Before the next issue of the Watchman reaches its readers many of the deer hunters will be on their way to the woods for the opening of the deer hunting season on December 1st. Naturally every hunter will go forth strong in the belief that this will be his lucky year. In some portions of Centre county deer are reported quite plentiful, while in other sections old woodsmen aver that there are not any ways near as many now as there were before the slaughter of does two years ago. Of course there are still enough of the feet-footed animals in the woods to make interesting sport, even if the kill don't happen to be as large as in some former years.

BELLEFONTE CARPENTER FALLS TO HIS DEATH.

Falling from the roof of the home of former Judge Arthur C. Dale, on east Linn street, Bellefonte, about 1:30 o'clock last Saturday afternoon, Harry E. Harter, well known Bellefonte carpenter, sustained injuries which resulted in his death, one hour later, at the Centre County hospital.

Mr. Harter was assisting Edward Hepburn repair the roof on the Dale house. They had erected a hoist on the roof and were pulling up the shingles with rope and tackle. Mr. Harter was on the roof and without any warning the hoist gave way. While it is not definitely known what caused him to fall it is believed that he was hit by the pole of the hoist, lost his balance and fell to the ground, a distance of from 25 to 30 feet. He fell on his right side and every rib in his body was fractured, his collar-bone and right leg broken. Internal injuries, however, caused his death. He never regained consciousness from the time of his fall until he passed away.

Harry Edgar Harter was a son of Daniel and Susan Armagast Harter and was born on a farm in Marion township on March 27, 1873, hence was 57 years, 7 months and 19 days old. In his young manhood he learned the trade of a carpenter but later engaged in farming, which he followed most of his life. Several years ago he retired from the farm and moved into a home on Bishop street, Bellefonte, and had since worked at his trade as a carpenter. He was a member of the Bellefonte Methodist church and the Bellefonte Lodge of Odd Fellows.

LEWISTOWN GIRL KILLED IN AUTO ACCIDENT.

A pleasure ride of four young men of Bellefonte and four High school girls of Lewistown came to a tragic end, shortly after twelve o'clock on Saturday night, when their automobile skidded and plunged over a ten foot embankment so seriously injuring one of the girls that she died a few minutes after being removed to the Lewistown hospital. The dead girl was Miss Winifred Yoder, 16 year old daughter of Mr. and Mrs. Ray Yoder.

The party included Robert S. Heverly, son of Mr. and Mrs. A. J. Heverly, of Bellefonte, who was the driver of the car which belongs to his father; David Love, Max Kelly and Jack Miller, all of Bellefonte; Winifred Yoder, Mary N. Middleworth, Louise Bowersox and Elva Foust, of Lewistown.

The young men motored to Lewistown, Saturday evening, and had taken the girls out for an auto ride. They were on their way home and at the west end of Yeagertown, the car skidded on the abandoned trolley rails and plunged over the embankment. In addition to the fatal injuries of the Yoder girl Kelly and Miller sustained severe cuts on the head while the others had only minor cuts and bruises. All of them were taken to the Lewistown hospital but after being treated at the dispensary were discharged.

A coroner's inquest had been called for Monday to determine the liability of the accident but after getting the stories of the young men and girls the coroner decided that the unfortunate accident was not attributable to careless or reckless driving, that it was not necessary to hold an inquest and exonerated the driver of all blame.

FATAL AUTO ACCIDENT ON MOUNTAIN ROAD.

Ronald Horrell, 22 years old, of Huntingdon, was instantly killed in an auto accident on the mountain State highway from Bald Eagle to Philipsburg, at an early hour Friday morning. He was a passenger in a Ford delivery truck owned by the Rother Furniture company, of Tyrone, and driven by George Emeigh, 22 years old. Ward Kelley, 21 years old, of Tyrone, was also an occupant of the truck.

The three young men had attended a dance, near Philipsburg, and were on their way home between one and two o'clock. It is believed that Emeigh, the driver, fell asleep at the wheel and in the neighborhood of the Big Hill bridge the truck left the highway and turned over. All the occupants were pinned beneath the truck. Horrell's death was caused by a fractured skull. Emeigh and Kelly were taken to the Philipsburg State hospital where it was found that they were not critically injured.

The driver of the car failed to stop.

FORMER BELLEFONTE MAN KILLED IN CALIFORNIA.

Word was received in Bellefonte, this week, announcing that James A. Beaver Miller, over thirty years ago a practicing attorney in Bellefonte, had been killed in California, last Thursday, but aside from the fact that his death was the result of an accident no particulars were obtainable.

