Bellefonte, Pa., April 5, 1929.

NEWS ABOUT TOWN AND COUNTY.

Bellefonte friends of Col. Levi A. Miller will be pleased to know that he is now most comfortably and happily located in Tyrone.

The condition of Elmer Williams, who was stricken with paralysis during the week, at his home on Logan St., is so critical, that no hope is felt for his recovery.

The ladies Bible class of the Lutheran church will hold a bake sale at the Variety shop tomorrow (Saturday). Just the place to get your Sunday cakes and pies.

The condition of Mrs. Wilson I. Fleming is reported as unchanged. She is in the Centre County hospital suffering from impaired heart action and her recovery is doubtful.

From the gentleman himself we have the report that H. L. Hutchinson is making headway against his recent physical collapse. He is able to be about the house, is acquiring an appetite and we are all hoping that he will soon be his fine old self again.

Mrs. Charles T. Noll, of Howard St., underwent a tonsil operation in the Clearfield hospital on Wednesday. The day before her daughter-in-law, Mrs. Richard T. Noll, was operated on for appendicitis and infected tonsils. Both ladies came through the ordeal nicely and are recovering.

Thomas L. Heberling, who has worked for thirty years as a carpenter in the maintenance of way department of the Pennsylvania railroad, at Tyrone, was placed upon the retired list on April 1st. Mr. Heberling who has reached the age of 67 years, was born and grew to manhood in Ferguson township.

The rummage sale for the benefit of the Centre County hospital will be held in the Ritz theatre, Wednesday afternoon and evening, April 10. All desiring to contribute send articles to the theatre Monday and Tuesday afternoon, April 8 and 9, if unable to deliver there notify Miss Mary Blanchard, telephone 158.

While out on a practice flight Ted Hirsch, of Tyrone, a student pilot at the Altoona aircraft association field, at Tipton, was compelled to make a forced landing in a plowed field, near Waddle, on Tuesday afternoon. The plane nosed over in the soft ground and was slightly damaged, but Hirsch escaped injury.

The Christian Endeavor society of Pleasant View, desire to purchase a piano and have the opportunity of buying one for \$100 on six months time. If any of the friends of Pleasant View chapel wish to contribute to this fund, they will be very grateful. President, Miss Anna Cain; vice president, Miss Martha Barnhart; treasurer, Miss Mabel Hassinger.

Early in February when a prohibition enforcement squad made a wholesale raid in Bellefonte and vicinity they visited the home of John Smay, near Snow Shoe Intersection, but failed to find anything on his premises. Last Friday evening officers made another visit to the Smay home and found several half-pints of moonshine and some home brew. The wet goods were confiscated and Smay placed under arrest.

We saw "Speakeasy" at the Roxy theatre in New York last week and that's our justification for saying that we think it an exceptionally graphic mirror of racketeer life. Thousands in the audience with us paid \$1.50 to see it and it will be shown at the Cathaum theatre, State College, Monday and Tuesday evenings at 50 cts. It is thrilling entertainment and, sands in the audience with us paid \$1.50 we think, you would enjoy it.

Several farmers in Pennsylvally are experimenting in growing English walnuts, but the matured nut seems more like a cross between the regular black walnut and the English walnut than a pure strain of the latter. The shell, while smooth and almost the shape of an English walnut, is very dark and about as thick and hard as a black walnut. The meat in the nut has somewhat the flavor of both the English and black walnuts.

Anna Woodcock, the elder daughter of the Rev. and Mrs. J. R. Woodcock, of Syracuse, has had the honor of being one of the forty students selected from Smith college, to exchange with an equal number of students from one of the leading colleges of France, for the college year of 1929 and 1930. This opportunity for a year's work in a French college, has been one of Smith's prizes for scholastic standing, for a number of years.

Halfmoon Gardens was a busy place during the latter end of the week, and when Saturday night came Mr. Tabel was about played out. And no wonder, as he handled and disposed of more than six thousand flowers, tulips, hyacinths, Easter lilies, primroses and cut flowers. But notwithstanding this large output he still has a good supply on hand for anyone wishing plants or flowers and will have an ample stock on hand for Mother's day. He also has upwards of fifteen thousand cabbage and tomato plants coming along in fine shape.

BOROUGH BONDS SENT HERE FOR REDEMPTION.

Council Arranges to Meet Entire Issue of \$93,000.

