The condition of Mrs. A. Hibler, who has been ill at the home of her brother, Charles Osmer, on east Bishop street, since early in the summer, is not improving as rapidly as her friends would wish. Mrs. Hibler's illness is the aftermath of an attack of the flu.

A little daughter, the third child, was born to Mr. and Mrs. A. T. Barclay, of Galveston, Texas, last Thursday, December 4. She will be christened Anne Harvey. Mrs. Barclay will be remembered by Bellefonte friends as the former Miss Emelyn Cooper of this place.

By way of helping along with the project of relieving unemployment the Bell Telephone Co. has just announced that it plans spending \$35,000,000 in Pennsylvania during 1931. This vast sum of money will go for new work, that is, for extensions and improvements in plants and service. \$5,570,000 has been allocated for our own district right here in Central Pennsylvania. That ought to help some.

Mrs. Clyde Barger, of Moshannon, was seriously injured in an auto accident on the Snow Shoe mountain, Saturday afternoon. She was one of six passengers being brought to Bellefonte by Alfred Barger, of Niagara Falls, to do some Christmas shopping. Near the foot of the mountain the car skidded into the bank at the side of the road and Mrs. Barger was crushed against the side of the car. She was brought to the Centre County hospital where it was found that she had sustained a fractured pelvic bone and leg.

The Williamsport High school football team won the central Pennsylvania conference championship, on Saturday, by defeating Johnstown High 24 to 9, on the Williamsport field several inches deep with mud and slush. Five thousand fans turned out to see the battle of the young stalwarts. While Williamsport was the final winner Johnstown had the better of the game until the third quarter, when the Flood city players weakened under the strain of the much heavier Lumber city lads. In the nine conference tilts eastern teams have won seven, while the western won one and tied one.

C. H. Buckius, a district engineer in the State Highway Department, at Harrisburg, was the principal speaker at the Kiwanis club luncheon, at the Penn Belle, on Tuesday. Naturally his talk was along the line of highway work and he expressed the belief that Governor Pinchot will be able to improve 20,000 miles of country roads during his administration, if he gets the money to do it, but that's the joker. Mr. Buckius, by the way, has traveled far in the Department since the day he rolled a peanut with a pike pole from the Diamond to the depot in this place to pay an election bet.

ASSOCIATION FORMED TO DISPENSE CHARITIES.

All Relief to be Co-ordinated to Prevent Overlapping.

Sixty-five residents of Bellefonte, representing various clubs, organizations and churches, met in the court house, Monday evening, for the purpose of forming an association to control and dispense all relief that may be asked for or necessary during the winter. The meeting was opened with an invocation by Rev. Robert Thena.

On motion of John Blanchard Samuel M. Shallcross was chosen to preside and Miss Helene Williams was elected secretary.

Burgess Hard P. Harris stated that the object of the meeting was to form an association to dispense any and all relief that may be necessary during the winter. Heretofore the various clubs, churches, etc., gave out baskets at Christmas and there were a number of cases where families got as high as four baskets while others just as deserving got none. With one directing organization all such giving can be co-ordinated which will prevent overlapping and at the same time give relief to all deserving cases. He stated that on Sunday he had received two appeals for help, one from a family of ten.

Mr. Blanchard endorsed Burgess Harris' suggestions for forming an organization.

Mrs. W. Harrison Walker, representing the Bellefonte branch of the Woman's Guild, stated that they had various made-up articles of clothing and will co-operate to the best of their ability.

Cecil Walker, representing the Elks lodge, pledged co-operation.

Mrs. Roy Wilkinson stated that the Woman's club is heartily in favor of the movement.

L. C. Heineman, Y. M. C. A. secretary, stated that while the association has no charity fund he will do all he can personally. He stated that during the past week he had gone out and solicited gifts of clothing for six wayfarers who had been in Bellefonte. He didn't know whether they were all worthy cases or not, but he did know they were needy ones.

George Hazel pledged the support of the Kiwanis club and Mrs. John S. Walker, secretary of the Mothers' Assistance Fund, stated that they did not have the handling of any money but she knew of three mothers in Bellefonte who ought to have some assistance.

Rev. Thena pledged support of the Reformed church and M. R. Johnson spoke for the Methodist congregation.

