INK SLINGS.

Happy New Year to everybody. And this goes for enemies as well as friends.

-Bellefonte enters the New Year with the assurance that she can get a new industry if she wants it bad enough.

-Next fall all the county offices are to be filled so it may be expected that all who have an eye on them have turned over a new leaf and resolved to be politer than they have ever been before.

-Bellefonte's new hydrostatic pumping station is running right along now. It won't get into its then it can be put full speed ahead. child in Bellefonte every twenty-four and ears of some and smell the breaths of others we are convinced that a goodly portion of our five thousand population is not consuming any thing like four barrels daily.
