Democratic Matchman.

Bellefonte, Pa., August 15, 1930.

NEWS ABOUT TOWN AND COUNTY.

-During the past two years the State has come into possession of 34,161 acres of forest land in Centre county. The average price paid per acre was \$2.75.

-There was quite a heavy frost near Mackeyville, in Nittany valley, on Wednesday morning. It is reported that frost also fell in parts of Penns Valley. A gentleman from Snow Shoe told us that they had a regular freeze out there, but no one cared much because all the crops had already been rendered hopeless by the drouth.

-Glenn Glasgow, thirteen year old son of Mr. and Mrs. Robert Glasgow, of Buffalo Run, is in the Centre County hospital with a slight puncture of the lung, inflicted when the prongs of a pitchfork slipped from the handle while his brother hibits. was pitching oats and struck the boy in the chest. His condition is not regarded as critical.

The tend this play.

-The damage case of Mr. and house. Mrs. Harvey Schaeffer against the borough of Bellefonte and the Cen-May term of court the jury gave the plaintiffs a verdict of \$1960.75.

-M. C. Bittings, of Jersey Shore, has been awarded a contract to install an aerating pumping system at the Bellefonte fish hatchery, at Pleasant Gap. While the water supply at the hatchery is ample for all purposes, according to superintendent Sorenson, it is deficient in air and the new pumping system is designed to supply air to the water in the various ponds through an intricate system of pipes.