Mr. Miller was a son of David L. and Annie Miller and was born near Pine Grove Mills over fifty-nine years ago. He came to Bellefonte in the early nineties and entered the law office of Hastings and Reeder. During his residence here, on June 25th, 1894, he married Laura B. SANTA CLAUS PAGEANT FEATURE FOR ALTOONA.

The fact that Christmas is fast approaching is brought very forcibly to the attention of our readers in the large advertisement being used in this issue by the Altoona Booster Association to tell of a wonderful parade and pageant that will be held in Altoona on Friday, November 28, the day after Thanksgiving.

The parade has been arranged in honor of Santa Claus who has sent word to the Altoona merchants that he will come direct to their stores from his North Pole headquarters where he has been busy in his workshop ever since last Christmas making toys for his millions of boys and girls throughout the world.

According to the information sent by the jolly old Saint, he will arrive in Altoona, accompanied by his Santa Claus band, in time to lead the parade that has been arranged in his honor and which will start promptly at 2 o'clock Friday afternoon, November 28.

There will be an interesting group of story book favorites in the parade such as Humpty Dumpty, Cinderella, Aladdin and his Wonderful Lamp, Jack and the Bean-Steak and other interesting story book characters and attendants all dressed in gorgeous costumes just as they are described in the story books.

Santa Claus will also have in his parade an Eskimo band dressed just like the people with whom Santa lives throughout the year at the North Pole.

AN INVITATION FROM SANTA CLAUS. Santa Claus sends a special invitation to all children as well as their parents to go to Altoona and see him and his wonderful parade.

He wants all boys and girls to take their letters to him and his couriers will gather them up along the route. This is important as this arrangement will insure the letters going direct to Santa Claus for his attention.

The management of the Altoona Booster Association assures us that this will be the best and most colorful Santa Claus pageant that has ever been held in this section and one that every child should see.

OPENING CHRISTMAS SHOPPING SEASON. The Altoona stores will inaugurate the opening of the Christmas Shopping Season on the same day that the Santa Claus parade is held, Friday, November 28.

This will be the time when the stores will have their complete display of Christmas gift merchandise ready for inspection. The suggestion made by Altoona merchants to their out-of-town friends "to trade in their home stores first but to come to Altoona Booster Stores for the things their home merchants cannot supply," pertains to Christmas gift buying, the same as to other merchandise.

THANKSGIVING DAY SERVICE AND OFFERING.

A community religious service has been planned for Thanksgiving day, November 27th, under the auspices of the Ministerial Association of Bellefonte. This service will be held in St. John's Reformed church at ten o'clock in the morning. The sermon will be preached by the Rev. A. Ward Campbell, pastor of the Evangelical church. The music will be rendered by the choir and organist of the Reformed church. Rev. Robert Thena, pastor of the Reformed church, will be assisted in the service by the various pastors of the community.

It has been the custom of the Ministerial Association to receive an offering at this service for the benefit of the Centre County hospital. It is realized, however, that the hospital will be compelled to do a great deal of free service this winter on account of conditions prevalent throughout the country. To meet this increased demand it has been thought well to enlarge the scope of the privilege of giving on this occasion from those who attend the Thanksgiving Day service to the entire community. Envelopes are being prepared and will be distributed to the homes of Bellefonte by the Boy Scouts.

Inasmuch as the spirit of Thanksgiving day is the spirit of sharing with those less fortunate, every family of Bellefonte is requested to make an offering through the envelope for this most worthy cause. Those who cannot go to the service are asked to send their contribution through some one else or take or send the envelope to the church of their choice during the week or on the following Sunday.

Friend D. E. Snyder, of Boalsburg, was a Bellefonte visitor Wednesday and when we asked him what he was doing in town he replied: "Just loafing." Since that was all he was doing we did not feel that it was an imposition to take enough of his time for a pleasant little chat. Naturally we got to talking about the scarcity of water and Mr. Snyder said that the effect of Monday's rain was very noticeable on the grain fields over his way. He also commented on the freakishness of the rainfall in Centre county this fall; how precipitation has been confined to just certain little sections here and there over the county. When we asked him whether he intends going hunting we got an answer that knocked us for a goal. Imagine it? He said: "No, I've quit deer hunting. There are too many of them and it's too easy to get them. There's no sport in hunting when all one has to do is walk out into the woods most anywhere and knock one over."
