

Democratic Watchman

Bellefonte Pa., November 7, 1930.

NEWS ABOUT TOWN AND COUNTY.

Sunday morning was the coldest of the season, so far, the thermometer being down to twenty above zero.

Collins Shoemaker and Walter Hazel, hunting in the vicinity of Julian, each bagged a wild turkey on Wednesday.

Winter apples were peddled on the streets of Bellefonte, last week, at one dollar the bushel, and purchasers were not very plentiful at that.

The official count of the votes cast in Centre county was made yesterday afternoon but was not completed when the Watchman went to press.

The Gephart property, on Linn street, together with the household goods, will be disposed of at public sale this afternoon. The sale will start at 12:30 p. m.

King George, of Great Britain, will talk on the radio next Wednesday morning. If you are up at 6:58 a. m. tune in on WJZ or WABC and a King will be talking to you.

Wesley Spangler is asking for the patronage of the town in the sale of his Christmas trees, for which he is now taking orders. If Wesley does not see you, make an effort to see him.

The women of the Episcopal church are arranging for a card party to be held in the church parish house on Thursday evening, November 13th, at 8 o'clock. 50 cents admission will be asked.

The regular monthly meeting of the board of directors of the Centre county motor club will be held at the Brickerhoff house this (Friday) evening, at 6:15. The club officers will be elected at this meeting.

The Bellefonte Academy football team will play the last home game of the season on Saturday, November 22nd, with the Temple University freshmen. The Philadelphians are unusually strong this year and it should be an intensely interesting game.

Mrs. J. M. Hartwick, of east Bishop street, entertained fifteen of her friends and neighbors, last Tuesday evening. It was a birthday anniversary celebration for Mr. Hartwick and proved a most enjoyable evening for all who were fortunate enough to be there.

New York state police are making inquiries about a man named George Miller, who was killed in an automobile accident at Pen Yan. He is supposed to have come from Williamsport or some place in Central Pennsylvania. Any information regarding the man or his family should be sent to Capt. Stephen McGrath, Troop D, New York State police.

The re-enrollment of the members of Pennsylvania American Legion Auxiliary for 1931 will be conducted during the week of November 4 to 11, according to a call issued by Mrs. Thomas Meany, department president. The department plans to have all of its 1930 members re-enrolled for the new year by Armistice day, November 11, Mrs. Meany said. New members will also be received during the week.

When the locomotive of a freight train picked a siding switch near the Millsburg station, between one and two o'clock Wednesday afternoon, it blocked traffic of all kinds up and down Bald Eagle valley. The freight was a long one and cars buckled at several places, not only closing the railroad but the state highway, as well, so that automobiles could not get through. The result was the highway was congested with several hundred cars until the road was finally opened shortly after six o'clock in the evening.

On Thursday, January 29, under the auspices of the Woman's Club of Bellefonte, Miss Irene Bewley, born in the country of Sergeant Albin Yorkie, will present "Tales of Tennessee Hills." The Dallas (Texas) News said of Miss Bewley: "For two hours Irene Bewley held her audience in a spell of enchantment. With only a chair as 'props,' she created the atmosphere of a cabin room with its wooden shutter for a window, the crude household furnishings and the gun resting on its pegs." Details will be published later. Remember the date.

Fire of unknown origin, on Tuesday morning, partially destroyed one of the old buildings of the defunct Central Railroad of Pennsylvania, down at the fair grounds, last used as a machine shop by the American Lime & Stone company, and in which the company had stored a quantity of material. As no work had been done at the building for some months the only explanation of the fire is that some one in the building threw down a lighted match or cigarette stub. Bellefonte firemen saved the building from total destruction. The loss is estimated at \$2,000, with \$1,500 insurance. High voltage lines of the West Penn Power company were damaged to some extent.

THREE MOTOR ACCIDENTS ONE MAN KILLED AND DRIVER HELD FOR COURT.

Richard J. Matthews, aged about fifty years, a well known floor contractor of Altoona, died at the Centre County hospital, at 9:42 o'clock on Monday morning, as the result of injuries sustained in an auto accident on Nittany mountain about 6:30 o'clock on Sunday evening.

On Sunday morning Mr. and Mrs. Matthews drove here to visit their son-in-law and daughter, Mr. and Mrs. Charles Thompson, who live in Petriken hall. Late in the afternoon they took a drive to the top of Nittany mountain and returning came to two cars wrecked at the junction of the Greensvalley road with the State highway. The cars were a Lincoln owned and operated by Reuben F. Welty, of Bellefonte, and a Chrysler, the property of Rufus B. Owens, of Lewistown. Mr. and Mrs. Welty and S. D. Gettig, Esq., had driven up the mountain and were in the act of turning into the Greensvalley road when the rear end of their car was hit by the Chrysler coming down the mountain. Both cars were considerably damaged but no one was injured. With Owens in his car was Floyd H. Horner, of Pleasant Gap.