Rev. Horace Lincoln Jacobs made a motion that the forming of the association be referred to the representatives of the various organizations and churches present.

Burgess Harris stated that the time was limited and the organization should be made at once. Rev. Jacobs' motion was put and carried and Mr. Shallcross then ruled that as all the representatives were present they would proceed at once with the organization.

An association was then formed by the election of the following officers:

President—Samuel M. Shallcross. Secretary—Miss Helene Williams. Treasurer—Miss Mary H. Linn. Executive Committee—Mrs. R. S. Brouse, Miss Daise Keichline, Mrs. Roy Wilkinson, Mrs. W. J. Emerick, Miss Louise Carpeneto, John Sommerville, Burgess Hard P. Harris, George Hazel, Cecil Walker.

The executive committee was empowered to select aids from the various organizations and churches to assist them in their work.

Mr. Blanchard moved that the choice of a name for the association be left to the executive committee as well as the preparation of a constitution and by-laws, and that a majority of the committee shall constitute a quorum for the transaction of business. Motion carried. The executive committee was also empowered to arrange for permanent headquarters for the association, with some one in charge every day.

Mr. Heineman tendered the rooms of the Y. M. C. A. as a meeting place for the committee whenever they so desired.

Cecil Walker stated that the independent football team of Bellefonte has scheduled a game with Lock Haven players to be played in Bellefonte, the proceeds to be turned over to the new association for charitable purposes. The only point at issue being they would like to play the game on Hughes field on Sunday, as a number of the team are working and will have to forfeit a day's pay if they play on Saturday. Several speakers objected to the Sunday game and others stated that they did not believe it a question for the meeting to decide.

JOHN W. HESS VICTIM OF HUNTER'S BULLET.

John W. Hess, of Altoona, locomotive engineer on the Pittsburgh division of the Pennsylvania railroad, is in the Centre County hospital with a bad wound in the upper part of the right leg as the result of an accidental shot from the gun of Dr. Frank Bailey, of Milton, while the men were hunting on Stone mountain, in the Seven mountains, last Thursday.

Both men are members of the Modoc hunting club, which has a permanent camp on Stone creek. The entire party had been out on a drive, Thursday morning, and at nighttime all returned to camp but Mr. Hess and Dr. Bailey, who decided to hunt an hour or two longer. Between two and three o'clock, while descending Stone mountain, with Mr. Hess in the lead, Dr. Bailey slipped on a rock and fell to the ground, his gun striking a rock and being discharged.

With the cry "Why you've shot me," Mr. Hess sank to the ground. Dr. Bailey hurried to the wounded man and found that the bullet had struck him in the upper part of the right leg, near the hip joint, shattering the bone and rendering him entirely helpless. He dressed the wound as well as he could and, as Mr. Hess is quite a large man, experienced considerable difficulty in getting him down the mountain and onto the road. He did not dare leave him alone and it was some time before an automobile came along and he was able to enlist the services of the driver to bring the wounded man to the Centre County hospital, so that it was after six o'clock when they arrived here.

By that time Mr. Hess was suffering considerable pain as well as nervousness from the shock. On Saturday morning an X-ray showed a badly shattered bone in the leg but that no vital spot had been hit. Since then Mr. Hess has been doing as well as can be expected and if no serious developments occur will recover.

Mr. Hess is a native of Harris township, a son of the late Michael and Emma Hess and is 51 years old. He is unmarried and is a brother of Mrs. Harvey Schaeffer, of Bellefonte, Newton E. Hess, of State College, and E. W. Hess, of Boalsburg. He has always been a good hunter and on one or two occasions accompanied his brother, N. E. Hess, on his trips after big game.

Hospital authorities yesterday morning reported Mr. Hess' condition as quite serious, though not admitting it to be critical. So far he has not recovered from the shock as should have been the case in this length of time. He is also suffering considerable pain.

BIRTHS EXCEED DEATHS AT COUNTY HOSPITAL.

During the month of November eleven babies were born at the Centre County hospital, which was four more than the number of deaths, given as seven in manager Brown's report to the board of trustees at their monthly meeting last week.

The number of patients received during the month was 73. Total number of patient days for the month was 1328.

