The Logan fire company is now making the rounds of the town collecting contributions for their annual picnic, which will be held at Hecla park on July 4th. Inasmuch as the fire laddies will have no eating concession on the grounds they will not be able to use the bread, cakes, pies, etc., which were so acceptable in former years. In fact a cash donation this year will be more acceptable than any other kind.

Nine cars and trucks were lined up at the curb market, last Saturday morning, and among the produce offered was a good supply of home grown strawberries, at 25 and 30 cents a box. One grower came in with six crates and had no trouble getting rid of them all. According to the growers the local crop this year is not very large and the season will be short. The receiver's sale of the Mayer mill property in this place, scheduled for last Thursday afternoon, was postponed. The highest bid was \$28,000 and as the receiver had served the right to reject an insufficient bid it was not accepted. An attorney for Mrs. Gamble bid \$27,600 which represented her mortgage and interest on the property. Someone else bid \$28,000 and there interest stopped. It was generally believed that the receiver would have accepted a bid of \$38,000.

## COUNCIL AWARDS CONTRACTS FOR SEWER AND WATER PIPES.

Other Business Disposed of at Regular Meeting Monday Evening.

Only five members were present at the regular meeting of borough council, on Monday evening, though Mr. Mignot made his appearance near the close of the session. In the absence of John S. Walker, president of council, W. J. Emerick was chosen to preside.

The Benner brothers, of Reservoir hill, presented a petition for a sewer extension in that locality, there being eleven signers on the petition. The matter was referred to the Street committee.

Report was made of a rather dangerous condition along an embankment on south Potter street, which can be overcome by the construction of several hundred feet of cable fencing. The matter was referred to the Street committee.

Secretary Kelly reported that a new building is being erected on south Potter street, and a house on Logan street by parties who have not secured permits. The matter was referred to the Town Improvement committee for investigation.

A request was received from Dr. J. L. Seibert, county medical officer, for the use of the rooms in the public building in which to hold the next chest clinic, on August 1st. These have heretofore been held in Petrikin hall but the doctor stated that the noise of the constant traffic on the street interfered with the work of the examiners. Council signified its willingness to give the use of the rooms.

The Street committee reported that the oiling of streets had been completed and other repairs made during the past month. The committee also reported receiving five bids for the 1500 feet of six-inch sewer pipe needed to put down necessary sewer extensions. The bids were as follows: Caldwell & Son, 374 cents; A. E. Schadt, 344; C. F. Tate, 35; Walter Eberhart, 34, and the Potter-Hoy Hardware company, 30 cents. The latter being the lowest bidder was awarded the contract, which will amount to \$450.00.

The committee also reported receiving four bids for 650 feet of four-inch water pipe needed for the north Allegheny street extension. The bids were A. E. Schadt, 58 cents a foot; McWane Cast Iron Pipe Co., 63; the Potter-Hoy Hardware Co., two bids, one for 64 cents and one for 68, and C. T. Tate, 614 cents. The committee recommended awarding the contract to the McWane Cast Iron Pipe Co., as it was the lowest bidder. At its bid the pipe will cost \$347.75.

The Finance committee reported a balance in the hands of the borough treasurer of \$463.15. The committee also asked for the renewal of notes totaling \$21,100. It being necessary to raise money to meet current bills the chairman of the committee stated that the Centre County hospital board has two small endowment funds, one for \$1500 and one for \$500, which they will give to the borough for five per cent interest rate, and council authorized acceptance of the funds and also an additional note for \$4500.

## Bankrupt Sale of the Harris Block Brought \$35,650.

J. Clyde Jodon bought the Harris block, occupied by the Potter-Hoy Hardware company, at the trustees sale in bankruptcy, on Monday afternoon, at his bid of \$35,650. The principal bidder against him was Oscar Harm, but it was not divulged whether he was bidding for himself or was representing someone else.

The sale of the building was made on the order of the Supreme court, which ruled that the building was a portion of the assets of the estate of Mary C. Harris, hence must be sold for the benefit of the creditors of the Centre County Banking company. The terms of the sale required the purchaser to pay ten per cent of the purchase price on the day of sale and the balance when the deed is executed and delivered. Ivan Walker, trustee in charge of the sale, stated that he hoped to have the deed ready for delivery in the near future.

The sale of the Harris block will mean another dividend to the Creditors of the Centre County Banking company, probably eight per cent.

RUNKLE SALE TOTALLED \$25,094.50.

The bankrupt sale of W. G. Runkle holdings, last Friday, totalled \$25,094.50. His office furniture was purchased by S. D. Gettig Esq., presumably for Mr. Runkle. About a dozen of his thirty-one tracts of land put up for sale were bid in by Horace Kaufman, who was also acting for Mr. Runkle, but the balance of the real estate all went to legitimate purchasers.

In his statement of outstanding obligations at the time he confessed to voluntary bankruptcy, Mr. Runkle placed his liabilities at approximately forty thousand dollars. The trustee acting in the case, however, has found one or more errors which reduces the obligations and it is probable they will not exceed \$37,000 or \$38,000. If such should prove to be the case the creditors will probably receive anywhere from fifty to sixty cents on the dollar of their claims.

