## WALTER DUNKLEBARGER SELLS HIS MILK STATION.

Walter Dunklebarger sold his milk station, located on north Water street, last week, to recorder Lloyd A. Stover and his son-in-law, Grover Spearly. The latter has been operating a milk route in Bellefonte and Spring township for several years past, with headquarters at Coleville, and the purchase of the station on north Water street will mean a much more advantageous location than he has had in the past.

The Dunklebarger plant contains a complete pasteurizing outfit and all the necessary cooling machinery to put and keep milk in the best possible condition. The plant, however, needs a complete overhauling and the new owners started in on this job early Monday morning. The spring of pure, cold water, located right at the plant, will be cleaned out and beautified, the water to be used for cooling purposes. Messrs. Stover and Spearly figure that it will take at least ten days to put the plant in the kind of shape desired and then they expect to have a public opening.

—The gentle little rain that fell for two hours yesterday morning was the first we have had since Tuesday, July 22.

—Read the Watchman.

**WAITE.**—John Sitman Waite, who forty years ago was a dealer in agricultural implements in Bellefonte, died on Tuesday, at his home in Madisonburg, following an illness of some weeks.

He was a son of Henry and Anna Waite and was born in Halfmoon township on February 11th, 1857, hence had reached the age of 73 years, 6 months and one day. His early life was spent on the home farm but a little over forty years ago he came to Bellefonte and purchased the carriage and implement business of John Bartruff, on South Water street, and established the firm of J. S. Waite & Co., which is now conducted by his brother, Darius Waite. About thirty years ago he sold his interest to his brother Darius and moved to Clinton county, where he spent a number of years, finally locating at Madisonburg where he did upholstery. For a short period he served as postmaster at that place.

He was twice married and is survived by his second wife, who previous to her marriage to him was Mrs. William Heckman, and the following children: Mrs. R. F. Lawrence, of Detroit, Mich.; Dr. J. Herbert Waite, of Boston, Mass.; Mrs. P. Dougherty, of Williamsport, and Miss Marie Waite, of Chicago, Ill. He also leaves the following brothers and sisters: Darius and Miss Ella Waite, of Bellefonte; Mrs. Mary Stevens and Mrs. Annie Forney, of Kenmore; Wilbur Waite, of Halfmoon township; Miss Sarah Waite, of Scottsdale; Miss Laura Waite, of Piedmont, Ga.; Harry, of Phoenix, Arizona, and Edward, of Hazleton.

Funeral services will be held in the Lutheran church at Madisonburg at 9 o'clock this morning by Rev. E. N. Fry, burial to be made at Boalsburg.

**HEVERLY.**—Miss Margaret Belle Heverly, youngest daughter of Alfred J. and Claire Heverly, passed away at the home of her parents, on east Howard street, at 1:25 o'clock on Tuesday morning, as the result of a heart attack. On Tuesday of last week she underwent an operation for the removal of her tonsils at the Centre County hospital. Before she was able to leave the hospital she developed a severe attack of intestinal flu which affected her heart. On Monday her condition was so serious that her parents took her home. Shortly after one o'clock Tuesday morning she suffered a heart attack and passed away within a few minutes.

She was born in Bellefonte on December 18th, 1913, hence was 16 years, 7 months and 25 days old. She was unusually bright and had she lived would have entered her senior year in the High school in September. A girl of lovely disposition she had a host of friends among her school mates as well as the young people of the town generally. In addition to her parents she is survived by two sisters and two brothers, Mrs. Helen Mahan, of Lancaster; Miss Anna, Richard and Robert, all at home.

Funeral services were held in St. John's Catholic church, of which she was a member, at ten o'clock yesterday morning, by Rev. Downes, burial being made in the Catholic cemetery.

**MCDERMOTT.**—Miss Josephine McDermott died at her home in this place at 11 o'clock Wednesday morning. She had been in declining health for a year or more and died from exhaustion.

