Plan to Shop in Booster Stores on Wednesday

Altoona Booster Merchants are proud of the high quality of their merchandise, the fair prices that they ask and the excellent service they render their customers. All of these things tend to make it profitable as well as pleasant to shop in Booster Stores. You will always find a cordial welcome and an atmosphere in Booster Stores that make you "feel at home" and give you a desire to pay frequent return visits.

Booster Merchants and Employees Are at School This Week for YOU

In order to enable them to render still better service to their patrons, Booster Merchants and their Employees are attending school each morning this week from 8 to 9 o'clock.

J. W. Griest, Manager of the Retail Merchants Institute of Chicago, an outstanding speaker on all matters pertaining to Business and Salesmanship, is conducting the school, which is known as a Better Business Institute and is held under the auspices of the Altoona Booster Association.

The attendance is averaging around 1,500 at each session, embracing employers as well as employees. The talks by Mr. Griest will, no doubt, be the means of increasing the efficiency of the already capable service being rendered by Booster Stores.
