

Bellefonte, Pa., October 31, 1930.

### FOR THE HALLOWE'EN FEAST

Bernice Claire, movie actress and musical comedy star, plays the new spelling game, "Three Ghosts," as a sure way to forget the weather. "Three or four persons can play

it in the absence of a bigger crowd," Miss Claire explained as she sat sipping iced tea in her room at the William Penn Hotel. "It's the greatest way in the world to improve spelling and it's exciting from beginning to end. Hollywood has passed up bridge and cross-word puzzles to play it.

"Three Ghosts" is played with any number of players. One, the starter, voices a letter. The next must add another letter to spell some word, which for the time is kept a secret. The third player adds still another. So it goes around the circle, back and past the starter, The player forced to end the word is compelled to pay a penalty. The only restriction of words is that they must be good "dictionary English." Any

penalty for "faking" is the same as

yearly ceremony of extinguishing and ure to correctly account, (6) mis-replenishing the altar fire in each representation of state or origin, little village as a protection against evil spirits. To the beaten yolks of three eggs add one cupful sugar and one-fourth teaspoonful Add one cupful of strong coffee and the gelatine and cook in that district. the top of a double-boiler, stirring constantly, until the mixture coats Remove and cool. Whip one cupful of heavy cream and fold into cooled custard with one-half there are free licenses for farmers cupful of chopped pecans. Fill cupcakes, replace tops, and frost with coffee frosting.

Witches' Brew is a Hallowe'en name for hot chocolate or any hot

-All nursery-grown and native plants, trees, shrubs, and evergreens should be watered thoroughly before heavy frost. Rhododendrons, laurel, and other evergreen shrubs tolerant to acid soil should be mulched with oak leaves or pine needles.

#### PRODUCE DEALERS MUST BE LICENSED

The Perishable Agricultural Commodities Act requiring the licensing of commissio merchants, dealers and brokers by the United States Secretary of Agriculture, becomes effective on December 10, 1930, according to the bureau of markets, Pennsylvania Department of Agri-culture. This act is intended to culture. suppress practices in the marketing of fresh fruits and vegetables in interstate or foreign commerce and provides for the licensing of all commission merchants, dealers and brokers, subject to the Act.

Perishable agriculture commodities

as defined in the law, means fresh fruits and fresh vegetables of every kind and character, whether frozen or packed in ice or not. The term ('dealer" applies to any person buying or selling twenty or more carloads per year. A producer selling only commodities raised by himself is eventual from the provisions of is exempted from the provisions of the act. Any person buying for sale at retail less than twenty carloads annually is also exempted. An annual licensing fee of \$100 is provided in the law.

The law states it shall be "unstriction of words is that they must fair conduct" to engage in any of be good "dictionary English." Any the following practices and makes player may be called upon to reveal what word he has in the following practices and makes their use unlawful: (1) fraudulent charges (2) unjustified rejection or failure to deliver, (3) discarding, for ending a word.

February was without a full moon in 1885 and 1915, and from approxi- Twp.; \$1. computations made by the mate Naval observatory there will be no full moon in February 1934 and 1961. Februaries without new moons or either of the other two phases occur at about the same intervals, but, of course, in different years.

## MORTALITY RATE DECREASES

Deaths from all causes showed a decrease in Penna., during the first six months of 1930, the State Department of Health reports.

The mortality records of the department show a death rate of 11.8 per thousand population a year for the six-month period, a decrease of 1.4, compared with the same period last year.

The greatest rate of decrease was uary, an epidemic of influenza resulted in 3,010 deaths, and 2,398 from pneumonia. This year, there only 225 influenza fatalities and 1,001 pneumonia deaths, during

The departmental report showed the compared periods.

GATHERS DATA ON MENTAL PATIENTS

There are approximately 251 mentally ill persons in institutions in Pennsylvania for each 100,000 population in the State, according to a report made public by Mrs. E. S. H. McCauley, state secretary of wel-

The report is based on the estimated number of patients in the institutions on January 1, 1930, and using the population figure for the State of 10,000,000 persons. The estimate for the mentally ill through

The ratio of the number of mentally ill persons to each 100,000 pop-"This is a compulsory inspection, tany in persons to each 130,000 perpendicular provided for in the motor code and authorized by proclamation of the Governor," said S. Edward Gable, president of the motorists' organiza-