Monday was a real genuine April Fool's day for Bellefonte borough officials. The mails during the day brought to the Bellefonte banks a total of \$73,000 of the \$93,000 bond issue which matured that day and not one of the present councilmen realized that the maturity date was at hand. Fortunately the borough sinking fund amounted to \$75,643.60, which was ample to take care of all the bonds which came in that day and financial arrangements were made to pay the balance of the issue as it comes in for redemption. This action was approved at the regular meeting of borough council on Monday evening. The bonds were issued in 1899 to redeem an issue of \$100,000 placed in 1893, and carried the low interest rate of 3 1/2 per cent. They were mostly held in Philadelphia and New York.

Every member was present at the meeting, on Monday evening, except Messrs. Reynolds and Brouse. Fire marshal John J. Bower presented a check for \$25.00 from the citizens of Centre Hall in recognition of services rendered by the Undine Fire company on April 11th, 1928, one third of which will be paid over to the company.

M. J. Boudman, representing the Arco Paint company, was present for the purpose of interesting borough officials in his paint for street crossings and parking spaces. As the paint is cheaper than the kind that has been used in past years the Fire and Police committee was authorized to purchase a trial order of it.

A communication was received from former Judge Ellis L. Orvis requesting a prompt settlement of the Laura Wright damage case, as follows: Verdict, \$2500; interest, \$162.50; plaintiff's costs, \$260.30, a total of \$2922.80. The secretary was instructed to notify Mr. Orvis that the account would be referred to the borough solicitor for checking up on costs, etc., and if found correct will be paid at next meeting of council.

Written resignations were received from the five members of the local board of health and the secretary, effective April 1st, and on motion all were accepted. Mr. Cobb, of the Special committee, reported that he had received personal assurance from representatives of the State board of health that Dr. S. M. Nissley's appointment as local health officer and milk inspector will be approved and he will receive his commission this week.

Communications were received from W. B. Rankin and Mrs. B. O. Harvey asking that they be allotted a reasonable share of the borough insurance. The \$25,000 policy on the Phoenix mill expired on Monday and inasmuch as the mortgage on the mill has been considerably reduced council decided to reduce the insurance to \$20,000, and allotted \$10,000 of the amount to Mr. Rankin, \$5,000 to Mrs. Harvey and \$5,000 to the John M. Keichline agency.

The Street committee reported various repairs and the collection of \$90 for sewer permits.

The Water committee reported repairing a leak on north Spring street, the testing of 76 fire hydrants on March 20th and 21st, and that two hydrants are in need of minor repairs which will be made soon as possible.

The committee also reported the collection of \$79.00 on the 1927 water duplicate and \$821.00 on the 1928. Mr. Cunningham, chairman of the committee, reported having leased a small plot of ground in the rear of the Beatty Motor company garage to Mr. Beatty for \$25.00 per year, which was approved by council.

The Finance committee reported a balance of \$3939.74 in the hands of the borough treasurer and requested the renewal of notes aggregating \$13,200. The committee also asked that an order be drawn in favor of the borough treasurer for \$1651.90 to pay the semi-annual interest on the borough bonds. Official report was made of the receipt of borough bonds for redemption and as the sinking fund is short \$17,356.40 of the amount required to meet all the bonds the treasurer was empowered to borrow sufficient money to pay the bonds as they are presented.

Mr. Cobb, of the Special committee, reported receipt of a letter from W. S. Campbell, M. D. of Seward, Pa., inquiring whether the Gamble mill is for rent, etc. The matter was referred to the secretary for investigation.

At the last meeting of council representatives of the American LaFrance Fire Engine company and the Buffalo Fire Engine company appeared before council and presented the good qualities of their fire fighting apparatus in the interest of the proposed purchase of a quadruple combination by the Undine Fire company. Two other men were present on Monday evening. R. H. Cotterman, representing the Peter Perch company, and Mr. Isenberg, representing the Mack company. They were both given time to relate the good points of their apparatus after which council suggested to the committee of the Undine Fire company that they ask representatives of all the companies to submit their bids in writing, with allotment for old hose truck, manner of payments, etc., to the fire com-

pany, such bids to be presented to council at its next meeting for final action.

The secretary reported bills totaling \$4680, which were approved for payment, and a new note for \$2000 was authorized to help meet the bills, after which council adjourned.

BELLEFONTE Y. M. C. A. TO ELECT DIRECTORS.

The annual election of three men to serve on the board of directors of the Y. M. C. A. will be held at the institution this (Friday) evening. All male members 16 years of age and older, in good standing, are eligible to vote.

