ST. VALENTINE ON OUR STREET.

When good St. Valentine wanders forth,
To scatter love and joy,
He seems so much like Santa Claus
That every girl and boy
Must hasten to the candy shops,
Or else, with flowers sweet,
Each sends his "love" this message:
"St. Valentine's on our street."

So when the faithful postman
Comes, a-tapping at your door,
And hands to you a package
Like you've never seen before,
'Twill be a true and wondrous sign,
If big, or tiny and neat,
That some one loves you very much,
For "St. Valentine's on your street."

And all the time, I charge you
Hold fast to what he sends,
Though the good Saint comes but yearly
His love thoughts never end.
And, again, he's just like "Santa"
Whom daily each may meet,
In neighbor, friend or stranger
Through "St. Valentine on your street."

NEWS ABOUT TOWN AND COUNTY.

The Ladies Aid society of the Lutheran church will hold a sauerkraut and baked bean supper in the basement of the church March 6th, 1930.

The Hi-Y girls basket ball team will hold a bake sale in Olewine's hardware store, Saturday morning, February 15th. The girls have lost only one game this season and as they can cook just as good as they play basket ball you'll find their offerings worth eating.

James C. Waddle, celebrated the 96th anniversary of his birth at his home in Lock Haven on Tuesday. His health is badly broken but his mind is just as clear as it was in the days when he was earning the endearing title, "Uncle Jimmy," that marked him the most popular man that ever ran a train over the Bald Eagle Valley railroad.

The Bellefonte Academy boxing team lost to the Army plebes, at West Point on Saturday, by the score of 4 to 3. The Academy winners were Buckley in the 125 pound class; McCabe, 145, and Procinio, in the 160 pound class. All the bouts were won on decisions with the exception of the unlimited class, in which Remus, of the Army, knocked out Demskar, of the Academy, in the second round.

Attorney W. G. Runkle is planning to move his family into his farm in Potter township on or about the first of April and embark on the chicken business. This does not mean that he will give up his home in Bellefonte or quit practicing law. Mrs. Runkle and the younger children will stay at the farm while Mr. Runkle will remain in Bellefonte most of the time, commuting to the farm over the week-ends and Sunday. His sister, who is now living with him, will have charge of the home here. While Mrs. Runkle will supervise the chicken business she will be assisted by a man and his wife.

William J. Sager, Bellefonte's premier out-of-doors photographer and post card artist, has rented from Clarence Rine the room on west High street formerly occupied by Thomas Fleming as a boot and shoe repair shop, and when he takes possession on March 1st will convert it into an up-to-date studio for his photographic and postcard work. Mr. Sager is the only photographer in Bellefonte who makes a specialty of this class of work and he has built up a reputation which extends throughout Centre and adjoining counties. He already has orders for a large amount of postcard work during the early summer.

While the program for the week ahead at the Richelieu and State theatres includes fine entertainment for every evening there are three offerings which we think anyone would enjoy. Of course "The Sky Hawk" at the Richelieu from Wednesday on next week is the big sensation in the eyes of illdom, but "Men Without Women" which will be at that play house tomorrow is a dramatic thriller that you will not regret seeing. It is one of the best acted shows of the year. Then "New Orleans" which will be at the State next Monday and Tuesday, should not be overlooked. As we have said, the entire program is good but we specially recommend the three mentioned.

Joseph W. Undercoffer is on his last lap as baggage master at the Pennsylvania railroad depot in Bellefonte, as he is booked for retirement on May 1st, when he will have reached the age when all good employees are placed on the retired list by the company. On that date he will have worked for the company exactly 48 years and 10 months, all of it in the baggage service at the Bellefonte depot. Joe, as he is known by every man, woman and child, has been one of the most faithful employees the company ever had in Bellefonte. In the many years he has worked for the company he has lost very little time through illness, and he was always on the job and on time even when he had to wade snow knee deep at five o'clock in the morning. He was courteous and accommodating at all times, and his presence in the baggage room will be missed by the periodical travelers to and from Bellefonte. Joe's successor will undoubtedly be Thomas J. Lamb, his present assistant, who has been with the company long enough to win the promotion.

