## WARRIORSMARK CHURCH BURNED TO GROUND.

Just half an hour after the congregation had been dismissed and gone to their homes, at noon on Sunday, fire was discovered in the Warriorsmark Methodist Episcopal church, and with no adequate fire fighting apparatus the edifice was burned to the ground. The estimated loss is \$40,000, only partially covered by insurance. As soon as the fire was discovered a call for assistance was sent to Tyrone and two companies of firemen responded. But by the time they arrived on the ground the church was doomed, and with only a limited supply of water available the firemen devoted their efforts to saving adjoining properties. At one time the home of George G. Hutchinson, which adjoins the church property, was seriously threatened but the efforts of the firemen saved it.

The Warriorsmark church was one of the oldest buildings in the town, having been built in 1813. It was of frame and in 1843 was remodeled. Since then various repairs have been made at stated periods but nothing done to materially change the edifice. The fire which destroyed the building evidently originated from an overheated furnace and defective flue.

Rev. L. L. Owens is the pastor in charge and he had announced at the morning service the beginning of a series of revival meetings on Monday night. Owing to the burning of the church the meetings are being held in another church in the town. The church will be rebuilt along modern lines as soon as the church board can arrange to begin work.

## BELLEFONTE BOXER K. O. S. SHAMOKIN LAD.

The boxing match in the armory here last Friday night between the Academy squad and the mitt-men of Coal township High school, Shamokin, was an interesting sports event.

The thrill Bellefonters got out of it came when Alexander Morris, son of Mr. and Mrs. Robert Morris of this place, stepped out in the 115-pound class and put his doughty rival from Shamokin so sound asleep that he never woke up until long after the referee had tolled off "10." It was the only knock-out of the meet in which the Academy won five to two, as follows:

115-pound class—Morris, Bellefonte, defeated Krebs, Coal Township, three rounds.

125-pound class—Buckley, Bellefonte, beat Knopski, Coal Township, three rounds.

135-pound class—Buckley, Bellefonte, beat Foster, Coal Township, three rounds.

145-pound class—Ducanis, Bellefonte, defeated Sanders, Coal Township, three rounds.

155-pound class—Seabtesky, Coal Township, outpointed Sullivan, Bellefonte, four rounds.

175-pound class—Barber, Bellefonte, beat Roginski, Coal Township, three rounds.

During the past week Mr. and Mrs. Worle, of State College, gave a dinner in honor of the 51st wedding anniversary of Mrs. Worle's parents, Mr. and Mrs. William I. Gilliland. Seventeen guests were present. Both Mr. and Mrs. Gilliland will celebrate their birthdays on February 15th, when he will be 80 years old and his wife 76. The venerable couple have nine children, Mrs. Roland Sims, of Philadelphia; Mrs. H. F. Everhart, Mrs. Chester Moore and Mrs. Raymond Stout, of Altoona; Mrs. William Worle, Mrs. James Huff, John and George Gilliland, of State College, and Mrs. Frank Shilling, of Bellefonte.

Ex-Governor Martin G. Brumbaugh, president of Juniata college, will address the graduating class at the sixteenth annual mid-year commencement of the Pennsylvania State College on February 12, according to an announcement by Dr. Ralph D. Hetzel, president of the college. He will speak on "Signs of the Times." Judge H. Walton Mitchell, president of the college board of trustees, will preside at the exercises. The degrees will be conferred by Dr. Hetzel. Eighty-four seniors and sixteen advanced students are eligible to receive degrees.

Bellefonte baseball enthusiasts held a meeting in the court house last evening. Of course it didn't mean that the players are to be sent to a winter training camp in Florida but it did mean that Fred Healy, Blaine Mabius, Bob Hood and a lot of other fans are getting as itchy to see a hit lined out as some of our fishermen are about pulling a trout out.

# Safety, silence and simplicity are features of the new Ford six-brake system

ONE of the first things you will notice when you drive the new Ford is the quick, effective, silent action of its six-brake system.

This system gives you the highest degree of safety and reliability because the four-wheel service brakes and the separate emergency or parking brakes are all of the mechanical, internal expanding type, with braking surfaces fully enclosed for protection against mud, water, sand, etc.

The many advantages of this type of braking system have long been recognized. They are brought to you in the new Ford through a series of mechanical improvements embodying much that is new in design and manufacture. A particularly unique feature is the simple way by which a special drum has been constructed to permit the use of two sets of internal brakes on the rear wheels.

A further improvement in braking performance is effected by the self-centering feature of the four-wheel brakes—an exclusive Ford development. Through

this construction, the entire surface of the shoe is brought in steady, uniform contact with the drum the instant you press your foot on the brake pedal. This prevents screeching and howling and makes the Ford brakes unusually silent in operation.