Receipts for the month included \$3069.70 from patients and \$15.37 from the hospital auxiliary. Disbursements for the month were \$4596.83 and the balance on hand December 1st 637.07.

A total of \$142.42 was received by the hospital as the result of Thanksgiving offerings lifted in various churches. Bellefonte churches turned over \$126.11, Boalsburg \$11.21 and Rebersburg \$5.10, all of which is gratefully acknowledged.

"MIN AND BILL," GREAT COMEDY, AT CATHAUM.

"Min and Bill," a picture that blends together roaring, robust comedy, tender pathos, and thrill-packed drama into one fine entertainment, will be the attraction at the Cathaum theatre, State College, on Monday and Tuesday of next week, matinee and evening.

Marie Dressler, who made the world roar with laughter in "Caught Short," "Anna Christie," and "Let Us Be Gay," is funnier than ever in "Min and Bill," and she is capably supported by Wallace Beery, whose role of "Butch," in "The Big House" rates as one of the best characterizations of the year. Rare indeed is the picture that brings together two such popular players.

"Min and Bill" will have you roaring one minute, then hold you tense the next. The story has a dramatic punch that is unusual.

Miss Anne Lucas and Clifford Bickel, two well known young people of this place, were married in Cumberland, Maryland, on Nov. 8th, and are making their home with the groom's mother, Mrs. Dora Bickel, on Lamb street.

open every afternoon from 2 to 5 o'clock and also open on Wednesday evenings. Mrs. W. Harrison Walker will be in charge and will be assisted by other volunteer help.

Anyone who desires to contribute anything to the society, money, food or usable clothing should send it to the room during the hours above mentioned.

DEER HUNTING SEASON WILL END TOMORROW.

Raccoons will be Legal Game for Hunters Until January 15th.

When the sun sets tomorrow evening the legal season for killing deer and all other kinds of game, except raccoons, for the year 1930 will come to an end. According to most of the deer hunters the past two weeks have not yielded as good results as last year, the kill being estimated as considerably smaller. But the number of dead deer that have been hauled through Bellefonte on autos would indicate that quite a number of them had been slaughtered.

Last Saturday's steady downpour of rain and snow drove many of the hunting parties out of the mountains and many auto loads passed through Bellefonte. Most of them had from one to three deer strapped onto the running boards. A good many cars passed through Bellefonte, on Sunday, with deer strapped onto them, and every day since a few cars have gone through with deer, so that take it all together the season cannot be regarded as a failure. While the number of hunting parties who got the limit was not nearly as large as last year, there were a few that did, while quite a number came in with three and four.

The Masonic camp party, of Bellefonte, came in from the Alleghenies, last Saturday afternoon, with three fine bucks and a bear. Luther Smith shot one of the bucks and the bear.

One of the biggest bucks brought into Bellefonte was landed here, on Saturday evening, by Gilbert Noll. It was an 8-pointer, weighed a little over 200 pounds and was brought to earth by Mr. Noll. In the party were Gilbert, Art Shank, Grant Kissing, a Mr. Baird, of Philadelphia, and several others, and they got four deer.

Coleville hunters who camped on Stone run, in the Seven mountains, brought home three deer as the spoils of their week's hunt.

The Hecla Hunting club got four deer over in Sugar valley, two 5-prongs, a 4-prong and a 3-prong. Last Friday Harry Ulrich and son Kenneth, 16 years old, and several friends, went over onto the Brush valley mountains for a day's hunt and Kenneth shot an 8-point buck which weighed 180 pounds. He was the only one in the party to get his deer.

Hunting at the Water Rocks, in the Allegheny mountains, last week, Cyrus Shope, of Bush Hollow, killed a bear which weighed 375 pounds. It was so fat that Mr. Shope rendered four quarts of bear oil from the pads of fat on the hind quarters. Up in the Pine Grove Mills district it is estimated that thirty deer were killed on Tussey mountain between the Sholl and Musser gaps.

The Neidigh hunting party got a buck which carried a rack of 17 points and weighed 180 pounds.

The Shoemaker Bros. are claiming credit for bagging "Old Barney," a proud old buck which has evaded many hunters in past years. At least they got one with 18 points and which dressed 200 pounds.