THREE SERIOUSLY HURT IN COASTING ACCIDENT.

Two High School Seniors Victims of Sled and Auto Crash on Monday Evening.

Two High school students, both members of the Senior class, and another young man, are patients in the Centre County hospital suffering with serious injuries sustained in a coasting accident on Monday evening, the first really serious accident of the winter. The victims are:

Mary Curtin, seventeen years old, daughter of Major and Mrs. H. Laird Curtin, of Bellefonte, fracture of the left leg about six inches above the ankle, and an injured left shoulder, possibly broken.

Calvin Taylor, seventeen years old, son of Mr. and Mrs. Curtin Taylor, concussion of the brain and possibly slight skull fracture. Been in a stupor ever since being taken to the hospital.

William Mills, twenty-one years old, left leg broken and fracture of left collar bone. He is a son of Mr. and Mrs. Joseph Mills, of Thomas street.

The young people were coasting down the steep hill on east Lamb street when their double-runner cutter crashed into the car of Charles Hassinger, as he was going north on Allegheny street to his home on Curtin street. Two other young men were on the cutter when the accident occurred, Jack Taylor, son of ex-sheriff and Mrs. E. R. Taylor, and Billy Bell, of Unionville, but fortunately neither of them was seriously hurt.

To start at the beginning, the school board had a meeting on Monday evening and were still at the High school building when the accident occurred. The school dramatic club also had a rehearsal, at the conclusion of which they left the school building and were naturally attracted to the coasters on Lamb street. As it was only about 9:30 o'clock some of them decided to join in the sport.

Realizing the danger of coasting down Lamb street and across a heavy traffic thoroughfare like Allegheny street the coasters had stationed a small boy, Paul Wright, on Allegheny as a look out. Mary Curtin and Billy Bell had made one or two trips down the hill when their sled broke and they were invited to take a ride down on the cutter. Calvin Taylor was lying down and steering the sled. Back of him sat Jack Taylor, then William Mills, Mary Curtin and last Billy Bell. According to the coasters they received a signal from the "look-out" which they understood to be "all clear," and they started down the hill.

The Lamb street hill is very steep, covered with ice and the sled naturally traveled at high speed. As they neared Allegheny street Taylor saw a car loom up right in the line of his vision and then he lost his head. Had he swung a little to the left the car would have been past and he would have gone by in the rear, but instead of that he swung sharply to the right with the result that the sled side-swiped the machine with terrific force. The car was knocked from its course in the roadway over the curb and almost onto the High school pavement. Both doors on the right side of the machine were broken, the running board and fenders and right rear wheel smashed. The heavy cutter was broken in two and badly splintered. The nature of the collision accounts for the broken left legs and injured shoulders.

The report of the collision and cries which followed attracted the attention of the school board, every member of which was quick to go to the rescue. Mr. Hassinger, driver of the car, while dazed by the collision, lost no time in going to the assistance of the injured and assisted in carrying them into the school house. Jack Taylor was dispatched as a messenger to notify the parents of the injured while Dr. Sebring was quick to respond to a call for help. The ambulance was also summoned and Mary Curtin and Calvin Taylor were taken to the hospital in it, while George C. Bingham took Mills to the hospital.

Of the three seriously hurt Mary Curtin and Calvin Taylor are High school seniors. Mills is not going to school but lives with an aunt on Wilson street. Billy Bell is, of course, a student but his injuries are not of a serious nature, although he might be out of school several days recovering from shock.

The accident will probably put an end to coasting on Lamb street and possibly on every other street in Bellefonte where there is much traffic or which leads to a well traveled thoroughfare.

HUGG WILL HELP YOU MAKE TAX REPORT.

Toner A. Hugg, deputy collector of internal revenue, will sit at the following places for the purpose of instructing income tax payers in preparing their returns: Phillipsburg, Monday, February 24, in the Shannon Bank building; Bellefonte, February 25, 26, 27, in the Court House; Milesburg, February 28, A. M., in the revenue office; Renovo, March 1st, in the Y. M. C. A.; Lock Haven, March 3rd, 4th and 5th, in the Post office building; Jersey Shore, March 6, in the Jersey Shore Trust Co.

