"THE DESERT SONG"

Last Saturday Charles Lockington started on a motor trip to Mauch Chunk to visit his daughter Betty, taking with him Miss Elizabeth Bartholomew, a student nurse at the Centre County hospital, who was to go as far as Lewisburg. A mile west of Millheim a tire blew out and the car turned a complete somersault. Both Mr. Lockington and Miss Bartholomew sustained some minor cuts and bruises but no serious injuries. A Millheim physician dressed their injuries and they then returned to Bellefonte.

Saturday night Geo. Waite started to crank his car preparatory to going home, but unfortunately he had left it standing in reverse gear, and the car shot backwards, side swiping a car in the rear then shearing across the street and crushing the side of Frank Kline's automobile.

P. C. Holter is donating, as a memorial to his wife, Edith Weber Holter, a pipe organ complete with all stops and chimes, built by the M. P. Moller Co., of Maryland, to the First Methodist church of Howard. There will have to be some alterations at the church to make room for the organ. The dedication will be held on Sunday, September first, and there will be a recital given by a company representative.

The officials of the First National bank have decided to make their lawn more attractive and have given the contract for the work to the Orchard Hills nursery, of Mill Hall. There is to be a hedge along the street and flower beds on the lawn which ought to add to its appearance. Keeping in step, the lot at the I. O. O. F. home has been graded and sown to grass. Keep up the good work; there is no better way of showing pride in our town than by beautifying it.

Howard had its first taste of 1929 baseball, last Wednesday, when the High school started their league play against Centre Hall High school, both girls and boys playing. The Centre Hall girls were too much for Howard, taking the game sixteen to nothing. The boys turned the tables and defeated Centre Hall eight to one. The Howard defense was airtight behind the fine pitching of Cummings, who only gave two hits until the ninth inning. Captain Lucas led at bat with three hits out of four times at bat. Three other contributors the fielding T. Pletcher contributed the fielding feature getting a fly ball in deep center field. Friday the girls and boys journeyed to Centre Hall for return games and again the Howard girls were defeated sixteen to six. The score of the boys game was Howard 12 Centre Hall 6. Weber did the pitching for Howard. R. Pletcher was batting star of the game, getting 2 singles, a double and a triple out of five times at bat.

### WINGATE.

Mrs. Florence Lucas, Mabel Burns and Roy Fisher made a shopping trip to Bellefonte on Monday.

Mr. and Mrs. H. B. Witherite and daughter Ruth, of Osceola Mills, spent Sunday with friends here and at Runville.

The cold weather has apparently not injured the fruit in this section and from the blossoms there should be a good crop.

Last Saturday L. J. Heaton, of Runville, made public sale of his personal property and will go to Greensburg to make his home with his brother George.

Mr. and Mrs. Charles Hackenberg, of Runville, and Mr. and Mrs. Charles Reese and three children, of Wingate, motored to Smulton, Sunday, and spent the day at the Hackenberg parental home.

Now that springtime is here the stray dogs are proving a pest to some of the residents of Wingate, and the proper officers should see that the law prohibiting dogs running at large should be enforced.

On Monday night some person broke open the outside cellar door at the Lew Davidson home, but as nothing was disturbed in the cellar the would-be robbers were evidently frightened away before they could make a haul.

## BELLEFONTE COOKS ELECTRICALLY ... here is why!

## Good results are certain ... when you cook electrically

Electric cooking saves you all the worry of having to remember to adjust the oven heat at just the right moment ... the bother of having to keep turning and basting the food. The oven, itself, takes all the responsibility of producing deliciously cooked meals.

When you set the clock and thermostat on the electric oven, you automatically solve the problem of the correct time and temperature for whatever dish you are cooking. And because you are cooking with real scientific

precision, you can always duplicate your fluffiest cake or most beautifully browned roast.

Flavor is enhanced too! For electric ovens are so thoroughly insulated that very little evaporation takes place. Meats retain their rich juices and vegetables their valuable mineral contents. Everything goes much farther than in the days when the most nourishing and healthful part of the food went up the chimney in steam. Cook electrically for economy.
