FIFTY YEARS AGO

IN CENTRE COUNTY.

Items taken from the Watchman issue of October 17, 1873.

At the great Democratic rally in the court house, last Tuesday evening, Senator William A. Wallace, Hon. Geo. A. Jenks and Gov. Andrew G. Curtin were the speakers. The town was crowded and not half those who tried could get into the building. The Pleasant Gap, the Zion and Burchfield's Belleville band kept the streets lively with their stirring music.

Hot, hotter, hottest. Oh, how dry and dusty it is.

The mountain just back of town is a fire and the sight at night is very beautiful.

Mr. Jonathan Hess, of Pine Grove Mills, on account of falling health, is quitting the mercantile business and selling his entire stock at first cost.

It is rumored that the Pennsylvania railroad company will shortly construct a turn-table at this place so as to do away with the running of the locomotives reversed from here to Milesburg.

In all the churches in this place, last Sunday, there were prayers for rain. The situation is becoming desperate.

Kemmerer, the Lock Haven walkist, who entered the contest for the O'Leary belt in New York, played out after having made a little over 200 miles.

The big land suit of Pruner and Burchfield vs the Houtz heirs, represented by Geo. M. Brisbin and Dr. Good, of Osceola, and Harry J. McAteer of Huntingdon, is on trial here this week. The litigation is over the ownership of the land on which Osceola borough now stands. Many prominent lawyers of the State are engaged in the case.

Father O'Bryan, after some weeks of absence for the purpose of recruiting his health, is again at his post of duty here. We are glad to know that the Father's health has improved, also that he won't have to work so hard in the future because an assistant, in the person of Father Kennedy, has been assigned to aid him.

W. F. Reeder Esq., and his wife have moved from the Bush house to the house next door to Geo. W. Jackson's at the corner of Allegheny and Lamb streets.

The waters of the "Blue Spring" on the Shugert farm near Pleasant Gap, have been released at last. A channel has been dug to Logan's Branch and the additional water from the spring adds so much to the flow of the creek that the mills and Mann's ax works, along its banks are able to run again.

Prof. Philippi, the Belleville balloonist and rope walker performed in Bedford last Wednesday a week, and while hanging by his toes from the rope stretched 25 feet above the street, his hold slipped in some way and he fell with frightful velocity to the earth. No bones were broken but he was badly hurt.

Married—On the 3rd of October, 1879, by Rev. J. Zeigler, Mr. Eli Stere to Miss Harriet J. Ingram, both of Union township.

SUNDAY SCHOOL TEACHERS

GET FIFTY YEAR MEDALS.

An interesting feature at the State Sunday school convention in Williamsport, last Friday morning, was the awarding of gold medals to men and women who have served as officers or teachers for fifty years continuously. Among the number to receive a medal was Mrs. Susan Gramley, of Greenwood park, Altoona.

Mrs. Gramley began her career as a Sunday school worker in the Lutheran church at Boalsburg over fifty years ago. At that time she lived near Oak Hall but went to church at Boalsburg. For twenty-three years she served either as an officer or teacher in the Boalsburg Sunday school then moved to Altoona. She immediately joined the Trinity Lutheran church there and started in as a teacher, a work she has continued until the present time.

Now that the "Afaletics" have won the world's series in baseball the sports writers of the Philadelphia papers will be lost for something to write about.

LEETE.—Dr. John H. Leete, who at one time was favorably mentioned as a possible candidate for the presidency of The Pennsylvania State College, died at his home in Ann Arbor, Mich., on Sunday, following an illness of some weeks.

He was 61 years old, having been born in 1862. He was a graduate of Colgate University and received his degree at Harvard College in 1895. Along about 1898 he accepted a position at State College as head of the preparatory department and instructor in mathematics. Later he became secretary to president George W. Atherton and also secretary to the faculty. When Dr. Atherton died in 1906 Mr. Leete was mentioned as his successor but before any final decision was made he resigned to accept a deanship at Carnegie Institute of Technology, Pittsburgh. Later he became a director of the Carnegie library. Some eleven or twelve years ago he moved to Ann Arbor, Mich., where he lived until his death.

