledged to be better than Christmas and the Fourth of July put together—circus day. About the time the milkman is making his rounds on the morning of Tuesday, May 22, the long train of cars will be coming, slowly pulling into the railroad yards.

Much is promised by Gentry Bros. this season. The show has grown and prospered for almost half a century—to be exact 41 years. European agents have sacked the Old World in a quest of novelties. The question of salary was not considered for the particular novel and hazardous act. There are over 100 artists who take part in the big show program. New acts and shows will tend to eradicate the fallacy that all "shows" are alike. Among the features will be the Flying Jordans; the Maxwell Trio, gymnasts; the Florence family of riders; the DeLong Struts, acrobats; Arthur Borella, the highest salaried clown in the world; Tommy and Betty Waters, dancers on a lofty wire; and scores of other high-class features.

An immense street parade will be seen at noon on show day. There will be upwards of five bands of music and scores of allegorical tableaux. There will be performances at 2 and 8 p. m. The doors opening an hour earlier. Merchants and others are preparing for one of the largest crowds in town on show day in years.

Clearfield to Have Big Demonstration on Memorial Day.

One of the biggest patriotic demonstrations to be held in Central Pennsylvania, on Memorial day, will be that at Clearfield. It will be an all day affair and will probably draw a large crowd.

In the morning the citizens of the town will dedicate their memorial to soldiers of all wars. The memorial is a life size bronze figure on a marble pedestal representing the return of the victorious American soldier to resume his civil pursuits. It is the work of Signor Morelli, the famous Italian sculptor. The address will be delivered by Hon. Frederick A. Goddard, of Milton. Prior to the address there will be a street parade which will be made up of American Legion men, Troop A, 104th cavalry, civic organizations, etc.

In the afternoon there will be a mammoth military display and horse show. Troopers who have been invited and are expected to take part are those at Harrisburg, Chambersburg, Carlisle, Altoona, Bellefonte, Boalsburg, Punxsutawney, Lewistown and Tyrone. A full program of riding events will be given. Governor Fisher and General Shannon have been invited and pressure will be brought to have them attend.

Altoona Speedway Racing Plans Are Changed.

A radical change in the yearly plans of the celebrated Altoona speedway was announced recently following a special European trip of a speedway representative and conferences with A. A. A. officials. The speedway will hold one major international classic on Saturday, August 18, instead of the two national championships formerly held yearly.

The one big race is to take its place in the world of automobile racing as the big international speed event of the year on the same plane as Indianapolis stages its annual 500-mile Memorial day endurance contest.

"We have tried for the last two years to stage this one monster event annually instead of our usual Flag day and Labor day clashes, but were unable to go through with our plans until we got final confirmation of our proposals this week," today explained Frank P. Cramer, veteran owner of racing cars and president of the speedway association.

"Pending definite word from our European representatives, we were compelled to go ahead with plans for the usual Flag day event, set for June 16 of this year, and the Labor day race on September 3," the sportsman stated. "But now we have cancelled these preliminary arrangements, and our huge organization has been augmented, working day and night to prepare for the August 18 international classic, which will be the biggest and most thrilling speed event ever held in America."

While the speedway had already placed a small army of workmen on the massive timber bowl, getting it in shape for the racing season, the force was doubled yesterday because A. A. A. officials issued an ultimatum that every inch of the giant mile-and-a-quarter oval would have to be reinforced heavily to withstand the terrific concussion of the cars driven by the famous international pilots on August 18.

Although the rumors of the Altoona speedway's sensational plans were known only within the racing coterie, enthusiasm has reached such a pitch since the formal announcement that the corps of trained ticket attaches are already swamped with thousands of orders.

WORLD'S GREATEST SHOW COMING TO ALTOONA.

Ringling Bros. and Barnum & Bailey To Bring Monster Sea Elephant And Other Big Features.

Yep, youngsters, it's really true! Meaning that a rumor heard some time ago is now confirmed by the official announcement that the Ringling Bros. and Barnum & Bailey combined shows will positively exhibit at Altoona, Wednesday, May 30.

At that time the world's first and only five-ring circus will be within easy reach of local sawdust fans. With it will come Goliath, the monster sea elephant, the only one of his kind ever to be captured and exhibited alive and who will be the foremost feature of a menagerie composed of more than a thousand animals.

The big show is now a third larger than it was when it last visited this locality. Enormous new displays have been introduced such as ninety zebras, camels and horses performing at one time on a mammoth pedestal. On a similar series of circular raised platforms thirty-two of the show's forty-three elephants dance, run and perform in unison with the topmost of the ponderous actors twenty feet above the ground. Prior to this gigantic display five herds of elephants appear in the five separate rings. At another time the rings are given over to five companies of liberty horses. At still another juncture of the program two hundred of the show's 900 horses, each ridden by an expert, are seen in the brilliant maneuvers.

Of the sixteen hundred people carried on tour this season more than eight hundred are the world's foremost aerialists, bareback riders, ground and lofty gymnasts, high-wire artists and super athletes. These are now seen in extensive groups and troupes each display led by its particular champion, a new method of presentation that is in keeping with Ringling Bros. and Barnum & Bailey 1927 plan of extending acts in equal number over the entire length of the mammoth main tent. Little folks will be delighted to learn that the bringing of a score of European clowns to America has increased the funmakers to more than a hundred.

—According to surveys completed by the State geographical board the highest point in the State is on Negro mountain, in Somerset county, which is 3,220 feet above sea level. The high spots in Centre county are in the southwest corner on the Allegheny mountains, 2580 feet; southern corner in Harris township 2520 feet; Tussey mountain (Bald Knob) 2900 feet, and Nittany mountain 2240 feet.