She was a daughter of John and Bridget McDermott, well known residents of Bellefonte half a century ago, and was the last but three of their ten children to survive. She was an amiable, unobtrusive person who had many friends among the older residents of the town and to them her passing is another broken link in the chain of memories of the Bellefonte of yesteryear.

Her survivors are two brothers and a sister: James, of Bellefonte; Mrs. Mary Harris, of Philadelphia; and John, of Bellefonte.

Requiem mass will be celebrated in St. John's Catholic church tomorrow morning at 10 o'clock and interment made in the Catholic cemetery.

She married Mr. Nulton in 1919 and he survives with one son, Fred. She also leaves her father and the following brothers and sisters: Mrs. Floyd Davis and Mrs. John Dewey, of Bellefonte; Merle E. Lucas, of Packwood, Iowa; Ellery, of Snow Shoe; Ray, of Runville; Mrs. H. Mogle, of Tyrone; Mrs. Iva Lucas, of Runville; Melvin, of Akron, Ohio; Donald, of Runville, and Vincent, of Bellefonte.

Funeral services were held in the United Brethren church, Tyrone, of which she was a member, at 10:30 o'clock Wednesday morning, burial being made in Tyrone.

**ROBB.**—Dr. George D. Robb, a native of Centre county, for 37 years principal of the Altoona High school and widely recognized as one of the leading educators in the State, died at his home in Altoona, at 6 o'clock on Wednesday morning, as the result of a heart attack. He became ill on Monday evening and it was evident at once that the attack was likely to prove fatal.

He was a son of Peter and Anna Mary Gath Robb and was born on a farm, near Howard on June 16th, 1866, hence was past 64 years of age. He was educated in the public schools at Howard and while yet in his teens taught a Howard township school. After teaching several years he took a course at Myerstown then entered Franklin and Marshall college. He graduated in 1891 and for two years taught in the Williamsport High school. In 1893 he was elected principal of the Altoona High school, a position he filled until the close of the term last June when he was placed on the retired list.

In 1897 Dr. Robb married Miss Cora May Kline, of Howard, who survives with one son, Eugene W. K. Robb, supervising principal of the schools at Bedford. He was the last of his generation, three brothers and a sister preceding him to the grave. The funeral will be held on Saturday morning at 10 o'clock at the residence and will be strictly private. Interment will be made in the family burial plot at Howard, Pa., Saturday afternoon and will like wise be strictly private.

**RESIDES.**—William H. Resides, a veteran freight conductor on the Pennsylvania railroad, died at his home in Altoona, on Wednesday morning of last week, following an illness of two years with a complication of diseases.

As a young man he entered the employ of the Pennsylvania Railroad company as a freight brakeman, was later promoted to conductor and after forty years of service was retired last June. He married Miss Alice Marks, who died seven years ago, and his only survivor is one daughter, Marjorie LaRue Resides.

He was a member of the United Brethren church, of Tyrone, and the pastor had charge of the funeral services which were held on Friday afternoon, burial being made in the Grandview cemetery.

## NEXT WEDNESDAY WILL BE EVENTFUL IN ALTOONA

The Altoona Booster Stores are planning to hold one of their quarterly dollar days on Wednesday, August 20, and as will be seen by a perusal of their advertisement appearing on page 5 of this issue, Booster merchants are planning to offer exceptionally good values for the event.

Our readers know from the Booster Stores' advertisements that appear from week to week that Wednesday is always observed in Altoona Booster Stores as suburban day. Next Wednesday, August 20, suburban day will be combined with the Booster Stores quarterly dollar day making a double trade event that will prove of great interest to all homes as it will afford many opportunities for buying useful and seasonable merchandise at less than regular prices.

Altoona Booster Stores always urge people to first patronize their home merchants. Even in a sale of this character they only want people to buy from them the things that their home merchants cannot supply to equal advantage.

As a special feature of the dollar day sale, in Altoona, city officials are cooperating with the Booster merchants by lifting all parking restrictions so that visitors can park their cars in the business district for as long a period as is necessary to enable them to do their shopping.

