

Haugh-McCormick.—A surprise wedding at the home of Mr. and Mrs. John Haugh, at State College, on New Year's day, was that of their nephew, James Haugh, of Detroit, Mich., and Miss Lily A. Simpson McCormick, of Hamilton, Scotland. The young man had made a flying trip to New York to meet Miss McCormick, who just arrived by boat from Scotland, and on their way west decided to visit Mr. Haugh's Centre county friends. While doing so they concluded that they might as well make it a wedding trip, so procuring the necessary license they were married on New Year's day.

The ceremony was performed by Rev. J. Max Kirkpatrick, who is a cousin of the bridegroom. The attendants were Mr. and Mrs. Herbert Haugh. Following the ceremony a delicious wedding dinner was served by Mrs. Haugh and later the happy young couple were taken by motor to Tyrone on the way to their home in Detroit, Mich.

Thrift Week WILL BE A Good Time To Shop IN ALTOONA Booster Stores

Next week is the time in each year that special emphasis is placed on the importance of being thrifty. Much advice will be given as to what one should do during Thrift Week.

There will be many suggestions offered as to the best means to practice thrift and all, no doubt, will be commendable.

When considering the best means by which to practice thrift in the home, the matter of buying wisely and economically should be given careful consideration as being one method that should appeal to every home as it is just as important that the necessary expenditures for the home and personal needs be made wisely and economically, as it is for a portion of the income to be saved for investment.

When You Shop at Booster Stores

For the things your local merchants cannot supply, you have the opportunity to buy wisely and economically and thus can practice thrift in a manner that really means saving, which after all, is the real meaning of thrift. Booster Stores advertise regularly in the Altoona papers. It pays to read their advertisements, as they contain information that is always of interest to all homes.