Dr. Leete was a promoter and ardent patron of all kinds of sports. He held membership in a dozen different societies and fraternities and the cause of education loses an ardent exponent in his death. He is survived by his widow, Edith Payne Leete and one son, Alexander. Also one sister and a brother. Burial was made at Detroit, Mich.

BOREST.—Oliver Borest, of Pine Grove Mills, dropped dead, about three o'clock on Monday afternoon, while at work at State College.

For some time past he had been troubled with heart weakness and a sudden attack caused his death.

He was a son of George and Mary Ellen Borest and was born in Stonevalley on November 30th, 1884, hence was not quite 45 years old. While yet in his teens he came to Centre county and for a number of years worked as a farm laborer. In 1924 he married Miss Mary Moore, daughter of Mr. and Mrs. Edward Moore and for four years they made their home in the Moore family. In the spring of 1925 they went to housekeeping on east Main street, Pine Grove Mills. Surviving the deceased are his wife and one son, George, at home; also one brother, Samuel Borest, at Stormstown, and two sisters, Mrs. John Hilliard, of Baileyville, and Mrs. Thomas Wobbie, of State College.

Funeral services were held in the Lutheran church at Pine Grove Mills, of which he was a consistent member, at 2 o'clock yesterday afternoon, by the pastor, Rev. J. S. English, burial being made in the new cemetery at that place.

BEHRER.—Jacob W. Behrer, well known retired farmer of Buffalo Run valley, died at the Centre County hospital, last Friday morning, as the result of injuries sustained when he fell from an apple tree the Saturday previous. Mr. Behrer was a brother-in-law of the late John W. Hartsock, of Buffalo Run, who dropped dead as a result of a stroke of apoplexy on Friday evening, October 4th. It was the next morning that Mr. Behrer was the victim of a stroke of paralysis while picking apples, fell from the tree and sustained injuries which resulted in his death.

He was a son of Jacob and Mary Augustine Behrer and was born in Buffalo Run valley, having been 72 years old on Wednesday of last week. His wife died a number of years ago and his only survivors are two sisters, Mrs. John W. Hartsock, of Buffalo Run, and Mrs. John Grove, of Lemont.

Funeral services were held on Monday afternoon by Rev. W. E. Smith, of State College, burial being made in the Pine Hall cemetery.

CASHER.—Mrs. Elizabeth Casher, wife of George Casher, of Winburne, died at the Phillipsburg State hospital, Thursday evening of last week, following a lingering illness with a complication of diseases. She was 67 years old and was born in Scotland. When four years old she came to this country, with her parents, who located in Snow Shoe and it was there she grew to womanhood. Following her marriage to Mr. Casher they located in Winburne and practically all her married life was spent there.

She was a member of the Presbyterian church, the lodge of Rebekahs, Pythian sisters and the Ladies of the Golden Eagle. Her husband, one son, James Casher, of Clearfield, and two brothers survive, namely: Alex Houston, of Akron, Ohio, and William Houston, of Clearfield. Funeral services were held in the Winburne Presbyterian church, on Saturday afternoon, by Rev. J. W. Cribby, burial being made in the Advent cemetery.

LUCAS.—Edward P. Lucas died, Thursday of last week, at the home of his son William, near Monument, following a prolonged illness with asthma.

He was a son of Charles and Nancy Lucas and was born at Runville over sixty years ago. His wife died several years ago but surviving him are two sons and two daughters, William D. Lucas, of Monument; Mrs. Joseph Greenlee, of Polk, Pa.; Miss Verda, of Milesburg, and Wilson, of State College. He also leaves one brother and a sister, Frank Lucas, of Belleville, and Mrs. E. R. Lucas, of Altoona. Burial was made in the Advent cemetery on Sunday afternoon.

UNDINE FIRE COMPANY RECEIVES NEW PUMPER.