All people throughout Central Pennsylvania are invited to visit Altoona and share in the good values that Booster Stores will offer for this summer trade event.

There will be a worthwhile musical program broadcast over station W. F. B. G. at 7:15 o'clock Tuesday, August 19, eastern standard time. This is a special feature of the Booster Stores' dollar day and a splendid program of high class musical numbers has been prepared for those who will tune in at this time.

## M. B. RICH KILLED IN

### AUTOMOBILE ACCIDENT.

Michael Bond Rich, probably the leading citizen of Woolrich, Clinton county, was injured so badly in an automobile accident, about six o'clock last Friday evening, that he died while being taken to the Jersey Shore hospital. Rich was on his way home from Williamsport and at a point near Jersey Shore he lost control of his car which crashed into one of the pillars of an iron bridge over Pine creek, rebounded and struck a telephone pole and finally landed on its wheels at the foot of a steep embankment.

The force of the impact broke the steering wheel and Rich was thrown against it with such force that his breast bone was crushed and his spine fractured. He also sustained a fracture of the skull, both legs broken and a punctured lung.

He was born at Woolrich on April 30th, 1855, hence was in his 76th year. He graduated at Dickinson Seminary in 1876, and at once entered the woolen mills then being conducted by his father. It was largely through his progressive methods that the town of Woolrich has been made one of the most beautiful in Pennsylvania.

In addition to his business interests Mr. Rich was active in the Methodist Episcopal church. He had served as president of the board of trustees of Dickinson Seminary, was president of the board of the home for the aged, at Tyrone, and for fifteen years had been president of the board of trustees of Lock Haven teachers' college. He also served two terms in the State Legislature, from 1915 to 1919.

He married Miss Ida Belle Shaw who survives with six children. Burial was made at Woolrich on Monday afternoon.

## OSCEOLA MAN KILLED

### WHEN HIT BY TRUCK.

John Preston, 45 years old, was instantly killed, on Sunday evening, when he was hit by a Ford truck driven by Albert Kessler, of Lebanon, a member of the State highway crew working between Sandy Ridge and Phillipsburg. The accident occurred in Clearfield county, just outside of Osceola on the road leading to Houtzdale.

Preston was walking on the road and, it is claimed, stepped in front of the auto. He was struck by the right fender, thrown into the air and hurled through the windshield. His skull was fractured, one leg broken and he sustained a number of cuts and body bruises. Kessler was arrested and is being held for involuntary manslaughter. Preston was unmarried but is survived by his mother and three sisters.

—The recently organized State College Rifle Club has been granted a charter by the National Rifle Asso. There are now more than two thousand clubs in the national organization and the State College club will probably soon be scheduled for a medal shoot with one of the nearby affiliated organizations.

—Miss Iva Irvin, of Fleming, was taken to the Altoona hospital, Sunday afternoon, suffering with a possible fracture of the skull and other injuries sustained when a motorcycle on which she was riding skidded and she was hurled from her seat onto the roadway.

## BIG UNDINE FAIR.

### NOW IN FULL BLAST.

The big annual fair of the Undine Fire company, on the lot in the rear of the company's building, on Bishop street, opened with a blare of trumpets on Wednesday night. Wetzler's Boys band did the blowing and that was sufficient to attract an unusually large crowd.

The fair will continue through this evening and to-morrow night and the special features provided by the Undines are proving splendid attractions in drawing a crowd. The performance of Madamoselle Elsie Ramsey, of the Ramsey troupe, is worth seeing, while Prof. Bailey, the slack wire artist and juggler, draws a big crowd at every performance.

On a specially erected platform stands a new Austin coupe which the firemen will give away tomorrow evening. While the car looks like the offspring of a regular sized car it has everything needful for comfortable and speedy travel. If you have not yet been at the fair you will be amused and entertained by a visit to the grounds tonight.