The John Kline crowd of day hunters bagged four deer in four hours hunting on Tussey mountain, last Thursday.

The Pine Grove rod and gun club broke camp on Thursday, bringing in 4 bucks. The lucky shots were Fred Markle, C. M. Powley and son and H. S. Elder.

Will Ripka went into the Barrens, on the second day of the season and killed a 2-pointer. He tagged it and left it in his car for a short time, and when he returned he was considerably peeved to find that some rascally hunter had stolen his deer and gone away without leaving his address.

The Louck-Heffner crowd hunted in the Scotia region and during the day Wilbur Dodd downed a 4-pointer. He was in the act of cutting the buck's throat when it began to struggle to its feet. Grabbing both horns Wilbur yelled for help. George Louck responded and ended the buck's career with a shot from his trusty Marlin. Mr. Louck, himself, also bagged a 4-pointer.

John K. Miller got a 4-pointer on Tussey mountain, his first kill.

Fred B. Tate and two chums got two bucks in the Barrens, on Monday. A party from Pittsburgh got two and another party from West Virginia two.

Paul Meyers, a stump hunter, bagged a 4-pointer last Thursday. The three Rossmann brothers, George, Fred and Guy, each got their buck.

Melvin Peters has an 18-pound turkey gobbler on ice for Christmas which he bagged the last day of the turkey season.

The West Penn Power company put a force of men to work, last Thursday morning, stringing a line from Hecla to the Hecla mountain beacon light on the New York to Cleveland airmail course. The beacon lights are under control of the Department of Commerce and as most of them are located on high mountains they have been equipped with their own lighting plant, but the Department has evidently concluded to secure current from commercial electric companies wherever it is possible to do so, and the equipping of the Hecla mountain light is the first step in this direction.

Goheen Esq., who was eighty-five in September and is going strong. He motored down with Warren Ingram just for a little outing and when he left us we got to thinking of the changes in the families in "the Glades" that time has wrought. NEW BANKER TO COME HERE ABOUT FEBRUARY FIRST.

At a recent meeting of the board of directors of the First National bank of Bellefonte Mr. Newell B. Long, who now is cashier of the First National bank of Emporium, was offered the appointment of assistant to the President. He has accepted the offer, and with his family, a wife and two children, will take up his residence in Bellefonte and assume his new duties sometime in the near future, probably about February 1st.

Mr. Long has an enviable record as a successful banker. Beginning his banking career with the First National bank of State College, about fourteen years ago, he quickly displayed unusual ability and was rewarded by being made cashier of the Snow Shoe bank, serving that institution in this capacity for seven years. Two years ago he resigned his position in Snow Shoe to accept the offer of cashier in the First National bank at Emporium. In all these several relations he has proved himself the possessor of abilities of a high order, and his selection for an important post in the First National bank is evidence of his recognized merit.

The strongest testimonials of his successful work in Emporium and sincere expressions of regret at his departure, have been received from his associates there.

Mr. Long has a wide acquaintance in Centre county, gained by his former residence here, and he will be welcomed not only by his old acquaintances but by the banking fraternity, as a distinct addition to their numbers.

BELLEFONTE BOYS IN CONFERENCE AT MILTON.

Ralph Haag, Melvin Dry, Edmund McCafferty, Joseph Gingery and Geo. R. Meek Jr. attended the conference of the "Older Boys" of the Y. M. C. A.'s of the northeast district of Pennsylvania, which was held at Milton last Friday, Saturday and Sunday.

The sessions were all held in the magnificent new Lutheran church in that city, which appears to have both the capacity and equipment for serving as a real community centre. The three hundred and fifty delegates in attendance were banquetted in the church as well.

The address of Dr. Henry H. Crane, of Scranton, must have been one that everyone might have heard to his or her advantage, for one of his young auditors told the writer that "he spoke for two hours and a half and the boys were all sorry when he quit as soon as he did." Any man who can hold a crowd of boys of that age for two hours and a half must have had a message that appealed.

The Bellefonte delegation was taken to and from Milton by Mr. L. C. Heineman, secretary of the local Y. M. C. A., and they speak glowingly of the gracious hospitality of the Milton homes in which they were entertained while there.
