FIFTY YEARS AGO IN CENTRE COUNTY.

Items from the Watchman issue of September 10, 1880.

The Democrats of Philipsburg and vicinity had a most enthusiastic time at the poll raising in that place last evening. The pole, one hundred and twenty-five feet high, is a fine specimen of hickory and it was planted amid shouts and cheers in front of the Hancock and English club room. The Philipsburg band furnished the music for the occasion and speeches were made by J. Frank Snyder Esq., of Clearfield; Ex.Governor Curtin, Gen. A. L. Pearson, of Pittsburgh, and Hon. C. T. Alex-

"Road to Mandalay," "Tell It to the Marines," " He Who Gets Slapped," "Laugh, Clown, Laugh," "While the City Sleeps" and "West of Zanzibar."

Appearing in many cripple roles, Chaney used leather harness in which he was strapped so tightly he was able to appear before the camera only at brief intervals.

In many roles Chaney used padding in his mouth to change the shape of his face.

It was this makeup that caused him to believe, for a time, that it would be out of the question for him to make talkies. Chaney was married twenty-two years ago to Hazel Hastings, an ac-