The accident happened shortly before five o'clock and naturally motorists along the highway stopped to render aid, among them Mr. Matthews and his party.

The State highway patrol was notified of the first accident and Sgt. A. G. Miller and patrolman J. R. Turner went to the mountain top to make the investigation. Along in the neighborhood of 6:30 o'clock a car was seen coming up the mountain at high speed and before it reached the wreck it side-swiped another car driven by Robert Noll, of State College. This caused the car to swerve and zigzag across the road and patrolman Turner called to the people standing around to get out of the way. But they did not have time and the oncoming car crashed into the crowd, head on against the wrecked Chrysler. Matthews was caught between the two cars and the upper portion of his body pushed back on the hood of the Chrysler car. Both Owens and Horner were also hit and knocked down. The car that hit the crowd was a Ford coupe driven by Harry Ruhl, of Lewistown, formerly of Bellefonte, who had his wife with him.

As soon as the Ruhl car stopped the injured men were picked up and rushed to the Centre County hospital. There it was found that both of Matthews' legs were broken about midway between the knee and ankle, his right arm fractured, head injured and a number of bruises and contusions. Owens and Horner escaped without any broken bones but both suffered head injuries and cuts and bruises. Matthews regained consciousness after reaching the hospital and remained so up until five minutes before he died.

An inquest was held at ten o'clock Monday night. Charles McClellan and patrolman Turner told of the accident and estimated that Ruhl was driving forty miles an hour. They also stated that they smelled liquor on his breath. Dr. R. T. Noll also told of the accident and that Ruhl was driving very fast and did not seem to have control of his car.

In his own defense Ruhl denied that he had a drink of liquor, admitted side-swiping the Noll car but explained that incident by stating that Noll was too far to his side of the road, then contended that he lost control of his car and when he attempted to step on the brake lever his foot slipped and went onto the accelerator.

After viewing the body and mature deliberation the jury composed of Nevin Sharer, Leonard Wentzel, W. F. Clevenstone, W. D. Shaffer, E. C. Lutz and G. W. Smith returned as their verdict that they found Ruhl guilty of reckless and negligent driving, which was the verdict returned by Dr. W. R. Heaton, coroner. Consequently Mr. Ruhl will have to stand trial in the Centre County court.

ACCIDENT SATURDAY NIGHT.

On Saturday night Edmund Poorman, of Bellefonte, and W. O. Sinclair, of Woodward, were painfully injured in an auto accident at the intersection of Bishop and Allegheny streets, Bellefonte, when their car collided with one driven by Ernest Tate who had with him Fred Loveland, Tate and Loveland came down Bishop street and had just turned the corner to go up the hill to Logan street when they crashed into the Poorman car coming down the hill. Both Poorman and Sinclair were taken to the hospital. Tate and Loveland escaped with cuts and bruises.

ALLEGHENY MOUNTAIN ACCIDENT. Between nine and ten o'clock, on Monday morning, Paul Winters, 21 years old, of Rebersburg, driver of one of the State Highway trucks in Bellefonte, was coming down the Allegheny mountain when his truck got away from him. He ran it into the mountain at the upper side of the road when the truck struck an old snow plow, overturned and rolled down the mountain carrying the driver with it. He was brought to the Centre County hospital where his condition is not considered serious. All the other accident victims are getting along as well as can be expected.

REFORMED CLASSIS HELD AT LOCK HAVEN.

The fall meeting of the West-Susquehanna Classis of the Reformed church, Lock Haven, on Monday and Tuesday of last week. The officers of the Classis are: President, Rev. Irvin L. Ditzler, West Milton; vice president, Elder Bickel B. Huntington, West Milton; stated clerk, Rev. H. H. Rupp, Lewisburg; corresponding secretary, Rev. A. S. Asendorf, State College; reading clerk, Rev. Herbert B. Zechman, New Berlin; treasurer, Elder David K. Keller, Centre Hall.

The forty or more delegates present were entertained in the homes of members of the church. The most important matter brought before the meeting was that of apportionment. Much stress was laid on raising the full amount asked by the General Synod. The new method of laying the apportionment for the ensuing year was adopted, Rev. F. A. Rupley, D. D., of Lewistown, presented the report of the missionary and stewardship committee.