The Undine Fire company received their new quadruple pumper, on Saturday evening, and the machine is so big that it will require an expert driver to handle it on the streets of Belleville. To be exact, it is 38 feet in length from the outside of the front bumper to the tip of the ladders in the rear, and is almost ten feet in width from the edge of the running boards on each side. The pumper was driven here by Allentown, where it was manufactured, by a representative of the Mack company, who took two days to make the trip, as the big fire fighting apparatus was displayed in various towns enroute. When members of the Undine company learned by telephone that the truck had left Lewisburg, George Carpeneto, Bob Kline, Harry Flack and J. M. Cunningham left by auto to meet it which they did about the Union county line. The big machine had such an appealing look that several of the firemen got onto the wide running board and road all the way to Belleville on it.

On Monday afternoon the truck was given a tryout on Spring creek, in the rear of the Beatty garage, and there is no question about it throwing a powerful stream.

The purchase of the pumper was authorized by borough council six months ago, or to be exact, on April 15th. The cost price is \$11,000, half of which is to be paid by council and half by the company. The acquisition of the new pumper is supposed to result in a lowering of the insurance rates in Belleville.

In order to satisfy themselves that the new apparatus is not too long to be quickly handled in our streets and alleys the Undines ran it through them all. They experimented specially at all corners where streets are narrow or turns are difficult from other causes. They had no difficulty any where. While the truck is 38 feet long the apparatus at State College is exactly the same length and firemen of that place say they have no difficulty because of its length.

The Undines are exceedingly grateful to all who helped them to procure this very modern fire fighting machine.

PHILIPSBURG TO STAGE BIG SHOOTING MATCH

Three sportsmen's organizations—State Centre Game, Fish and Forestry Association, Phillipsburg Rod and Gun club and the Phillipsburg National Rifle club—are making extensive preparations for a big field day shoot, to be held at Glass City park, at the game refuge, near Phillipsburg, Thursday, Oct. 24. They hope to make it one of the biggest shooting matches held in Centre county in years.

The events will include trapshooting, skeet shooting, small bore rifle matches, running and rising rifle shooting and 200-yard hunting rifle matches. The rifle matches will be shot at the new range at the park.

Every sportsman and hunter in the region is cordially invited to be present and take part. Take your rifle, shotgun and ammunition and try out your skill before the hunting season opens.

PENN STATE STUDENT FLIES TO COLLEGE.

Stephen J. Derry, of Universal, near Pittsburg, is a Sophomore at State College, and being one of the thrifty kind, decided to hitch-hike to the institution at the opening of college several weeks ago. He was a little late in starting but pinning a State pennant on his back he set forth, hoping for the best. His first lift on the road was a short one but his second was with a stranger in a snappy roadster to the airport at Altoona.

"Let's take a ship from here," casually remarked the driver of the roadster: "I'll drop you at the Belleville airfield field." Derry scrambled into the cockpit of a two-seater and almost before he realized it he was deposited at the Belleville field. Another lift in a car to State College and he arrived just in time to enter his registration.

Four hundred and thirty-seven years ago, last Saturday, Columbus discovered America and what a surprised man he would be if he could see the country today. The banks were the only business places in Belleville which observed the anniversary as a holiday, all other business being carried along as usual.

WILLIAMS.—Frank Leslie Williams, a native of Centre county, died at his home in Altoona, on Saturday morning, following an illness of some weeks with a complication of diseases.

He was a son of Meshack and Adaline Ingram Williams and was born at Martha Furnace in 1833. His early life was spent at that place but twenty-eight years ago he went to Altoona where he had lived ever since. For a number of years past he had been proprietor of the Keystone lunch room, in Altoona. He married Miss Ella Lytle, of Port Matilda, who survives with a son and daughter, Fred and Marguerite, both at home. He also leaves three brothers and a sister, George S. Williams, of Derry; D. C. of Norristown; J. A. and Mrs. J. A. McLaughlin, of Altoona.

Funeral services were held at his late home at two o'clock on Tuesday afternoon, after which the remains were taken to Martha Furnace for interment in the Williams cemetery.

