An "All Porcelain" FRIGIDAIRE

As Low as \$205.00 Complete

1,000,000 Now in Use!

Over One Million Frigidaires... are now cooling foods and making ice-cubes and frozen desserts for wives whose household duties are the same as yours.
In celebration of this astounding popular approval, Frigidaire has built the "Million Model"—a model which, though but a few weeks old, is already a big favorite.
Outside and inside the "Million Model" is finished in glistening porcelain enamel. Gray and white—clean and lasting kitchen colors. It's a real beauty... one that you'll want to see... for it represents a refrigerator value that is a real bargain offer.
Come in... it's on display.

COLD CONTROL

Every one of our household models of Frigidaire is equipped with the exclusive Frigidaire feature... "COLD CONTROL". It is a simple device that gives six different freezing speeds in the ice compartment... six temperatures of "colder than cold".
Now with "Cold Control", you can freeze ice cubes in almost half the time... and frozen desserts take on a new richness of flavor and texture that is a delight to the palate.
When you see the many things the new "Cold Control" does for you, you'll not want to be without Frigidaire.

It is easy to own Frigidaire on our Easy Payment Plan. A small down payment brings your choice of any model... and then you can take care of the balance in easy installments that fit your income. Get your Frigidaire NOW!
