Bellefonte, Pa., June 7, 1929.

NEWS ABOUT TOWN AND COUNTY.

—Raymond A. Gates, of Howard, is a student in the college of engineering and Guggenheim school of aeronautics, at New York University.

—Centre county's portion of the State reward maintenance road fund for second class townships is \$6,417.44, based upon a mileage of 50.72 miles of township roads.

—In publishing the list of old soldiers who were guests of Bellefonte Kiwanis, at luncheon last week, the name of E. D. Brisbin, of Centre Hall, was unintentionally omitted.

—Edward Miller, who lives next to Hughes athletic field, has been appointed special officer to look after the Academy property. Trespassers in the pool or on the tennis courts, and all persons detected in the act of damaging the property will be arrested and prosecuted according to law.

—The Keefer-Nolan hardware store, at State College, is now under the personal management of Mrs. Grace Keefer, Mr. Nolan having withdrawn from the firm on May 23rd. Mrs. Keefer has enrolled an efficient corps of assistants who are proving very capable in the conduct of the store.

—Of the four Penn State students in agriculture who have been selected to represent the college in the live-stock judging contests next fall, one is a Centre countian. He is P. W. Waite, of Port Matilda. He will go with the team to the exhibitions at Springfield, Mass., and St. Louis, Mo.

—If the Interstate Commerce Commission approves the recommendation of its examiner the Chemical Lime company and the Centre County Lime company will recover approximately \$40,000 in reparations from railroad companies for unreasonable rates charged on shipments of lime and limestone.

—A telegram was received in Bellefonte yesterday morning announcing that George Porter Lyon, who was in Philadelphia to see the graduation of Dr. Joseph Parrish, at Jefferson Medical college, had fallen out of a window, on Wednesday night, and seriously injured. No particulars were given.

—Four student nurses received diplomas at the 29th annual commencement of the Lock Haven hospital training school, on Tuesday evening, and all of the young ladies are from Centre county. They are Miss Nellie Hoyer, of Bellefonte; Miss Beatrice Hoy, of Blanchard; Miss Mabel E. McGowan, of Moshannon, and Miss Agnes E. Zettie of Spring Mills.

—That much-abused verdict, "We find the defendant not guilty but pay the costs," has a good counterpart in the report of the Clearfield county grand jury last week. They said, "We find the court house in splendid condition," then enumerated a dozen different things that need attention ending with "the deplorable condition of the attic is a disgrace to the county."

—The Centre county Sunday school convention will be held in the Church of Christ, at Blanchard, June 20th and 21st. It will convene on the evening of the 20th and continue throughout the 21st. The committee in charge is anxious to have every Sunday school in the county represented at the convention by at least two delegates, in addition to the pastor and superintendent. Everybody is welcome to attend.

—The Junior class of the Pennsylvania State College has honored Professor Fred Lewis Pattee with the dedication of the 1930 class "La-Vie" year-book. Dr. Pattee, eminent authority on the history of American literature and author of a number of works of fiction, resigned from the Penn State faculty in December so that he might devote his time to his writings. After 34 years of active service he is now emeritus professor of American literature.

—The Bellefonte baseball team has not yet struck an honest to goodness winning stride, but there is hope. In the opening game with Houtzdale, on Hughes field, on Memorial day, they lost 4 to 0. On Saturday they played a return game, at Houtzdale, and scored 15 runs, enough to win three ordinary games, but Houtzdale piled up 17. On Tuesday evening they played a twilight game with the Boalsburg nine and won by the score of 9 to 5. There is an old saw that a bad beginning makes a good ending, and let's hope it will prove true for the ball team.

—Announcement has been made of the marriage of Mrs. Betty Orvis Harvey, daughter of Judge and Mrs. Ellis L. Orvis, and Arnold Driscoll, which took place in Lewistown, Monday afternoon. From Lewistown Mr. and Mrs. Driscoll motored to Martinsburg, W. Va., returning to Bellefonte Wednesday evening, and are now at the Orvis home on Curtin street, where they will make their home for the present. Mr. Driscoll is district representative of the Atlas Powder Co., while Mrs. Driscoll, who has been writing insurance for several years, will continue her work under the present head of B. O. Harvey.

