The stork made his second visit to the George C. Burwell home, Friday, leaving a little son who has been named George Clair.
Pennsylvania lodge No. 276, I. O. O. F., will hold their annual Memorial service tomorrow evening. The Citizens band will furnish the music.
Some unknown individual is stealing pennies left with milk bottles in

our town, and so far there is no inkling as to the identity of the guilty party.

Miss Edith Sankey, her niece, Miss Jane Sankey, and Mrs. Viola Smith, spent several days at the Marcellus Sankey home, at Hollidaysburg.

After a number of years of married life the stork finally invaded the home of Mr. and Mrs. John Hess, at Shingletown, last Friday, and left a little son.

A number of auto wrecks occurred in this section during the week, but only one man was injured enough to require a physician's attendance, and he was not seriously hurt. Damaged cars, however, kept the garage men busy.

A large congregation attended Children's day exercises in the Presbyterian church on Sunday evening, which were in charge of Dr. G. H. Woods, Sunday school superintendent. Rev. J. Max Kirkpatrick made an interesting talk and an unexpected feature was the presentation of a beautiful loving cup to Dr. Woods, by members of the school, in recognition of his faithful services.

WINGATE

Miss Vivian Fisher, who has been afflicted with rheumatism for some time, is improving slowly.

Mrs. Catherine Fisher and son Roy were Sunday visitors at the Edgar Fisher home, at Milesburg.

Mrs. James Snyder went down to Lebanon, Saturday, to visit her son George, a student at Lebanon College.

Quite a number of people from here attended Children's day services in the Methodist church, at Milesburg on Sunday evening.

A truck load of gypsies who sought to camp on Lew Davidson's field, near his new store building, this week, were ordered to keep a moving.

Mrs. Irwin, Donald Irwin and Mrs. Mary McLaughlin motored to Plum Cove, last Friday afternoon, to see Mrs. Joseph Mitchell, who was critically ill, and who died that evening.

Mrs. Clare Davidson has returned home, after taking care of her daughter, Mrs. Daniel Barnhart, of Milesburg, through a siege of illness. The latter is now able to be up and around again.

Toner Fisher has built a concrete wall along the front of his home. The old wooden fence could not stand up against the bumps of uncontrolled automobiles and any that bumped into the wall now will get the worst of it.

—Because of absolutely no wear, re-sale values of Electrolux, the gas refrigerator, run from 80% to 90% of the original purchase price. Don't you think this is significant? Central Pennsylvania Gas Co. 24-11

BOALSBURG

BELLEFONTE COOKS ELECTRICALLY

... here is why!

The proof of
electric cooking is
"in the eating"

Roasts, richly browned on the outside, tender and juicy within . . . succulent vegetables . . . feathery rolls . . . flaky pastries . . . tell, more eloquently than words, the true story of electric cooking.

It's easy to be a "good cook" when you use an electric range. For the range, itself, automatically relieves you of responsibility; of watching and tasting and basting and turning. Just set the time and temperature controls on the oven and the current comes on at the proper moment. When the oven reaches the right heat, the current snaps off. You can be out shopping or visiting or doing other household tasks.

Electric cooking not only gives you delicious food at a great saving of effort and time, it actually saves about 20% of ordinary food shrinkage. Cook electrically for economy.