Ministerial relief was presented by Rev. Robert Thoma, of Bellefonte. The discussion on aid to ministers and their widows revealed the fact that this Classis has not responded to the appeal to any degree.

Rev. William C. Rittenhouse reported for the benevolent institutions. A splendid report on both home and foreign missions was read by Rev. R. D. Custer, of Milliflinburg. This pastor also reported on Christian education. A special effort will be made this year by a committee, of which Rev. Custer is chairman, to advance the work of the Sunday schools. Rev. Harry H. Rupp, of Lewisburg, presented a report on reconstruction involving the White Deer and Montgomery charges.

The work of the layman's league was presented by elder David K. Keller, of Centre Hall, urging the formation of such bodies in each congregation.

A very comprehensive report of social service was presented by Rev. G. A. Fred Griesing, of Aaronsburg, touching upon unemployment, charity, prohibition, etc.

Rev. E. G. Kline, of Selingsgrove, reported on finances and Rev. William E. Harr, of Lock Haven, on the press.

On Monday evening, Rev. F. A. Rupley preached on "The Stewardship Mind," and Revs. D. R. Keener and R. D. Custer followed with pertinent remarks on the subject. Prof. Fred Wentzel addressed conference on the Sunay school board and Rev. William F. DeLong on the home mission board.

A resolution was passed urging every member to stand firm in the matter of keeping the Eighteenth amendment in the constitution.

CENTRE LODGE I. O. O. F. HAS ENJOYABLE EVENING.

Centre Lodge met in regular session Thursday evening with an unusually large attendance. Many new faces including several visiting brothers were in evidence. After the business of the evening had been disposed of Past Grand Willis Wion presented a program which was enthusiastically received. Irvin Martin, accompanied by Mr. Schaeckler at the piano, rendered selections on the musical saw and sang several request numbers and received the applause and admiration of those present.

Next was presented Joseph and Louise Trammel, who, by their singing and harmonica playing, showed real ability as entertainers.

The next attraction was "Vic" Auman in a costume sketch who by humorous selections and "wisecracks" brought gales of laughter from his hearers. Mass singing, with and without harmony, was then perpetrated and while not having a huge amount of technique the crowd showed great willingness and made up in vigor what it lacked otherwise. Any way all enjoyed themselves and as that was the object of the program and from the encores and repeats demanded of the entertainers, the increased attendance and the justice done the "eats" served by the refreshment committee Centre Lodge feels that beyond a doubt "a good time was had by all."

Arrangements have been completed for a series of card parties to be held by Centre Lodge in their quarters, the first of which is announced for Thursday evening, November 20th.

STATE COLLEGE CHEMIST CALLED TO WHITE HOUSE.

Professor R. Adams Dutcher, head of the department of agricultural and biological chemistry at the Pennsylvania State College, has been invited to attend the White House Conference on Child Health and Protection at Washington, November 19 to 22. Professor Dutcher is a member of the sub-committee on growth and development.

Studies and recommendations of 1200 authorities engaged for the past year in gathering data will be presented. A total of 140 reports have been condensed into 18 summaries of 10,000 words each. Material received at headquarters show that rural children have an advantage of physical development, although city children enjoy superior advantages in disease prevention and educational opportunities.

IMPORTANT NOTICE

This issue of the Watchman is mailed to you with our corrected list.

Will those who have recently remitted for subscription please look at the label and notify us if proper credit has not been given for such remittance.

We have been very careful to "check and double check" all remittances, but notwithstanding our most earnest efforts to get everything right there might be some errors that have eluded detection. It is easier to correct such now than later, after the records have been filed away. So we would be pleased if all our readers would comply with this request.

DAIRYMEN'S LEAGUE WANTS MILK SHIPPING STATION.

Every member but one was at the regular meeting of borough council, on Monday evening. C. F. Tate, who has the contract for laying the new water line from the borough main, on east Bishop street, to the new army, was present and requested a written permit to tap the main. In this connection the Water committee reported that a peculiar situation has developed among water users in that section. There is 846 feet of a private 4-inch line extending out the state highway from the borough line, but the State is opposed to tapping a private line and residents in that section are anxious to have it done as it will give them fresher water. As an inducement to make the tap on the end of the line the owners have agreed to give it to the borough but borough council is not sure they can accept it. The matter was finally referred to the Water committee and borough solicitor.

The Street committee reported various repairs and receipt of \$75.00 for a sewer permit from C. G. Decker for a new house he proposes erecting on east Linn street.

The Water committee reported laying 125 feet of 1-inch water line on Ridge street and repairing 6-inch line in Claster's lumber yard. Also the collection of \$825 on water taxes.

