

# Years of service in MODEL T FORDS

THE Model T was so strongly and sturdily built that it is still rendering reliable, economical service to motorists in every section of the country. Millions of these cars can be put in shape for two, three and five more years of use at very small cost.

So that you may have this work done economically and satisfactorily, the Ford Motor Company is still devoting a considerable section of its plants to the manufacture of Model T parts. It will continue to do so as long as they are needed by Model T owners. The following list gives the approximate labor charges for reconditioning the Model T Ford:

Engine	
Tune motor (including replacement of commutator case, brush and vibrator points if necessary)	\$1.00
Grind valves and clean carbon	\$3.75 to 4.00
Overhaul carburetor	1.50
Reline detachable car transmission bands	1.50
Install new pistons or connecting rods	6.00
Tighten all main bearings	6.00
Overhaul motor and transmission	\$20.00 to 25.00
Rear System	
Replace rear axle assembly	2.50
Install universal joint	3.00
Reline brake shoes	1.50
Replace rear axle shaft, drive shaft pinion, or drive gear	5.00
Overhaul complete rear axle assembly	\$5.75 to 7.00
Rebush spring and perches	1.75
Oil and graphite springs	3.00
Front System	
Overhaul front axle	\$4.00 to 5.00
Rebush spindle bodies and arms (both sides)	2.50
Replace or straighten spindle connecting rod	.75
Tighten radius rod or steering ball cap	.60
Tighten all sockets and joints of front end	1.50
Replace front spring tie bolt or new leaf	2.50
Straighten front axle	3.00
Chassis	
Replace rear fender	1.75
Overhaul steering gear	3.50
Repair muffler	1.00
Overhaul radiator	7.50
Repaint Coupe	25.00
Repaint Sedan	25.00
Repaint Touring Car	20.00
Reupholster Runabout	8.00
Reupholster Touring Car	15.00
Replace top deck (Coupe or Sedan)	4.00
Overhaul starting motor	3.00
Overhaul generator	2.60

These prices are approximate and are for labor only, because the need and number of new parts depend on the condition of each car. The charge for these parts is low, however, because of the established Ford policy of manufacturing and selling at a small margin of profit.

Paul Bohn wrecked his new Ford car, on Monday, when he ran into a telephone pole at the side of the road. He also sustained several fractured ribs and a number of cuts and bruises.

Children's day exercises will be held in the Graysville church at 11 o'clock Sunday morning, and in the Presbyterian churches at Bayville and Pine Grove Mills at 7:30 in the evening.

John D. Dannelly Dr. George Dannelly and a friend from Ohio, spent last week at Tussey lodge and visiting relatives in the valley. Dr. S. S. McCormick and wife, of Hublersburg, joined them for a day at the home of the Dannelly sisters, in this place.

A reception was given at the home of W. E. Johnson, on Saturday evening, for Henry Johnson and bride. Mr. Johnson and Miss Laura Miller, of Bellefonte, had been married that day. After spending several days here they left for McDonald, Ohio, where they will make their future home.

The venerable John Bailey Goheen, who has passed his four score and three years mark, visited his friend, W. R. Bailey, the latter end of the week. Mr. Goheen is a wonderful man for his age. He still enjoys good health and every day finds him tinkering at some light job around his comfortable home at Rock Springs.

Farmers are now well along with their spring work. Carrying on the farm, according to the established rule of her late husband, Mrs. Aaron Kepler has put out forty acres in potatoes. She was assisted in this big planting by Dr. Nixon's force of experts. On his own farm Dr. Nixon has planted 60 acres to potatoes and the farm adjoining has 40 acres.

Memorial day was duly observed in this section last Thursday. Services at Graysville were held at 10 a. m., and were participated in by the school children. The Citizen's band furnished the music and Rev. J. S. English delivered the address. Services in Pine Grove Mills were held at two o'clock. The parade, which formed at the I. O. O. F. hall, included the Citizen's band, firing squad, the Odd Fellows and Rebekahs, P. O. S. of A. and school children. At the cemetery Rev. J. S. English led in prayer, George Burwell read Lincoln's speech at Gettysburg while Prof. Mairs, of State College, delivered the address. The services also included another brief talk by Rev. Bixler and several patriotic songs.

About one hundred members of the

clan attended the annual reunion of the Corl and Vonada families at Woodward park, last Saturday, where all had a delightful time getting away with the big dinner, playing games and exchanging old-time stories. The clan includes descendants of Benjamin and Catherine Vonada Corl and includes members of such well known families as the Rouns, Blooms, Kilres, Frys, Hartsocks and McCormicks. Benjamin Corl came to this section about one hundred years ago and settled in the Barrens where he plied his trade as a blacksmith. Later he engaged in farming in which he was quite successful. Most of his descendants stuck to the soil for several generations.

### UNIONVILLE

## BELLEFONTE COOKS ELECTRICALLY

.. here is why!

You'll like the flavor of electric oven-cooked food

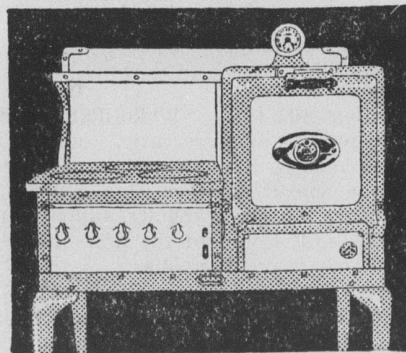

Most women say, "I wouldn't mind cooking so much if I could just be sure that everything would turn out well." That's the joy of electric cooking! It not only relieves you of the watching and tending that used to make cooking burdensome; but it assures you that everything will "taste good."

The beautifully browned roasts, succulent vegetables, delicious puddings and flaky pastries that come out of the electric oven are sure to de-

light your family. Every bit of flavor is retained in the food. Electric ovens are so tightly sealed that very little evaporation takes place. The moisture in meats, vegetables and fruit, alone, is almost sufficient for cooking. And none of the savory juices or important mineral contents are lost.

Everything goes further, too. Lessened food shrinkage makes a marked saving in food bills. Cook electrically for economy!