JOHNSTOWN ATHLETES ROBB POST CARD RACK HERE.

Arrested and Fined \$10 Each by Burgess Hard P. Harris.

Coach George Herrick, of the Johnstown High school football team, came within an ace of being short three players on his trip to Lock Haven to play the High school eleven there, all because several members of his squad stole 28 postcards from the display rack at Belleville's Big Spring and broke open the coin box for the purpose of rifling it of its contents.

The cards are mostly views of the Spring and interesting locations in and around Belleville. They are the property of photographer William J. Sager. They are sold at five cents each and tourists and others select what they want and drop the money in the coin box.

The Johnstown boys came to Belleville on Friday afternoon and put up at the Brockerhoff house. On Saturday morning five of them went out to see the spring. They also saw the postcards and proceeded to take what they wanted. Not content with stealing the cards they broke open the coin box in the hope of finding some money. Frank Meter caught them in the act and the boys ran. Meter, however, followed them, hunted chief of police Dukeman and pointed out three of the culprits, all he was able to identify. Dukeman searched the three and found the postcards on them. The boys denied having found any money in the box. They were taken before Burgess Hard P. Harris, where they gave their names as Wilson Corelli, Fred Geho and Richard Cox. They were fined \$10 each.

As they had no money coach Herrick was hastily summoned. He agreed to pay the fines when the team returned to Belleville on Saturday evening, after the game in Lock Haven, and the players were released. At Lock Haven they were defeated 18 to 0, and when they returned to Belleville coach Herrick paid the fines.

HALLOWEEN HOBGOBLINS TO BE AT BELLEVILLE Y.

What! Ho! Another year has rolled around and Halloween time is here again, time of the year when the young feel gay, when the old feel young.

The "Y" will again be host to the community in its annual Halloween party. Every person is invited. It is extended to you by the "Y", and it is hoped that you will use this opportunity to enjoy yourself in the celebration of the season's festivities. Those who came last year will surely remember the fun and will come again. To those who were not there, set aside the date and don't miss the fun.

Due to the large number in attendance last year it has been necessary to make a slight change in the arrangements of the party. All boys and girls under fifteen years are invited to the party on Wednesday evening, October 30th, at 7:30. Now this is the party for the young folks of the community and it is reasoned that the older people wouldn't care to intrude upon their good time. It's Wednesday evening for the boys and girls.

On Thursday evening, October 31st, at the same hour, the party will be in honor of the older folks, and the young folks, having had their fun the previous evening, won't intrude upon the festivities of the older folks. Just remember the dates, the hours and the ages for the party, put on your costume, leave your troubles at home and go down to the "Y" for an enjoyable evening.

There will be prizes for costumes, to be announced next week, entertainment and games. Refreshments, too. Also Spookland. The ghosts and the goblins have been waiting a whole year for the opportunity to greet their friends and to play their little capers upon them. Don't miss them as they are waiting at the "Y" to greet you on Halloween.

Further announcement next week. Don't forget the dates, Wednesday, October 30, for the young people only; Thursday, October 31, for the older folks. The time will be 7:30 and the place the "Y".

LOOKING BACK TO TWENTY YEARS AGO.

In its "Twenty Years Ago" column, last week, the Lewisburg Journal contained the following pertinent paragraph:

Mifflinburg is to add another industry to her many factories turning out buggies and vehicles, and will keep step with the times by starting the manufacturing of automobiles, G. Willard Hall, of Belleville, has invented an auto, and has contracted with the Hopp carriage company for the manufacture of the machine.

PLEASANT GAP.

Mrs. John Weaver has been seriously ill at the home of her son Glenn.

Mrs. Mae Wilson, of Osceola Mills, is a guest at the Frank Millward home.

The young ladies bridge club will be entertained at the home of Miss Garbrick on Thursday evening.

Miss Gunborg Erickson, Red Cross nurse of State College, was a dinner guest of Miss Jean Noll, on Tuesday evening.
