-----The Bellefonte fire department was called out, on Saturday morning, by billows of smoke issuing from the cellar of the Kellfonte. When the firemen gained entrance to the cellar, however, they discovered that their services were not needed, as the smoke was from an over-heated motor which operated the refrigerating plant. The day before Mr. McClellan, proprietor of the Kellfonte, had the motor repaired erations. and new bearings installed. As the bearings were tight the motor became overheated and belched forth smoke like a burning flue. No great damage was done.

-R. T. Folke, of Ridgway, an employee of the West Penn Power company, was painfully burned on the head and face, last Thursday Wentzel, the driver, lost control of morning while at work at the the steering wheel and the car American Lime and Stone company plant. He was engaged in rewiring the occupants were thrown from the the switch board at the terminal of 440 volt feed wires. In tightening up a nut his wrench slipped, came into contact with a live wire and formed a short circuit. A sheet of flame burst from the board right into Folke's face, badly burning him. Fortunately he was wearing goggles at the time so that his eyes were uninjured. A local physician dressed and bandaged his face and he was taken to his home in Ridgway the :same afternoon.

POULTRY MEETINGS

TO BE HELD NEXT WEEK. Centre county poultrymen will

have an opportunity of attending five poultry meetings arrranged by county agent R. C. Blaney, on Wednesday and Thursday of next week. The poultrymen's biggest problem at this season of the year is the growing of young chicks. This subject will be discussed at these meetings by John Vandervort, poultry extension specialist of State College. Four of these meetings will be held on poultry demonstration farms in as many communities. There will be a general meeting at Port Matlida where Mr. Vandervort will give an illustrated lecture, using pictures showing the importance and success of improved poultry methods used by poultrymen throughout the State. Following is a list of the meetings, giving the time and place:

Wednesday, April 9, at 10 a. m., at the farm of Ellis Peters, Stormstown. 2:30 p. m., at farm of Lee Kidder, Rebersburg. 8 p. m., at High school building, Port Matlida. Thursday, April 10, at 10 a.m.,

at farm of H. E. Hennigh, Spring Mills, (Georges Valley.) At 2:30 p. m., at farm of Stanley Fiedler, Aaronsburg.

These meetings are arrranged for the benefit of anyone interested in poultry. Attendance at meetings of this kind often prove time well spent as it may save you a lot of provides for fourteen games, as foltrouble with your young chicks.