The men whose term expires at that time are Prof. J. R. Hughes, J. Kennedy Johnston, Esq., and Clarence E. Williams. The following names have been received by the nominating committee for the election: Prof. J. R. Hughes, J. Kennedy Johnston, Clarence E. Williams, Reynolds Shope, William Brouse, John Somerville, H. J. Hartranf, three of whom are to be elected. The nominating committee consists of Earl S. Orr, J. Fred Herman and S. Claude Herr.

The regular monthly meeting of the board will be held on Monday, April 8th, at 7:30 p. m., at this meeting the appointment of committees to serve during the coming year will be made.

BUSINESS CHANGES IN BELLEFONTE.

The pool and billiard parlor which had been located in the McClain block for eight years is no more. J. W. Bickett, proprietor for the past several years, sold his entire outfit to a Sunbury man who moved everything to that place on Monday. It is not yet definitely known who will occupy the vacated room.

The Bon Mot also went out of business, on Monday, as that room has been rented to the A & P company for a down town store. Being unable to secure another suitable location Gilbert Morgan, proprietor of the Bon Mot, has stored his stuff in the Bush estate barn until he can find a purchaser or another location.

The ice cream parlor in Petrikin hall, conducted by Ira Baumgardner, is closed this week while workmen are making extensive repairs to the room, but will be reopened in about a week or ten days with everything spic and span.

PRESBYTERIAN CHAPEL DAMAGED BY WIND.

The high wind of Monday afternoon and night did more or less damage in Bellefonte and throughout the county, the most serious of which, so far as has been learned, was the tearing off of the southwest corner of the slate roof on the Presbyterian chapel, in Bellefonte. From five to six hundred feet of the roof was torn off, pieces of slate being carried out into the street.

Down at the Maurice Runkle home the wind tore off a small corner of the front porch roof.

Down at Milesburg, it is reported, the wind blew the top off of an open Ford car standing on the street.

Throughout the county fences were blown down, limbs torn off of trees, and telephone and electric wires put out of service, temporarily, but most of the trouble was overcome by ten o'clock that night.

CAR STOLEN TUESDAY FOUND IN ALTOONA.

When he went to work at the Centre Democrat office, on Tuesday morning, Homer Sprankle parked his car across the street, near the Elks home. Along about nine o'clock two men nonchalantly climbed into the car and drove away. They came down High street and drove north on Water street toward Milesburg. When Sprankle discovered that his car was gone he notified chief of police Harry Dukeman who at once telephoned Tyrone and Altoona police officials to be on a lookout for the car. About five o'clock in the evening a telephone message was received from Altoona stating that the car had been found there, having been abandoned on a side street by the car thieves. The men who took it are reported to be from Ohio, and probably continued their trip west by train.

KATO WOMAN DROWNED IN BEECH CREEK.

The dead body of Mrs. George Sepos, of Kato, was found in Beech Creek, early Sunday morning by boys playing along the banks. At first it was feared she was the victim of foul play but evidence presented at a corner's inquest, the same day, established the fact that it was an accident. Mrs. Sepos was about 65 years old and lived alone at Kato. She leaves two sons, Stephen and Lewis Sepos, of Cleveland, Ohio. Burial was made in the Askey cemetery on Wednesday afternoon.

A family dinner was served at the home of Ellis C. Howe, in Philipsburg, last Thursday, in honor of his 84th birthday anniversary. Mr. Howe is one of fifty-two persons who left Philipsburg in the fall of 1861 for service in the Civil war and he and John W. Beals are the only two still living. Mr. Beals, by the way, will be 90 years old on July 14th.

NOT A TRACE FOUND OF ANDREW McNITT.

All Efforts to Locate His Whereabouts Have Thus Far Been Unsuccessful.

The whereabouts of Andrew R. McNitt, a prominent business man of Bellefonte remain undiscovered. Living or dead, he has apparently disappeared so completely and mysteriously that notwithstanding the combined efforts of relatives and business associates to locate him not a single trace had been found up until yesterday.

Several suggested clues have been run down only to find that they had no foundation in fact. Efforts to trace, through officials of the Pennsylvania Railroad company, the route Mr. McNitt may have traveled, after leaving Bellefonte, through used mileage book coupons, have so far been unsuccessful. Report was made several days ago that he had been traced as far as Harrisburg in this way, but the report lacks confirmation.

The story of his disappearance has been published all over the United States through Associated Press reports, and on several evenings was broadcast over the radio from Harrisburg and Pittsburgh. Police bulletins of missing persons containing his name and description have been broadcast from various cities, and attempts have been made to trace him through his affiliation with the Elks lodge but none of these have produced results.

