Court Cases Disposed Of.

At a special session of court, last Friday morning, the case of Mrs. Alice E. Allen against her husband, James E. Allen, charged with desertion and non-support, was heard. Mr. Allen, prior to his arrest several weeks ago, was a truck driver at State College, and testimony was introduced to show that his earnings were approximately thirty dollars a week. Mrs. Allen asked support for herself and two boys, aged 4 and 2 years. The court ordered the recreant husband to pay the costs and \$30 a month for the support of his wife and children and to give a bond in the sum of five hundred dollars to insure court's order.