WILL OF MISS McMANUS MAKES VARIOUS BEQUESTS.

The last will and testament of Miss Margaret McManus, who died in Bellefonte last week, at the age of ninety years, was filed for probate on Tuesday. The First National Bank of Bellefonte is named as executor, and the will provides that her property, both real and personal, shall be disposed of at either public or private sale, according to the best judgment of the executor, at as early a date as possible.

In the disposition of the real estate a proviso enjoins upon the executor to specify in any deed given for the property that it shall not be used for any other purpose save a dwelling until a lapse of twenty-one years following her death.

The will directs that all her funeral expenses and any other debts and obligations shall be paid first, and also provides for the erection of suitable monuments for herself and other members of the family buried in the Union cemetery.

To Miss Jennie H. Engles, nurse who took care of Miss McManus during all the years of her illness, she leaves the sum of \$1000, to be paid out of the first money obtainable.

The sum of \$500 is left to St. John's Episcopal church to be used in any way the vestry may deem best.

The sum of \$100 is left to the board of foreign and domestic missions of St. John's church, and \$100 to the A. M. E. church of Bellefonte.

The sum of \$1000 is given to Miss Carrie Bayard and \$1000 to Miss Sarah P. Bayard, while \$500 is bequeathed to Miss Cecilia Armor. All the residue of the estate, if there be any, is bequeathed to Carrie and Sarah P. Bayard, share and share alike.

Another provision in the will specifies that Miss Engles and Mr. G. R. Spigelmyer be permitted to occupy the house for one year, if they elect to do so, providing they pay the taxes, water rents, insurance and make any needed repairs to keep the property in its present condition, the year to begin one month following the date of decedent's death.

The will bears the date of June 4th, 1929.

An appraisal was filed with the will which places the value of the real estate at \$5000, and personal property at \$500.

SUPERIOR COURT DECIDES CENTRE COUNTY CASES.

Three decisions were received from the Superior court this week by prothonotary S. Claude Herr. They were:

Isaac F. Heaton and Mary C. Heaton vs. Pennsylvania Railroad company, an action in the Centre county court to recover damages for timber destroyed by fire, and which resulted in a verdict for the plaintiff and the Superior court quashed the appeal.

Gordon Bros. vs. Kelly Bros. Coal company, the judgment of the lower court in awarding the plaintiff a verdict was affirmed.

Dorsey Struble vs. Laura Struble, an appeal from the decision of the Centre county court in refusing the plaintiff a divorce. Decision of the lower court affirmed.

Dr. McKINNEY WILL TELL OF TRIP TO HOLY LAND.

Dr. William K. McKinney, of Westfield, N. J., a former pastor of the Bellefonte Presbyterian church, has generously consented to come to Bellefonte and tell some things concerning his trip to the Holy Land last summer. He will speak in the chapel on Thursday evening, February 20th, at 8:15 o'clock.

There will be no charge for admission, but a voluntary offering, to be devoted to foreign missions, will be taken. Following his talk a brief social period will give opportunity to his Bellefonte friends to greet Dr. McKinney.

NEW HUNTER'S LICENSE TAGS ARE ORDERED.

Upon approval of the Department of Revenue, the Game Commission recently placed an order for the 1930 hunting licenses and tags. 514,000 resident and 7,500 non-resident licenses were ordered. This year the tags will have white figures on a background of green.

During the period between June 1, 1928, and May 31, 1929, the Game Commission purchased for stocking purposes 121 wild turkeys, 6,058 ringnecked pheasants, 5,500 bobwhite quail, 4,966 Hungarian partridges, 43 raccoons, 48,600 cotton tail rabbits and 500 fox squirrels.

The Academy boxing team will meet another strong foe this (Friday) evening, at 8 o'clock sharp, in the Y. M. C. A. gymnasium, when they will clash with the experienced Coal Township High school, of Shamokin. Those who attended the Shamokin meet last year will recall the stiff opposition the Academy boys met with in every bout. There will be eight bouts in all and the fight show will start promptly at 8 o'clock owing to the American Legion dance which will be held this evening.

BELLEFONTE CENTRAL R. R. AT WORK ON EXTENSION.

Bond Issue Floated and Grading of New Section Completed.