The committee also reported that the Dairyman's League, which last spring was anxious to locate a milk shipping station in Bellefonte, had later built a station at Mill Hall, but the managers are still desirous of trying out Bellefonte as a shipping point. They have two service cars equipped as a temporary station and want permission to locate them on the end of the spur running in to the Phoenix mill, and also permission to use the driveway around the mill. The matter was referred to the committee for report at next meeting of council.

The Finance committee reported a balance in the borough fund of \$2190.03 and the water fund \$100.70. One note of \$2500 was ordered paid, another for \$800 will be paid on November 7th and notes for \$4,000 were renewed. A new note for \$1500 was authorized for the water department.

The Fire and Police committee asked about compensation for policeman Howley, who was injured some months ago when he attempted to make an arrest, and secretary Kelly stated that the papers had never been properly made out because Mr. Howley had failed to give him all the information needed.

The Sanitary committee presented the report of health officer S. M. Nissley which showed that there has not been a case of contagious or communicable disease in Bellefonte during the past month. Borough bills totalling \$738.98 and water bills \$1376.65 were approved for payment, after which council adjourned.

YOUTHFUL HALLOWE'ENERS DESTROY PROPERTY.

A number of farmers in the neighborhood of Zion and Hecla Park are seriously considering the arrest of a number of young men in that section who overstepped the boundary line of good judgment in their zeal for celebrating Halloween and perpetrated tricks that resulted in considerable damage to the property of a number of farmers. In one instance a farmer's wagon was transported some four miles from home, torn apart and scattered to the four corners of a school house yard. To gather the different parts together and repair the broken parts cost the farmer about \$20. Another farmer's wagon was transported several miles from home and partially dismantled, but so far as could be learned, was not much damaged.

Gates were removed and carried away. Corn shocks were carried from the field onto the state highway, torn apart and scattered broadcast. The young men who participated in the destructive sport are known and the farmers whose property was taken and damaged have not yet fully decided what action to take. The guilty young men might save themselves a lot of trouble and expense by at least paying for the damage done.

In Bellefonte the smaller boys carried away a few articles from houses but in general Halloween was unusually quiet. There was very little throwing of corn and not much soaping of windows. A number of boys and girls paraded the streets in costume but as a general thing they behaved very decently.

Partial plans were made before leaving for a visit with the Charles F. Hewes family, in Erie, before their return to Bellefonte.

WILLIAM A. MAGEE DIES IN PHILADELPHIA.

William A. Magee, a native of Bellefonte, died at the Pennsylvania hospital, Philadelphia, at 4 o'clock yesterday morning, as the result of injuries sustained when he was run down by an automobile on the streets of Philadelphia last Saturday. Mr. Magee's home was at Wenonah, N. J., but for years he has held a position in the customs house, Philadelphia. After being knocked down, on Saturday, he laid on the street two hours before being found and taken to the hospital. He did not regain consciousness until Monday and then it was believed he had a chance to recover.

Mr. Magee was a son of Mr. and Mrs. R. M. Magee and was born in Bellefonte 54 years ago. His childhood life was spent here but he went to Philadelphia about forty years ago. He married Miss Lelia Huyet, daughter of E. M. Huyet, of Centre Hall who survives with three children. He also leaves two brothers, Boyd and Forrest, both of Philadelphia.

LIFE TERMER BROUGHT BACK TO ROCKVIEW.

Frank Borges, of Indiana county, serving a life term for murder, was brought back to Rockview penitentiary from the Fairview hospital for the insane, last Friday. Borges was convicted of first degree murder sixteen years ago and sentenced to imprisonment for life in the western penitentiary. After serving several years in the institution at Pittsburgh, and being to all intents and purposes a model prisoner, he was transferred to Rockview.

Several years ago he suddenly developed a decided streak of insanity and was taken to the Fairview hospital, at Allentown. He has now recovered his mental balance and has been pronounced entirely sane, which resulted in his being returned to Rockview.

STATE COLLEGE VOTED FOR NEW BOND ISSUE.

At Tuesday's election residents of State College voted on a proposed new bond issue of \$110,000 for the erection of a new high school building and the same passed by a vote of 1099 to 359. In the East Division there were 551 votes for the issue to 172 against it, and the vote in the West Division was 548 for to 179 against.

Walker township's proposed bond issue of \$34,000 for the erection of a new consolidated school building at Huhersburg was defeated.

The grand jury convened on Wednesday morning of this week and as they will have forty-five bills of indictment to consider they will not finish their work before this evening or tomorrow.
