

COUNCIL DENIES REQUEST TO CLOSE LAMB STREET

Not a Vote Cast in Favor of the Proposition

Cocked and primed for summary action it took Belleville borough council less than two minutes, at its regular session on Monday evening, to refuse the request of the Belleville school board for permission to close a portion of Lamb street in order to enlarge the athletic grounds at the High school building.

The Street committee reported putting up a new cable along Mill street, trimming trees on Thomas street and making various repairs on streets.

The Water committee reported a few minor repairs and the collection of \$1975.00 on the water duplicates and \$69.00 for rent, etc.

President Walker asked the Water committee what is being done toward hastening the installation of the water wheel and pump at the Gamble mill property and no one seemed to know much about it.

The Fire and Police committee reported the purchase of two gas masks for the Logan fire company and also that some of the "Stop and Slow" rubber signs at various crossings are badly worn and should be replaced.

The Special committee had nothing to report but progress in the matter of the new zoning ordinance.

The Town Improvement committee presented the request of Lyman Bickle for permission to close a portion of the pavement in front of the old Strickland property, on Bishop street, while converting it from a dwelling into a store room.

The arrests were made on information furnished by John Anderson, who alleged one of the young men told him where the stolen cash register could be found. According to Anderson, the register, after being rifled of its contents, had been taken out beyond Roopsburg and dumped into the race leading to the Roopsburg mill, at a point not far from where the race connects with Spring creek.

W. D. ZERBY FUNERAL LARGELY ATTENDED

A meeting of the Centre county bar association was held at 1:30 o'clock, last Saturday afternoon, at which a resolution of condolence on the death of the late W. D. Zerby Esq., offered by S. D. Gettig Esq., was adopted.

The resolution provided for the appointment of a committee to prepare a suitable minute to be presented to the court at the April argument session. Judge Fleming appointed as a committee S. D. Gettig, former Judge Ellis L. Orvis, former Judge Arthur C. Dale and John J. Bower.

On adjournment members of the bar went in a body to the Zerby home, on east Linn street, for the funeral, which was held at 2:30 o'clock. A large delegation of the Bellefonte Lodge of Elks and many of Mr. Zerby's friends from Pennsylvania were also in attendance.

CENSUS REPORTS FOR ABSENT FAMILIES

The fifteenth decennial census of the United States will be taken during the month of April. Every person, as far as possible, is to be enumerated at his usual place of abode or the place where he usually lives.

For cases where it is known in advance that the whole family will be away from home at that time, special provision has been made by the director of the census in the form of an absent family schedule which is to be filled out by some responsible member of the family in advance of the census date and transmitted to the local supervisor of the census.

A copy of this schedule can be obtained from W. H. Freemyer, federal building, DuBois, Pa., local supervisor. Families planning to be away during the month of April are urged at once to obtain one of these schedules and fill it out and return it to Mr. Freemyer.

DANGEROUS CURVE TO BE ELIMINATED

Announcement has been made from the State Department of Highways that work will be started this month on the relocation of half a mile of State highway at the foot of the Allegheny mountain, in Boggs township, for the purpose of eliminating the sharp and dangerous curve near the Dim Lantern team, at Runville. Since the construction of the concrete highway over the Snow Shoe mountain there have been a number of bad accidents on this curve, and it is to overcome this danger that the curve will be eliminated.

TWO STEEL WORKERS RELEASED FROM JAIL

Walter Melton and Leo Keenan, the two structural steel workers who, on January 25th, were sentenced by Judge Fleming to serve two years in the Centre county jail for driving a car while under the influence of liquor, resisting arrest, assaulting an officer, etc., were granted a parole, last Saturday, although placed upon probation for the full period of their sentence.

The men returned to their jobs at State College with a better understanding of the law as it is administered in Centre county. Another case disposed of was an appeal of Mrs. Carl Anderson, of Philipsburg, from a decision of justice of the peace Hancock, of Philipsburg, who had held the defendant on a charge of violation of the vehicle code.

After hearing the evidence the court discharged the defendant and placed the costs on the county. For some time past Charles Shawley, a member of the Pennsylvania railroad section crew at Milesburg, has not been enjoying the best of health and early last week he went over to the Clearfield hospital for an examination.

Dr. Waterworth diagnosed his ailment as stones in the kidney and recommended an operation. The operation was performed on Friday and instead of stones only one stone was found, but it was big enough to cause all the trouble that Mr. Shawley had experienced. By actual measurement it was 5 1/2 inches long, 5 inches wide and 2 1/2 inches thick at the thickest part, tapering off to a point at each end. The stone weighed 2 1/4 pounds.

Dr. Waterworth stated that it is the largest kidney stone of which medical science has any record, and with the consent of Mr. Shawley it will be kept on exhibition at the hospital. 71 ACRES OF LAND BROUGHT ONLY \$196.00

BOUNTY PAYMENTS DECREASE \$35,589

Final compilation of bounty claims for 1929 made in the offices of the Game Commission show a total payment of \$88,271, a decrease of \$35,589 as compared to the previous year. The decrease was caused largely by the smaller number of wildcats killed and the fact that the bounty on red foxes was removed on May 14. During the year claims were paid for 278 wildcats as compared with 416 in 1928. In the 1929 bounty was paid on 6955 gray foxes, a decrease of 3025 over the previous year.

Weasel claims during 1929 made a new high record of 50,335 as compared with 34,870 in 1928.