The extension of the Bellefonte Central railroad from Struble Station to Fairbrook, thence over the old Lewisburg and Tyrone railroad to Tyrone is now an assured fact. The bond issue of \$200,000 has been successfully floated; the purchase price for the acquisition of the Lewisburg and Tyrone branch has been paid; grading of the new section was completed last Saturday and work is now being pushed on the new yards at State College and in making preparations for the building of the new freight depot at that place.

The work has been done so quietly and unostentatiously that very little was known of it until official announcement was made on Tuesday by general superintendent Van Jodon. As a matter of fact the contractor in charge has had gangs of men at work in completing the grading on the new stretch ever since the first of the year. As stated above, they are now working on the new location for the extensive yards at State College and the new freight depot. These will be located just about two blocks west of the present station. The freight depot will be larger and more complete than the present one, while the yards will be large enough to store sixty freight cars at one time.

Considerable repair work will have to be done on the roadbed and track of the old Lewisburg and Tyrone branch, and this will be pushed as rapidly as possible so that it will be in shape for the operation of trains by the time the rails have been put down on the new section. The laying of these rails will be begun as early in the spring as weather conditions will permit.

While the Bellefonte Central's acquisition of the Lewisburg and Tyrone branch extends only to Stover Station, several miles this side of Tyrone, the Interstate Commerce Commission has awarded the company trackage rights into Tyrone. To take care of the company's freight business they will build their own freight depot in Tyrone. Passenger or mixed trains for mail and express will be operated in to the Tyrone depot.

Of course there is a lot of work to do before the line will be completed and in shape for the operation of trains, but it is the hope of company officials to have the road open for freight traffic by the latter part of the summer. When that time comes consideration will be given to the needs and demands for passenger service.

Foster-Smith—The home of Mr. and Mrs. George Bullock, of Unionville, was the scene of a pretty wedding, on Tuesday evening, when Miss Alice Grace Smith, sister of Mrs. Bullock, was united in marriage to Charles H. Foster, of State College. Only the members of the two families were present to witness the ceremony, which was performed by Rev. Samuel Martin, of State College, the ring service being used. Rev. Robert Keeler, of Luthersburg.

Mrs. Robert Keeler was matron of honor, George Smith Bullock, of Johnstown, best man, while the bride was given in marriage by her brother-in-law, George W. Bullock. Mrs. George S. Bullock played the wedding march. Immediately following the ceremony a wedding luncheon was served. After a brief wedding trip Mr. and Mrs. Foster will take up their residence at State College.

Out of town guests included Miss Mary Foster, Mrs. Holder Johnson, Mrs. Pauline Peters and son Sydney and Mrs. Martin, of State College; Mr. and Mrs. Newton I. Wilson, of Warriorsmark, and Miss Kate Smith, of Snow Shoe.

Hartle-Dotterer—Joseph R. Hartle and Miss Dorothy Dotterer were married at the parish house of St. John's Catholic church in this place last Saturday evening at 8 o'clock. Rev. Wm. E. Downes performed the ceremony and the only witnesses were Mr. and Mrs. A. C. Hartle.

The groom is the youngest son of Robert Hartle, of Bellefonte, and with his brother A. C., is engaged in farming the Hartle farms on Spring creek. His bride is a daughter of Mr. and Mrs. B. C. Dotterer, of Lamert. She was graduated from the Lock Haven hospital last June and is a most accomplished young woman. Mr. and Mrs. Hartle will live with his brother and family until April when their own home will be vacated and they will move into it.

Haupt-Beckwith—Charles Malcolm Haupt and Dorothy Wilmena Beckwith, both of Bellefonte, were married at the Trinity Methodist parsonage in Lock Haven, on Wednesday of last week, by the pastor, Rev. J. Merrill Williams. They will reside in Bellefonte.

The February meeting of the board of trustees of the Mothers' Assistance Fund of Centre county, was held in the directors room of the Chemical Lime Co., on Wednesday morning at ten o'clock, the members present were; Mrs. Frank D. Gardner, of State College, Mrs. Edward H. Harris, of Snow Shoe, Mrs. John S. Walker and Miss Mary H. Linn, of Bellefonte.