PROTEST FILED AGAINST HIGH SCHOOL STADIUM.

Property Owners Aver It Will Reduce Value of Properties.

With president Walker absent and secretary W. T. Kelley confined to bed with a bad attack of the grip it looked for awhile as if there would not be a meeting of borough council, on Monday evening, but by eight o'clock six members reported and council organized by electing W. J. Emerick president pro tem, and M. M. Cobb secretary pro tem.

Albert E. Schad was present and filed a written protest against the proposition of the Bellefonte school board to construct a stadium adjoining the High school building, as well as a petition against the closing of a portion of Lamb street. He claimed a stadium there would depreciate the value of all the property in that neighborhood, and also presented the argument that there is no parking ground for cars. Inasmuch as there is as yet no petition or request before council for the closing of Spring street, Mr. Schad's protest was laid on the table for the present.

A communication was received from a Lancaster firm relative to council's decision in regard to equipping the Gamble mill as an electric power station and the Water committee was instructed to get an estimate of the cost of making a complete survey to ascertain just what the borough will require in the shape of equipment, and the probable cost of same. The Water committee reported that no further word had been received from the West Penn Power company regarding the proposition submitted by Mr. Lightner at the last meeting of council.

Another communication was presented from Dr. W. S. Campbell regarding his request for information on the lease of the Gamble mill for milling purposes, and the Water committee reported that they have two other propositions under consideration and would probably be in shape to make a definite report by the next meeting of council.

A communication was received from A. C. Helfrich, of Allensville, regarding compensation and liability insurance in the Maryland Casualty company, and the matter was referred to the Finance committee.

A request was received from James C. Furst for permission to erect a gasoline station at the northeast intersection of Lamb and north Water streets, and the installation of four 1000 gallon tanks in connection therewith. Referred to the Street committee.

The Street committee reported that two bids had been received for 10,000 gallons of oil for street repairs, both of which offered coldpatch at 13½ cents a gallon, while the bid of the Centre Oil and Gas company also included oil to be put on hot at 14½ cents, the company to do its own heating and put the oil on the streets where desired. On motion the latter bid was accepted. The committee reported that so far they had received but one bid for limestone chips and this matter was left in the hands of the committee with power.

The Water committee reported removal of the old water wheels from the flume at the Gamble mill and cleaning out the tail race to rock bottom. Also that the big spring had been cleaned and the reservoir will be cleaned during the week. The committee further reported the collection of \$12.00 on the 1927 water duplicate and \$12.88 on the 1928.

Mr. Badger presented the request of Dr. J. L. Seibert for the use of the council chamber for holding a child's clinic and the same was granted.

The Finance committee asked for the renewal of notes totaling \$7,500, which was authorized.

The Sanitary committee presented the report of Dr. S. M. Nissley, borough health officer and milk inspector, for the month of May, which included an analysis of samples of the milk of various dealers, as made at State College. The analysis didn't show up very good but the inspector expressed the belief that there will be a decided improvement in the next analysis.

Mr. Brouse reported that Mr. Dunkelberger persists in emptying salt and salt water in the concrete gutters, on Bishop street, notwithstanding the fact that he has been repeatedly notified not to do so, and the Street committee was instructed to consult the borough solicitor regarding what legal measures can be taken to stop the practice.

Bills totaling \$2643.16 were approved for payment, after which council adjourned.

—See us now about your summer hot water problem. We will advise you conscientiously, and give you an accurate idea of what your operating costs should be. Our ledgers prove how sensationally low the water heating bills actually are.—Central Pennsylvania Gas company. 23-1t

—The Bellefonte fire department was called out, on Wednesday afternoon, by a roof fire on a double house owned by Daniel Snyder, on Pine street. One side of the roof was considerably damaged and the loss is estimated at about \$300, which is covered with insurance. The fire originated, it is alleged, through the burning of waste paper, a live spark of which fell onto the roof.

LITTLE GIRL KILLED IN AUTO ACCIDENT.

Agnes Ludwick, six year old daughter of Mr. and Mrs. Joseph Ludwick, who live at Prossertown, south of Bellefonte, was knocked down and run over by an automobile driven by W. F. Beegle, of Philipsburg, about 2:30 o'clock last Thursday afternoon, and injured so badly that she died at the Centre County hospital about ten o'clock the same evening.