Mason-Williams.—Miss Eliza Stewart Williams, daughter of John R. Williams, of Fleming, and Charles Douglas Mason, of Haynesville, Canada, were married at 9 o'clock, Wednesday morning, in the Baptist church at Clearfield, by the pastor, Rev. Walter Young. Only members of the immediate families and a few intimate friends were present. The bride, who was given in marriage by her father, wore a gown of white crepe with a picture hat to match, and carried a bouquet of American beauty roses. She was attended by Miss Virginia Harnish, of Wingate, who wore a gown of ashes of roses crepe with contrasting lace trimming and a matched picture hat. She carried pink and white flowers. Leon Durst, of Clearfield, brother-in-law of the bride, officiated as best man.

Proceeding the ceremony a musical program was rendered by Miss Sadie Ann Hurley, pianist. Mrs. Mollie Pickles sang "At Dawn," and the processionals marched to the altar to the beautiful strains of the wedding march from Lohengrin. The church decorations were baskets of roses and peonies.

Following the ceremony Mr. and Mrs. Mason left on a motor trip to the New England States and Canada, stopping in Bellefonte for luncheon with Mr. and Mrs. Marvin Rothrock. They will reside in Clearfield.

Schooley-Maitland.—Edgemoor, the Garman summer home, at Axe Mann, was the scene of another pretty wedding, on Wednesday afternoon, when Miss Sara Ann Maitland, young daughter of Mrs. Isaac B. Maitland, and Erskine Schooley, both of South Williamsport, were married in the presence of more than sixty guests. The ceremony was performed by Rev. Charles E. McCoy, rector of Trinity Episcopal church, Williamsport. The bride was given away by her brother, I. B. Maitland, of Cranford, N. J., and was attended by Miss Helen Murr. The best man was Robert Houston Maitland, of Ardmore. Following the ceremony Mr. and Mrs. Schooley left on a wedding trip through the New England States and Canada.

Hawn-Gilliland.—Harold Hawn, of Shaver's Creek, and Miss Madeline Gilliland, of Baileyville, were married at the Presbyterian parsonage, in Baileyville, at 5.30 o'clock last Saturday evening, by the pastor, Rev. Minnie. They were unattended. Immediately following the ceremony they left on a motor wedding trip to New York and other eastern cities. Returning they will probably locate in Shaver's Creek valley where the bridegroom is engaged in farming.

Thompson-Young.—George Boal Thompson Jr., second son of Mr. and Mrs. George Boal Thompson, of Bellefonte, and Miss Isabel Young, daughter of Mr. and Mrs. H. C. Young, of Jersey Shore, motored to Hagerstown, Md., on Monday, June 11th, where they were married by Rev. Harms, pastor of the Lutheran church. For the summer the young people will live on "The Point" farm, near Jersey Shore.

A brief session of argument court was held on Tuesday.

## JOHN SAYLOR MET DEATH INSTANTLY, LAST FRIDAY.

Killed by Falling Stone in Mine of American Lime and Stone Co.

John Saylor, veteran of the World war and during the past four years a block driller in the underground mine of the American Lime & Stone company, was instantly killed about 9.30 o'clock, last Saturday morning, when a slab of stone fell from the roof of the mine hitting him on the head.

Saylor was working on the second level at the time of the accident and no one was near him at the time. The noise made by the falling rock attracted the attention of workmen on the same level and hurrying to where Saylor had been working found his lifeless body. The rear portion of his head had been crushed and the head partly severed from the body. The stone evidently fell without warning so that he had no time to make an attempt to escape. Saylor had worked for the company about five years, four of which were spent in the mine.

He was a son of Peter and Mary Layor Saylor and was born in Bellefonte on July 5th, 1889, hence was not quite thirty-nine years old. His entire life was spent here. He was a laborer by occupation and an industrious and capable young man.

During the World war he served in France having gone from Bellefonte as a member of Troop L. He was a member of the Catholic church, the Brooks-Doll post of the American Legion and the Logan Fire company. He was unmarried but is survived by his parents and the following brothers and sisters: Miss Mary, and Mrs. Harry E. Dunlap, of Bellefonte; Mrs. Elmer Bertschy, of Wheeling, W. Va.; Andrew, of Bellefonte; Philip and Fred, at home.

Funeral services were held in the Catholic church at 10 o'clock Tuesday morning, by Rev. Father Downes, burial being made in the Catholic cemetery.

Lewisburg Train Schedule to be Changed Monday, June 25th.

The much discussed change in the operation of trains on the Lewisburg branch of the Pennsylvania railroad will be put into effect next Monday, June 25th. Effective that date there will be no early morning train leaving Bellefonte for Sunbury. The first train over the road will be the one leaving Sunbury and arriving in Bellefonte at 9.10. Returning it will leave Bellefonte at 10 o'clock and arrive in Sunbury on or about 12.40. The afternoon train will leave Sunbury at 1.20 and arrive in Bellefonte shortly after four o'clock. Returning it will leave Bellefonte for Sunbury at 5.25 p. m.

This change will naturally require both train crews to lay over in Sunbury, and will necessitate Harry Page and family leaving their home on Thomas street and locating in Sunbury. The change will also affect the train crews financially. Under the present schedule they are allowed two days' pay for one round trip because of the long hours. Under the new schedule they will be able to make the trip with very little overtime, so that it will cut the men's pay almost in half.
