in that place, delivered a very exaddress in the Methodist church there last Sunday night. It created quite a sensation because the gentleman didn't mince words when he touched on the inconsistency of some of his hearers who are temperance folks in church and something else elsewhere. Mr. Taylor spoke the truth, but it was an unpleasant situation for some who were there.

### TETAN METAL COMPANY TO ENLARGE PLANT.

The Titan Metal company broke ground this week for a new building 200x60 feet in size, the construction of which will, to some extent, relieve the unemployment situation. The building will be mostly steel and concrete and the estimated cost is \$35,000.

Claster & Son are also arranging to erect a new lumber storage building on the ground used by the Beatty Motor company as a storage space for second hand cars. This building will be 100x50 feet in size.

One or two other propositions are also being considered to help relieve the unemployment situation.

-Manager W. H. Brown's monthly report for the Centre County hospital shows that 90 patients were admitted during the month of October and the number of patient days for the month was 1195.