The child was in the act of following her father across the State highway to a spring to get water, and unknown to the parent, stopped in the road when she saw the car approaching. It was too late for the driver to stop and, though he did all he could to avert the accident, the car struck the little girl who was thrown down right in the path of one wheel, which passed over her abdomen. The child was taken to the hospital as quickly as possible, but internal hemorrhages resulted in her death.

In addition to her parents she is survived by one sister and two brothers, Mary, Joseph and Donald. Burial was made in the Catholic cemetery on Saturday morning.

MOTHER AND CHILD HURT.

Mrs. William Harshberger and son Richard of Williamsport, were admitted to the Centre County hospital, early last Friday morning, for treatment of injuries in an automobile accident, Thursday night, over in the Seven mountains. Mr. and Mrs. Harshberger and child were on their way home from a Memorial day trip and coming down the Seven mountains their car ran off the road and upset. Mrs. Harshberger sustained a number of bruises and shock while the child had a leg fracture and burns on the face and body. Both are now recovering.

FARMERS-KIWANIS ANNUAL PICNIC.

The committee on the farmers-State College Kiwanis annual picnic held a meeting, on Monday, to make final arrangements for the fourth annual outing, to be held at Boal camp, Boalsburg, on Thursday, June 20th.

The picnic dinner will be served cafeteria style. Each family is requested to take a basket to the committee in charge, Riley Hunter will be in charge of the meal. The committee suggests that the following food be packed: Sandwiches, cold meats, salads, pickles, cakes. Coffee, sugar and cream will be served by the committee. There will be community singing. Sports for the young and old. Tug of war, races for the kids, horseshoes, baseball, centipede race.

The dairy club calf round up will be staged at 10:00 o'clock in the morning. The dairy calves will be on exhibition all day. All farmers and their families are invited.

There will be some special prizes. Largest family, tallest man, girl with reddest hair, largest woman, baldest man and the boy with the most freckles.

PROGRAM FOR N. Y. C. PICNIC AT HECLA PARK JUNE 15.

The complete program for the joint picnic which employees of the N. Y. C. and Beech Creek railroads will hold at Hecla Park on Saturday, June 15, is as follows:

Band concerts on picnic grounds and at ball game.

Field and track meet, winners to enter the general railroad sports events to be held in Pittsburgh in September.

Baseball, Clearfield versus Jersey Shore.

Free boating and bathing privileges, properly supervised to avoid accidents.

Dancing in the pavilion afternoon and evening.

An automobile to be given away—free—on the picnic grounds at 7 p. m.

Tags for adults 25 cents. All children and pensioned veterans of the railroads will receive free tags.

WEST PENN FIRST AID CONTEST ON JUNE 11TH.

The semi-final first aid contest of the commercial division of the West Penn Power company will be held in the Y. M. C. A. building, at Greensburg, at 1:30 p. m. Tuesday, June 11th. Six teams will compete, as follows:

Irwin, of Eastern division; Mason-town, of Southern division; Monogahela City, of the Central division; McDonald, of the Western division; Kittanning, of the Northern division, and Bellefonte, of the Keystone division.

Wetzler's Junior band made a splendid appearance in their new uniforms, on Memorial day, and would have shown off much better had the streets along the line of parade not been crowded with cars and the boys been able to spread out. The band concert in the evening, on the school house grounds drew a large crowd, and all present were delighted with the music rendered.

Y. M. C. A. NOW ON SUMMER SCHEDULE.

Bellefonte Young Men's Christian Association, like all other institutions, is gradually stepping along into its summer activities. A baseball league composed of ten teams, Curtin St., Howard St., Bishop St., Logan St., Spring St., Bush Ad., Halfmoon Hill, Coleville, Milesburg and Pleasant Gap, is now in operation, the ultimate aim, a championship and a cup for the winners. This league is serving over a hundred boys. A twilight league will soon go into operation for older boys and a duck-pin league of eight teams will soon start on the bowling alleys. The shooting gallery has been re-opened, with a great deal of fun and sport for those who love to show their skill with fire-arms.

The ever popular "Y" pool offers a cool dip in the hottest of weather.

