Vote For Keiser

The State Legislative Board of Pennsylvania, of the Brotherhood of Locomotive Firemen and Engineers, in session in the city of Harrisburg, Pa., Sept. 9th to 13th, unanimously endorsed Clarence A. Keiser of Grampian, Clearfield Co., Pennsylvania, for election to the office of State Senator in the General Assembly on Nov. 4th, 1930.

The State Legislative Board of Pennsylvania, of the Brotherhood of Railroad Trainmen, also have endorsed Keiser as well as several other organizations.

Keiser evidently is right with the working man or he would not have these endorsements. The taxpayers owe it to themselves to elect men to the General Assembly who have the interests of the Common People at heart.

In Clearfield county, on the Democratic Ticket at the primary election, Keiser received 197 Democratic votes and Gingery, the Democratic Nominee, received only 157 Democratic votes, or Keiser carried Clearfield county. A large percentage of Democrats still want Keiser for State Senator in Clearfield county. The Democrats in Centre County should know that Gingery was a member of the General Assembly in 1915 and voted to repeal the Full Crew Bill and also voted to increase the State Police, which was bitterly fought by Labor at that time. Since that time his name has appeared continually on the ballot in Clearfield County, and just as late as last year he took a real wallop for the office of County Treasurer, and there was a Democratic Sheriff elected in Clearfield County. This will show the Democratic Voters of Centre

County just how the Democratic Voters of Clearfield County voted for County Treasurer and Sheriff last year. Every Democrat in Centre County should vote for Keiser.

Senator Harry B. Scott voted in 1917 to suspend the Full Crew Bill. Not recorded as voting on the Semi-monthly pay bill. Voted for the Mansfield Police Bill. Voted for the Musmanno Bill. Voted to increase the gas tax. Voted to repeal the anthracite coal tax. Voted for the Reed Act, which gives the authorities the power to sweep away your home, if you are unable to pay your taxes on account of sickness, unemployment or any other circumstance. Do you think Senator Scott voted for the interests of the 34th Senatorial District when he voted on these bills?

The Reed Act has been declared Un-constitutional. But Senator Scott, according to the folder he has spread over the district, still wants to penalize the taxpayer who is unable to pay his taxes on account of sickness, unemployment or any other circumstance. He writes, in part, that "I have a tentative bill drafted to change the interest rate from one per cent to one half of one per cent per month of the legal rate with more time to pay." Taxpayers don't give Senator Scott an opportunity to introduce this bill. Send Clarence A. Keiser to the State Senate from the 34th Senatorial District. He is a Veteran of the World War. Served in the 79th Division—11 months in France for the preservation of the American Home. The boys from the first drafts in Centre County served with Keiser in the 79th Division, and many of the boys were in the same regiment, the 314th Infantry.