If he were sick and in a hospital anywhere he had letters and papers in his pockets which would afford ample means of identification, and the fact that no communications have reached Bellefonte from officials of institutions of any kind strengthens the belief that Mr. McNitt has been a victim of foul play and his body so secretly and thoroughly disposed of that it cannot be traced.

FEDERAL BUILDING SEEMS ASSURED FOR BELLEFONTE.

A federal postoffice building now seems an assured fact for Bellefonte, though it will not be built this year. Postmaster John L. Knisely has received a communication from Congressman J. Mitchell Chase in which he enclosed a report of the committee in charge of public building projects and calls attention to an item on page 11 in which is allotted \$95,000 for a postoffice building in Bellefonte.

Congressman Chase says this is the first definite step towards assuring Bellefonte a federal building, and there is a good possibility of funds being appropriated during the regular session which will convene in December, 1929, and that you may all rejoice in seeing a building in Bellefonte within a reasonable time after the next session of Congress.

Congressman Chase pledges his most earnest efforts in furthering the cause of a postoffice building for Bellefonte.

You can save more than \$1.00 on a pair of first quality, hip fishing boots, at Yeager's Tiny Boot Shop.

FRIENDS QUARTERLY MEETING.

Friends quarterly meeting will be held at Unionville over the week-end of April 6th and 7th, with the usual program of services.

Saturday, at 2 p. m. ministry and council.

Sunday, 10 a. m., First day school association. 11 a. m., meeting for worship. 1:30 p. m., community conference to which all neighboring ministers and their congregations are invited and urged to take part in. Subject for consideration, "The Outlook of Religion."

D. O. Edward Janney, of Baltimore, and other visitors will attend these meetings and a cordial invitation is extended the public.

BELLEFONTE ADMITTED TO C. & C. BASEBALL LEAGUE.

At a meeting in Clearfield, on Monday night of last week, Bellefonte was granted a franchise in the Clearfield-Centre baseball league. As tentatively planned the league will consist of four teams, Punxsutawney, Clearfield, Philipsburg and Bellefonte. Bellefonte was represented at the meeting by Frank Crawford and Edward L. Keichline.

A meeting of local fans was held on Monday night and a finance committee appointed to make a canvas of the town for the purpose of raising the fund necessary to pay the membership fee in the league and outfit a club.

Yeager's price of \$4.85 on guaranteed first quality, hip fishing boots, cannot be equalled in United States.

The spring meeting of the Huntingdon Presbytery will be held at Mt. Union next Monday and Tuesday, and for the first time within the history of the Presbytery the opening sermon will be preached by a layman, Tarring S. Davis, of Blair county, the retiring moderator. Ministerial and lay delegates will be elected to the annual meeting of the Pennsylvania Synod to be held at Chambersburg in June as well as delegates to the general Synod of the church to be held at St. Paul, Minn., in May.

Guaranteed first quality hip fishing boots, \$4.85.—Yeager's 14-1t

Knox-Filson.—The Methodist parsonage, on Howard street, Bellefonte, was the scene of a pretty wedding, at four o'clock last Friday afternoon, when the pastor, Rev. Homer C. Knox, performed the ceremony which united in marriage his son, John Knox, and Miss Blanche Filson, both of Harrisburg. About forty guests were present to witness the happy event.

The bride wore a gown of tropical blue georgette and carried a large bouquet of pink roses. She was attended by Miss Jean Knox, as maid of honor, who wore a gown of green georgette and carried pink carnations. Robert Knox officiated as best man for his brother. A wedding dinner followed the ceremony.

The bride is a daughter of John Filson, of Harrisburg, is a graduate of the Central High school in that city and has been filling a responsible position in Pomeroy's store. The bridegroom is the eldest son of Rev. and Mrs. Knox and is employed in the draughting department of the State highway offices in Harrisburg. Mr. and Mrs. Knox took a motor wedding trip through Virginia and eastern Pennsylvania, and returning to Harrisburg will live at No. 1800, Market street.

NATIONAL HOSPITAL WEEK TO BE OBSERVED HERE.

"National Hospital Week," which begins May 12th, and is observed all over the United States to stimulate interest in the maintenance of hospitals, will be participated in by the Centre County hospital, in Bellefonte. The board of directors have appointed John S. Sommerville chairman of the organization to make the drive for annual membership subscriptions. Associated with him will be William H. Brown, manager of the hospital, and Miss Mary Miles Blanchard, president of the Woman's Auxiliary, and with their cooperation it is hoped that the county will be so organized that the membership will be largely increased.