With the motto of "Swim—Master the Art," a swimming campaign will begin Monday, June 10th, the aim of which is to teach every boy and girl, every non-swimmer, the art of taking care of themselves in the water. The lessons are free to the people of the community and it is hoped that they will avail themselves of the opportunity to learn to swim. Only non-swimmers are accepted and they must enter a class at the "Y" building on or before Saturday, June 8th. There is no sport that is more enjoyable and at the same time more healthful and stimulating than swimming, especially since it can be indulged in during the entire year, with ease and comfort.

On July 8th the boys of the community will have the opportunity to attend a summer camp, conducted under the Association principles and supervision. The camp will be located in Bald Eagle, about a mile below Howard. The camp period will last two weeks and will be open to all boys who wish to avail themselves of the opportunity to rough it and to get some of the inside dope on nature and outdoor life. Application blanks may be secured at the "Y" along with any information desired. Within the next few weeks the Association will adopt its summer schedule, and it would be well to get acquainted with it in order to save much confusion as to periods for swims, games and activities.

Hundreds of our enthusiastic users have told us they often wonder how they have ever managed all these years without the convenience, quickness, cleanliness, coolness and economy of a modern gas range.—Central Pennsylvania Gas Company. 23-1t

SONS ARE GUESTS AT KIWANIS LUNCHEON.

The father and son luncheon for Kiwanis, at the Brockenhoff hotel, Tuesday, proved an occasion for a most interesting program. Vice president J. Kennedy Johnston presided. Many Kiwanians who have no sons of their own entertained other boys as their guests. The tables were crowded and the fifty lads present certainly did make the singing inspiring. Musical features were the singing by the boys of "Bellefonte Kiwanis for Me" and a duet by Russell Blair and his adopted son, Robert. June 20th was fixed as the day for the joint picnic between the Lewistown and Bellefonte Kiwanis clubs, to be held near the county line in the "Seven mountains."

The prize winners for the boys between six and twelve years of age were: Bobby Barracough, Robert Walker, Jr., Billy De-worth, Jr., Roy Wilkinson, Jr., David Arnold, John C. Henry, Richard Lewis Walker, Richard Gray. The prize winners for boys over twelve years of age were: Edwin McCafferty, Wayne Morrow, Samuel Eckel, Phil Johnston and Robert Knox.

President W. Harrison Walker made the address to the boys and Phil Johnston Esq., the response.

—Mrs. James R. Hughes was brought home Tuesday, for the second time, from the Clearfield hospital, and will be at the Green home on north Allegheny street for the summer or while convalescing from her recent operation. Mrs. Cleveland Dinges, who had also been a patient in the Clearfield hospital, became so critically ill while returning from a visit to the hospital a week ago, that her condition since that time has been regarded as very serious.

—Centre county friends of Mrs. Mary Swartz, of Somerset, will be delighted to hear that the venerable lady has practically recovered from the serious accident that befell her several months ago. She was knocked down by an automobile on the streets of Somerset. Being in her seventy-sixth year the accident was a serious matter, but "Aunt" Mary is only old in years, not in spirit, and she's up and about again and has gone to spend the summer with her daughter in Stoyestown.

—Mrs. Theresa Hibler Sears, with her son and daughter-in-law, Mr. and Mrs. James Sears, arrived at their summer home, in Milesburg, last Saturday. They had motored from Brooklyn, N. Y., and while they had no thought of making a record run they had so few time delays that they arrived in Milesburg in less than eight hours after leaving their home in Brooklyn N. Y. Mrs. Sears expects to spend the summer at her place in Milesburg. Mr. and Mrs. James Sears returned to Brooklyn early in the week, but will return often for week-end visits.

—Spicer—Solt.—Walter Spicer, of Bloomfield, N. J., and Miss Anna Solt, daughter of Mr. and Mrs. Cyrus Solt, of Bellefonte, were the principals in an early morning wedding in Bellefonte Methodist church, on Sunday. The ceremony, which took place at 8:30 o'clock, was performed by the pastor, Rev. Homer C. Knox, in the presence of a few personal friends, using the ring service. The young couple were attended by Mr. and Mrs. John Weber, Mrs. Weber being a sister of the bride. A wedding breakfast was served at the home of the bride's parents. Following a brief wedding trip they will make their home at Bloomfield, N. J.