Another feature of the Ford brakes is the ease of adjustment.

The four-wheel brakes are adjusted by turning a screw conveniently located on the outside of each brake plate. This screw is so notched that all four brakes can be set alike simply by listening to the "clicks."

The emergency or parking brakes on the new Ford require little attention. However, should they need adjustment at any time, consult your Ford dealer for prompt, courteous, and economical service. He works under close factory supervision and he has been specially trained and equipped to help you get the greatest possible use from your car over the longest period of time at a minimum of trouble and expense.

### No Fake Sales Here

The 1/2 price sales are, as a rule, fakes. Goods must be put at such prices to create such fakes unless they are old and unsalable goods that are utterly useless.

GARMAN'S

Selling goods at 1/2 price that were originally 25% more. Such things can't be done in honest merchandising. Our line contains more straight out values than any store in town. We wouldn't possibly talk such nonsense as fake sales.

### TWO CARGOES OF BEER SEIZED IN BELLEFONTE.

Two truck loads of beer, totaling thirty-one half barrels, were captured on the streets of Bellefonte about noon last Saturday and, according to report, was high-powered stuff.

According to report the two trucks were trailed to Bellefonte from Lock Haven by State highway patrolmen who were out on the hunt of chicken thieves. On their arrival in Bellefonte the patrolmen notified county detective Leo Boden and together they rounded up the two trucks. One of them was taken in charge almost directly in front of the court house and the other was found on Logan street.

One truck contained fifteen half barrels of beer and was in charge of Ralph T. Eyer. The other truck was loaded with sixteen half barrels and was in charge of W. J. Parker, both Bellefonte men. One of the trucks was registered in the name of W. W. Bicketts and the other Joseph Capani.

The beer and trucks were conveyed to the Centre county jail and stored in the jail yard, but on Tuesday morning the trucks were released when bond in the sum of \$600 for each truck was posted by W. W. Bicketts.

Eyer and Parker were given a hearing before Squire Keichline and contended that the beer was only near-beer. However, they were each held in \$500 bail for a court trial.

We notice in the Harrisburg papers that the venerable Rev. Dr. Silas C. Swallow and wife celebrated their 63rd wedding anniversary on Wednesday. Dr. Swallow is almost 90 years old and while both he and Mrs. Swallow are enjoying as good health as can reasonably be expected at their time of life the veteran minister has mellowed considerably from the days of his active life when he was always a militant and aggressive figure in the pulpit as well as at the annual sessions of the Central Pennsylvania M. E. conference.

The Union furnace quarry of the Charles Warner Company operated during 1928 without a single lost time accident.

### UNIONVILLE

Andrew Hall and family moved into the J. H. Finch house, which was vacated by Elwood Way.

The Woman's Foreign Missionary society met at the home of Mrs. John Askins, on Monday afternoon.

Mrs. Mary McClellan visited her daughter Helen, who is a student at Lock Haven Normal, last Sunday.

A two week's series of revival meetings were started on Sunday evening, in the Methodist church.

Mrs. E. T. Hall and her mother, Mrs. Addie Irwin, were Sunday visitors at the home of Mrs. Frances Hall.

The fourth quarterly conference of the Milesburg and Unionville charge, which was to have been held in Unionville M. E. church on Tuesday evening, had to be put off indefinitely on account of the illness of Dr. Watkins, district superintendent.

The residents of our town were very much alarmed when the report came out, Sunday afternoon, that two children of Mr. and Mrs. John Saxton, had scarlet fever. One was sick while in school on Friday. The health officers got busy on Monday morning, disinfecting, etc., and closing both schools until Wednesday.

Mr. and Mrs. A. R. Everett and Miss Martha Hoover, of Bellefonte, were visitors at the home of Mrs. Amanda Comley, last Thursday. Mrs. Comley is the only aunt living of Mrs. Everett and she came up from the day with her, Mr. Everett and Miss Hoover joining them at the evening meal and for the evening.

Last Friday evening Union Grange had the pleasure of having with them a number of the members of Logan Grange. The installation of officers was the principal business of the meeting, which was very ably done by L. E. Biddle and his well-trained helpers. During the social hour, refreshments were served and a cordial invitation was extended Logan Grange to come again.

On Saturday evening at 8 o'clock there will be a meeting in the M. E. church for the young people, and anybody interested in young people for the purpose of organizing a young Peoples branch of the W. C. T. U. Mrs. Broyles, of State College, will give a lecture and Miss Julia Bullock will have charge of the literary program, after which light refreshments will be served.
