Just one hundred and thirty-nine enthus astic men and women assembled in the festive hall, beautifully decorated in the national colors and the orange and black so striking at Hallow-een season. The famous Kiwanian orchestra of Altoona, twelve strong, furnished music that thrilled the hearts of all present. President W. Harrison Walker, as usual, proved the inspiring leader that is needed to keep an excellent program moving along with spirit and interest. Many guests from Harrisburg, Altoona and other places graced the happy occasion with their presence. The attendance prizes for the ladies were awarded to Mrs. Karl Irvin, Altoona; Mrs. Kerlin, Centre Hall; Mrs. Bingaman, Mrs. Cliffe and Mrs. Frank Murphy, all of Bellefonte. Robert Gable, of Altoona, a member of the orchestra, recently elected lieutenant governor of our district at the state convention at Uniontown, was introduced by president Walker. A brief but interesting reply was made by Mr. Gable. Mrs. Karl Irvin rendered several beautiful vocal selections during the evening that simply entranced her hearers, the orchestra accompanying her in most inspiring fashion. She received a gift of exquisite pink roses from the Birthday committee.

Judge M. Ward Fleming in a most graceful and complimentary address, introduced his good friend former Lieutenant Governor Edward S. Beidelman, of Harrisburg, as the orator of the evening. He expressed his appreciation of the privilege that was his to address the Bellefonte Kiwanis club and the guests. He advocated hearty support of the \$8,000,000 loan for State College. He assured his hearers that the politicians about Harrisburg held the State institution in very high esteem and announced that they had printed 25,000 sample ballots urging support for the loan. Vice president Bent Weaver, who brought the speaker to Bellefonte made a few pertinent remarks. A vote of thanks was extended to Ex. Lieutenant Gov. Beidleman, to Mrs. Irvin and to the splendid orchestra for making ladies night, of Oct. 29th one long to be remembered. The happy affair was concluded with the pledge of allegiance to the flag and the singing of the Star Spangled Ban-

Luke Russell, who has been operating a sort of night club along the railroad in Rush township, was also charged with possession. In explanation he told the court that men came to his place and brought their own bottles and when empty they threw the bottles out into the yard. He gathered them up and had traded the empty bottles on a half gallon of moonshine which he had under the counter when his place was raided. He denied having sold any liquor at any time. He was sentenced to pay a fine of \$50 and spend three months in the county jail.

Centre County's Opportunity To Be Well Represented.

If the people of our county desire a clean cut, energetic and capable representative in the General Assembly, they have found that man in the person of Andrew Curtin Thompson. Born and raised in this county on a farm in Half Moon valley, he is an outstanding example of high grade of representative citizen upon which we pride ourselves. Farm, schoolhouse and business establishment have all aided in giving him the experience and breadth of view so necessary to represent use in the Legislature Halls.

Mr. Thompson's home town newspaper under date of October 23rd. speaks of him as follows, "Philipsburg, during the last thirty years, has had no better citizen than Mr. Thompson. He has always been identified with every progressive movement and has been in the forefront in every effort put forth to benefit our community. Active, energetic and capable in every effort he put forth, his services have always been valuable. For the past several years Mr. Thompson has been superintendent of the Methodist Sabbath School here and his work there has endeared him to every member of that organization. His pleasant, honest and sincere characteristics give Mr. Thompson a most attractive personality."

Is there any reason why a man of Mr. Thompson's high personal qualifications should not represent Centre County? Let us all do our part in sending to Harrisburg a man of whom we can be proud and vote
