yet, don't worry! After all, there is Bible. In it we are promised that seed time and harvest will come, so waiting will reveal your faith better than worrying.

-Having been a Democrat, originally, President Hoover is trying to do just what any other Democrat would have tried to do for the country-the best as he sees it. His great handicap is political expediency. And if the idea that it matters more that a candidate of the Republican party be elected in 1932 than if our people are prosperous and contented.

-Now they are trying to make us believe that old Gen. Ku Min of the Chinese army had an airplane from which he threw bombs away back in a time we're having trying to convince ourselves that modern civilization has developed anything new at all. We just won't fall for this Gen. Min story unless the historians qualfy it by admitting that Min was the ellow who loaned the ship that the cow must have used when she jumped over the moon.
