Methodist Movement:

The formal consecration of the special light, illuminating the large round pulpit art glass window, "The Good Shepherd," its subject, took place last Sunday evening. Special music was enjoyed, congregational and soloists, Miss Lenore Morgan singing "The Lord is My Shepherd," and Sankey's great song, "The Ninety and Nine," was sung by John Weber. The sermon was an exposition of "I Am the Good Shepherd," etc., and featured the revival period. Many persons, especially children and young people were present.

The first of a series of meetings now going on has fine support from official members and their families. The large chorus gives a volume and swing to the singing. All exercises have been strong and searching. Strangers and men are attending. Tuesday evening, Rev. G. E. Householder, of the United Brethren church, took part.

WORLD'S FASTEST IRON THE PROCTOR 1000-WATT!

Always Hot Enough; Saves 20% of Your Ironing Time

Don't waste time with an iron that's constantly holding up the job. Buy a new "Proctor" 1000-watt iron and get that high heat so necessary to fast ironing—150 degrees hotter than with any other automatic iron! All the moisture is instantly absorbed from the most heavily dampened clothes—saves 20% of your ironing time—and gives the finest finish ever. Costs no more to operate because you're not ironing as long!

NO GUESSWORK—Fabrics Are Marked Right on the Dial!

If you're going to iron artificial silks, set the dial at the words "ART. SILK" and get a new low heat of 210 degrees—just right for "dries." This heat is accurately maintained until you reset for some other fabric, marked on the dial. This convenient method positively eliminates scorching and further saves time because the iron attains the correct heat immediately.

An Ordinance.

AN ORDINANCE Granting West Penn Power Company the right to construct, operate and maintain an electrical transmission system over, upon and across a tract of land known as the "Island" and the water and water bed surrounding same, in the Borough of Bellefonte, Centre County, State of Pennsylvania, to be located as hereinafter described:

BE IT ORDAINED AND ENACTED by the Council of the Borough of Bellefonte that it is hereby ordained and enacted with and by authority of the same.

SECTION 1—The right is hereby granted to the West Penn Power Company, its successors and assigns, to construct, operate and maintain an electrical transmission system, consisting of one pole and power and telephone wires, together with necessary fixtures, over, upon and across a certain tract of land owned by the Borough of Bellefonte and located in said Borough, approximately five hundred (500) feet North of Lamb Street Bridge and known as the "Island" and the water and water bed surrounding the same, on location as shown in red on Sheet No. 1 of Blue Print Drawing No. T-16428-1, attached hereto and made part hereof.

SECTION 11—The said West Penn Power Company, its successors and assigns, covenant and agree, at all times, to save and keep harmless the Borough of Bellefonte from any and all liability, damage, cost or expense that may accrue to it by reason of the construction, operation or maintenance of said transmission system, and in the event the Borough of Bellefonte desires to use that portion of the property whereon the rights are herein granted to relocate its facilities to another location on this property to be agreed upon by representatives of the Borough and the Company.

SECTION III—West Penn Power Company agrees at its own cost and expense to procure the approval of the Public Service Commission of this grant, as well as all costs in connection with the publication and the advertising of this Ordinance.

ORDAINED AND ENACTED at a meeting of Council held on the 5th day of January, A. D. 1931.
